1948-49 under '37-h. Education - Secondary -

Subsidy - Equipment - Secondary schools under local bodies - Part II
Scheme for 1948 - 1949

Subsidies are paid to local bodies every year towards the purchase of equipment for secondary schools under their control. The D.P.I. submits for consideration as a Part II scheme every year a list of new schemes for the purchase of equipment for which provision should be made in the next year's budget.

2. The Director states that the total amount required next year for such equipment schemes is Rs. 80,900 roundly and recommends that the amount may be included in the next year's budget. A list of institutions on whose behalf the amount has been applied for will be found on pp. ⁵⁻⁶ ~~25~~ cf. Only essential schemes have been included and the amount of subsidy proposed in each case is one half of the cost of the articles proposed to be purchased.

3. Items 81 to 126 are the new equipment schemes for which the Director has recommended that provision may be made in the B.E. for 1948-49 for payment of ^{subsidies} ~~grants~~ equal to one-half of the cost. The following remarks seem called for:-

(1) Municipal High School, Bellary: - Purchase of furniture books & Maps
(Rs. 4,128)

In G.O. No. 690 Education dated 1-4-1946, the Govt. sanctioned a non-recurring subsidy of Rs. 24,000 to the Municipal Council, Bellary towards the full cost of the initial equipment to be purchased for the new Muslim High School after considering it as a Part II scheme for 1946-47. Out of this, a subsidy of Rs. 18,425 has been ordered to be disbursed in the current year. The balance to be paid is Rs. 5,575. The total cost of the equipment proposed to be purchased in 1948-9 is only 4,128. As this is less than the amount of subsidy remaining unpaid, it is perhaps unnecessary to treat this as a new scheme. Provision may be made in Part I for the subsidy of Rs. 5,575 yet to be paid. ^{Vide L.F. below.} ^{Item 88 in the list on p. 4 cf.}

(2) Municipal Girls High School R.S. Puram - Coimbatore - Purchase of initial equipment Rs. 3,903:- This is a school newly opened and no

subsidy is admissible towards the purchase of initial equipment. ^{The Commr.}

and Spl. Officer of the municipality has been informed accordingly. This may be omitted. ^{LA have agreed that the m.c. can meet the expenditure from its funds}

(3) Three middle schools and 2 high schools newly opened in taluks not served by such schools.

The proposal that the maximum subsidy of Rs. 3,000 towards full cost of the initial equipment to be purchased for each of these new schools should be paid in two instalments was put forward as a Part II Scheme for

 1947-8 and provision has been made in one-half of the subsidy of Rs.15,000 ^{current} ~~amount~~ year. The
 admissible for the 5 schools newly established in the ^{current} ~~amount~~ year. The
 Director has suggested a provision of ⁹⁰⁰⁰ ~~8000~~ in the B.E. for the balance of
 subsidy due for the 5 schools and also for the subsidy to be paid for the ^{remaining one} ~~remaining~~
 school ^{to be newly opened under the existing sanction.} As this is an existing commitment, this may perhaps be ^{included} ~~included~~
 in Part I estimate.

If the provision for item (2) above is omitted and provision
 is made in Part I for items 1 & 3, the total provision for equipment grants
 to secondary schools under local bodies to ^{be} ~~made~~ under Part II will be only
 Rs. 63869 or 63900 roundly against Rs. ⁷²³⁰⁰ ~~72275~~ made in the current year's budget. ^{part of (n)}

4. The number of students seeking admission into secondary
 schools is increasing year after year and unless the schools are properly
 equipped efficiency will suffer. The financial position of most of the local
 bodies is not satisfactory and they cannot meet the cost of the purchase of
 equipment without Government subsidy. The D.P.I. states that only essential
 schemes have been included. The proposal may be considered to be imperatively
 and immediately essential for the proper running of the ^{schools} ~~schemes~~ and may be
 put forward as a Part II Scheme for 1948-49.

* Subsidy of Rs 24,000 towards the net cost of maintenance of the
 Municipal High School for Muslims, Bellary.

The grants proposed in this case are not for new ^{these}
 objects but only for the normal running of the schools. As such
 grants are sanctioned every year after treating the proposals as
 Part II Schemes, the criteria laid down in G.O.No.577, Fin., dated
 1-8-47 restricting part II schemes for 1948-9 need not be applied
 to this case. In the circumstances stated by the E. & P.H. depart-
 ment in para 4 of their note on p.2 above, Finance may agree to
 the proposal going forward as a Part II Scheme for 1948-9.

is Rs. 63900. A list of institutions on whose behalf this amount has been applied for is annexed. The Director says that all the schemes will mature for payment during 1948-49. The subsidy proposed in each case is one half of the cost of the equipment.

3. There has been extraordinary rush for admission into secondary schools and this has been met partly by the opening of new schools and partly by opening of additional sections in existing schools. It has therefore become necessary to purchase additional equipment for the proper running of the schools. This department therefore recommends that a provision of Rs. 63900 be made in the next year's budget.
