requested:

In connection with Part II of the Budget Estimate for 1948--49, I have the honour to ~~state~~ submit for favourable consideration and sanction of Government the following proposal for the conversion of the posts of parttime Music teachers in each of the Government Training Schools for Masters, Malappuram, Ranipet, Cannanore and Calicut.

p 97 ⊗

p 197 ⊗

2. Government in their order No.MS. 851, Education, dated 22nd April 1946 sanctioned the employment of a part-time Music teacher on a pay of Rs.30/- per mensem in each of the 46 Government Training Schools for Masters with effect from the school year 1946--47. Sanction was given in Government Memorandum No.15327 C.1/47-2 Education, dated the 18th March 1947 for the continuance of the posts upto the end of the school year 1947--48.

3. The Divisional Inspector of Schools, Coimbatore has submitted proposals for the conversion of the part time Music teachers' posts in the Government Training Schools for Masters mentioned above for the reason that the music teachers in these schools have to work 4 to 6 periods a day and that it is not reasonable to treat them as part time instructors, in view of the heavy work assigned to them. He has further reported that the quality of instruction imparted cannot be upto the standard, as these instructors, being only part time cannot be expected to evince much interest in the boys nor do they take much interest in their job itself as they are more inclined to take up private tuition which are more

There is only a
general feeling
of dissatisfaction
in the schools.

remunerative. Hence in order to obtain the maximum benefit from them the posts should be converted into full time posts.

4. I furnish below the work assigned to the part time music teachers in the 4 training schools under reference.

Name of the Training School.	No. of Sections in 1946--1947.	No. of periods of work assigned.				Total No. of periods assigned per week.
		Training Section.	Model Section.	Per day.	Per Week.	
1. Government Training School, Malappuram	9	3	18	1	7	25
2. Ranipet	6	4	20	2	2	22
3. Cannanore	11	5	22	1	2	24
4. Calicut	11	4	19	2	8	27

From the above it may be seen that the work assigned to part time teachers ~~under~~ in the four training schools is heavy and ~~for~~ I consider that there is justification for the employment of a full time Music teacher. I have also examined the proposal in regard to other Government Training Schools and do not consider that there is need for the conversion of the part time posts into full time posts at present. Though Music is not now an optional subject in the training course but only a "B" group subject, it is a compulsory subject in lower elementary schools. Hence the teaching of music in elementary schools serving as model schools to the Training School is also necessary. If the part time posts are converted into full time posts it will be possible to devote greater attention to this subject both in the training and model sections. In the circumstances I request that Government may be pleased to convert the posts of part time music teachers in each of the four Government Training Schools for Masters at Malappuram, Ranipet, Cannanore and Calicut into full time posts with effect from the school year 1948--49.

5. The proposal will involve a cost of Rs.540/- (145-30x9x4) in 1948--49 and Rs.1800 ultimately.

6. I am including the necessary provision under Part II of my Budget Estimate for 1948--49.

The cost involved in the proposal is estimated by the Director to be Rs. 540/- during 1948-49 and Rs 1800/- ultimately. It may be noted here that the part-time music teachers are not paid any dearness allowance at present. As these music teachers ^{were} would be placed on a time scale of pay after the conversion of the part-time posts into full-time, they would presumably be eligible for dearness allowance also. The cost, including the payment of dearness allowance, involved in the proposal ^{were} would be Rs. 1200/- during 1948-49 and Rs 2700/- p.a. ultimately.

The proposal may be supported
