Office of the
Director of Public Instruction,
Madras, Dated 21-2-1948

From SRI D.S. REDDI, M.A. (Oron),
Director of Public Instruction, Madras.

To THE SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH DEPARTMENT.

Sir,
SUB: Inspection - Posts of Personal Assistants to the
District Educational Officers - Further conti-
nuance - Sanction requested.

REF: G.O.No.Ms.671 Education dated 3-4-1947

With reference to para 3 of the Government Order cited above, I have the honour to submit for favourable consideration and early orders of Government the following proposal for the continuation of the posts of Personal Assistants to the District Educational Officers.

2. Attention is solicited to my letter N.O.No.3111-K.3/46 dated 6-2-47 in which I have specified the work assigned to the Personal Assistants to the District Educational Officers and explained the need for the continuance of the posts. I submit herewith a statement showing the statistics of work in each of the offices of the District Educational Officers from which it may be seen that the almost all the offices the work is on the increase. It is therefore not possible for the District Educational Officers to pay personal attention to all the office work and relief should be given to them as before to enable them to devote greater time and effort to executive work and to the work connected with the expansion of elementary education. The Divisional Inspectors report that the District Educational Officers have to be on tour for nearly 20 days a month on inspection of secondary schools and visits to elementary schools and compulsory areas and that a responsible officer is needed in the offices to look after routine work, interim correspondence and to assist in the supervision of the office. The Personal Assistants are helping the District Educational Officers in reducing his routine work and giving him more time for inspection and out door work. Further as the powers to dispose of the defaulters' cases in connection with compulsion has since been delegated to the District Educational Officers, the work in the offices of the District Educational Officers has considerably increased. The Divisional Inspector, Anantapur reports that all the District Educational Officers in his Division have recommended the permanent retention of the posts of Personal Assistants. Having regard to the policy of Government which envisages further expansion of compulsion in rural areas, I consider that it is necessary to continue the posts of Personal Assistants.

In the circumstances I request that Government may be pleased to sanction the continuance of the posts of Personal Assistant to each of the District Educational Officers, except the District Educational Officer, Chingleput, for a further period of one year from 1-4-1948.

for Director of Public Instruction.

The District Educational Officer, Cuddappa states that the figure 12873 given against the number of papers received from 1.4.47 to 1.12.47 was a mistake for 17321. The total number of papers received during 1947-48 is 23371. The expenditure on teaching grant during 1947-48 including D.A. is reported to be Rs.5,39,800 which is greater than that of the previous year.

The number of papers received during 1.4.47 to 1.12.47 will thus be 26016. As regards teaching grant, the amount relates to three quarters only and that there is an increase to the extent of Rs.2,71,412 in the teaching grant during 1947-48.

Ref: Your Pros.R.O.C.No.3111 K.3/1946 dated 19.3.1948.

The District of Salem is a backward area for purpose of elementary education on account of which Government sanctioned special subsidies for its advancement. The introduction of compulsion has been extended to rural areas in 97 centres with 270 schools. Besides, the scheme of the Government to open new schools on the Kolli Hills for hill tribes is being sanctioned as per G.O.No.542 Edn. dated 12.4.43 and the same

tried. Recurring annual
grant Rs 135000 is being

is being utilised in opening new schools, 108 in number, and also developing certain other schools. This is in a way the cause for lowering down the teaching grant, since no new aided school could be opened in these localities.

New secondary schools have been very recently been opened and they are being developed into complete high schools. Although the question of payment of teaching grant to elementary schools is not large, the other side of improvement in the elementary education by increase in the number of schools both elementary and secondary involve great amount of responsibility for which there is need for the assistance of Personal Assistant to the Dist. Educational Officer in this district. The continuance of the Personal Assistant is, therefore, recommended.

Please see the reference from the D.P. 9 in the C.F. and the draft order put up by E.P.A. on p. 1 above. From the statistics furnished by the D.P. 9 on p. 3 of C.F. it is observed that the number of papers received and the teaching grants disbursed to the schools have increased in all districts except East Godavari, Cuddapah and Salem. In Cuddapah, the number of papers received in 1947-48 is far less than that in 1946-47 and the amount of teaching grant disbursed also

Item No 10 worked on the basis of 5 months average in 1947 nearly 3752

Fin. no 14198 E III-7 5/7/48

is far less than that in the previous year. In the case of Salem, the number of papers received in 1947-48 (worked on the average furnished for the period from 1-4-47 to 1-12-47) is very low, near that in 1946-47. Information regarding the amount of teaching grant disbursed in both the years has not been furnished. In East Godavari also the number of papers received in 1947-48 has fallen by nearly 14,600, when compared to 1946-47. The disbursement of teaching grant has increased to some extent, but there does not seem to be a strong case for the continuance of the post of P.A. in this Dt, especially in view of the enormous fall in the number of papers received. In the circumstances this Dept may advise that the posts of P.A's in East Godavari, Cuddapah and Salem Dts may be abolished forthwith.

Finance agree to the continuance of the posts of P.A's to D.E.O's in all Dts except East Godavari, Cuddapah and Salem. As stated by A in, it is true that the no of papers judged from the nine months' standard (from 1-4-47 to 31-12-47) has fallen in the above districts. (Per finance note on p. 2-3 above)

The further note of E.H. 4 and the minutes of H.M. (Edu.) above, may be perused. As previously pointed out by this Dept., the number of papers received and dealt with in 1947-48 in each of the D.E.O.'s offices at Cuddapah, Salem and East Godavari are too low when compared to the previous years. The amount of teaching grants disbursed in these districts is also not very much. Judged on these standards, the case for the continuance of the posts of P.A.s in each of the districts of Cuddapah, Salem and East Godavari seems to be very weak, and this department may adhere to the views already expressed viz that the posts of P.A.s in the above districts should be abolished. If E.H. 4 is for the proposal, they may be requested to take orders in circulation including H.M. (Finance).

It is ~~that~~ ^{transacted} that the posts of P.As. to the D.E.Os. were first created during the period of the war, i.e., 1943. But after the war the question of the retention of these posts was considered afresh with reference to the work then ~~transacted~~ in the offices of the D.E.Os, in connection with Part II estimates for 1946-47 and it was only after careful examination that the Government sanctioned these posts in 1946. Even then the posts were sanctioned only for one year. The Director was asked to submit a report to Government by Feb. 1947 reviewing in detail the necessity for the continuance of the posts with complete statistics of the work in each of the offices of the D.E.Os. On receipt of this report the matter was again examined in detail in 1947 and the Govt. directed the abolition of the post of P.A. to D.E.O., Chingleput, as the work in that office did not justify the employment of a P.A.; the posts of P.As. in the other offices of D.E.Os. were continued. The Director was again asked to submit a report in Feb. 1948 reviewing in detail the necessity for the continuance of the posts. This report was ~~again~~ received in February last. The matter was again examined with reference to the figures furnished by the Director and the Government ~~have~~ sanctioned the continuance of the posts (except Chingleput) for another year from 1-4-48. In his letter dated 21-2-48 the Director has explained the need ^{for the continuance of the posts} ~~for the continuance of the posts~~. In the circumstances, it does not seem that the posts can be abolished. The need for the continuance of the posts will again be examined when the Director comes up with proposals for the further continuance of the posts beyond ^{March} ~~1949~~ 1949.

Work has grown considerably in the meantime and it will not be possible to abolish these posts of Personal Assistants now. In fact, the number of high schools has grown nearly double and there is a lot of strain on the staff and it will not be possible to run the administration by cutting down the staff.
