SUB:- Basic Education = Supervision of Basic Schools
Staff = Proposals:

Basic education has been introduced in 17 schools in Coimbatore Belt area and the same has been approved by Government. There are ten Basic Schools in other Tamil Districts. To supervise the work of these schools and to guide them, the appointment of a Junior Deputy Inspector was recommended to Government in my RC.No.1204 B.1/6 dated 25th June 1947 and the orders of Government are awaited.

2. For the introduction of Basic Education in the Telugu area, Government have been addressed and their orders are awaited.

3. The teachers admitted for one year course in the Government Basic Training/Cuddalore will be completing their course by April 1948 and in June they will have to open Basic schools or the existing elementary schools will have to be converted into Basic schools where they will work.

4. The one Junior Deputy Inspector proposed for the Coimbatore area cannot supervise the work of the schools in all the 3 areas mentioned above (Coimbatore, Andhra and Cuddalore). For effective supervision and successful work, there should be one Junior Deputy Inspector for each area. The creation of two more posts of Junior Deputy Inspectors is, therefore, recommended each Junior Deputy Inspector should be given a craft attender, to assist him in his work. This appointment of an attender was not suggested while submitting proposals for the Coimbatore area. The creation of 3 posts of attenders will, therefore, be necessary for the two additional Junior Deputy Inspectors proposed now and one already proposed.

5. The cost of this scheme will be Rs.2,600/- for 1948-1949 and raise the ultimate cost by Rs.4,400/- as detailed below:

Recurring:	Cost in 1948-49 (11 months).	Ultimate cost
2 Junior Deputy Inspectors (60-120) 60+18 D.A.	1716	2688
3 Attenders (24-35) Rs.24+16 D.A.	1320 (880) ✓ 126	1678 1746 ✓
Total:	3157 or 3268 2,596 2,600	4,434 4,438 4,400 in round figures.

6. The Junior Deputy Inspectors will form part of the establishment of the Training School, though on inspection duty and will have no separate office. Hence no provision is made under contingencies.

7. I request the Government to approve the proposal and to make the necessary provision in the Budget for 1948--49.

8. I am including the necessary provision in the Part II of the budget estimates for 1948--49.

The Govt have sanctioned the appointment of Junior Deputy Inspector of Schools, to supervise the Basic Schools opened in the Coimbatore belt area. The Director ^{has been} asked to submit proposals for the opening of Basic Schools in the Andhra area. The Director anticipates that more Basic Schools will be opened in 1948-49 and that it will not be possible for the single Deputy Junior Deputy Inspector of Schools to supervise all the schools. He therefore suggests that two more posts of ^{Deputy Inspector} Supervisors may be sanctioned. 2. The Director also points out that a craft ^{Deputy Inspector} attender should also be employed under each ^{Deputy Inspector} Supervisor so as to assist him in discharging his duties. Thus he has applied for the sanction to the employment of three craft attenders, One for the Junior Deputy Inspector of Schools, already appointed and the ^{two} remaining ^{craft} attenders for the two posts to be sanctioned. The proposals of the Director ^{are} ~~are~~ essential as the Govt ^{are} ~~are~~ earnest about the introduction of the scheme of Basic Education in this province.
