R.C.No.1058 K3/47, Dated 11-8-47.

Sir,

Sub:- Hostel - opening of a hostel attached to the Govt.
Training School for Masters, Tinnevely - proposals -
submitted.

In connection with Part II of the Budget Estimate for 1948-49,
I have the honour to submit for favourable consideration of Government
the following proposal for the opening of a ~~xxx~~ hostel attached to the
Government Training School for Masters, Tinnevely.

The District Educational Officer, Tinnevely, reports that
the boarding and lodging facilities available in Tinnevely are not
satisfactory and that at present the pupil teachers of the Government
Training School for Masters, Tinnevely, are scattered all over the town,
residing in ill-ventilated and ill-lighted rooms and messing in hotels
which are not quite good. The existing conditions are not conducive
to the health of the pupil teachers or to their studies. The opening of
a Hostel is necessary in the interest of the efficiency of institution,
of discipline and the health of the students.

A higher Elementary section and a secondary section are
attached to the Training School, About 50 pupils and more are likely to
join the hostel.

A private building will be taken up for rent at Rs.125/- p.m.
for the hostel.

In the circumstances I request that Government may be pleased
to sanction the opening of a hostel attached to the Government Training
School for Masters, Tinnevely, with effect from the next school year.

The financial effect of the proposal is as follows:-

Cost in 1948-49.

Please see E.P.H.'s note overleaf. Housing difficulty exists everywhere at present and the circumstances set out at A on p.10-F are not peculiar to the institution at Tinnevely. In this view it cannot be said that the proposal which relates ^{only} to the Govt. Training School, Tinnevely is imperatively and immediately essential for the proper running of the dept. Finance may advise that the proposal may be deferred.

Altho' the expenditure involved in the proposal is not large, the arguments given in support of the proposal will apply with equal force to many other educational institutions in the province. It is for consideration whether this scheme in respect of ^{institution of relatively} ~~an~~ ^{importance} need be taken up as a part II scheme. It cannot be said to satisfy the tests laid down in G.O no 577 Fin dated 1.8.47. Finance would advise that the scheme be deferred.

MR 21/11/47.

E.P.H.

Please see the Finance dept's note above. The Director has explained the necessity for the opening of the hostel in para 2 of his letter at p. 4. The amount involved in the proposal is not large (Rs 1430 p.a.) as admitted by Finance, the benefit to the students ^{who reside in the hostel} ~~is considerable~~ ^{is immense}. Further it is submitted that it would be false economy to cut down expenses by turning down such schemes which are most useful in the practical working of the Edn. dept. In the circumstances for orders where the proposal may be passed as to circulation.

It is submitted that the very object of training these pupil teachers will be frustrated if they are not given even the reasonable facilities for

Studies. The B.P.D report that these pupil teachers are at present residing in ill-ventilated and ill-lighted rooms and are having to sleep in huts which are not fit for habitation. In the interest of the students and health of these students in whom the Govt. is spending a lot of money by way of stipends etc. the opening of the hostel as from next year appears to be a ~~great~~ ^{real} necessity. Quite recently Mr. J. agreed to the opening of a hostel for the students in the Vengalipattam Training School who live in a similar plight. The proposal may ~~perhaps~~ be forwarded for orders as to circulation.
