C-8053301/47. Part II Scheme - 1948-49 - Aided ele. schools - Building and Equipment grants

The A. P. S. proposes that the following provision may be made in Part II of the B. E. for 1948-49 for payment of building and equipment grants to aided ele. schools:

	Rs.
Buildings:	54,600.
Equipment:	28,800.

The particulars of the scheme for which provision is intended are at pp. 2 and 4 of the rules. Under the rules the Director is competent to include building grant schemes in the approved list, but such inclusion implies no kind of liability on the part of the govt. He has to suggest the provision required for such schemes in Part II of the budget estimates.

Under the rules equipment grant to aided ele. schools can be sanctioned by the Director or the Inspecting officers.

This dept. may recommend the provision proposed by the Director for the payment of the building and equipment grants. The provision made during the last 4 years was as follows:-

	Year	Building Rs.	Equipment Rs.
Cp note on p 11	1944-45	28,800	8,900
7 (d) - 2905m	1945-46	29,800	11,100
30/4/47	1946-47	77,400	21,300
(X)	1947-48	47,700	30,800
	1948-49 (Proposed)	54,600	28,800

As it is usual to make some provision in Part II every year for gr. to aided ele. schools for buildings and equipment, the proposal may be considered as essential for the proper running
