Submitted that the second draft
amendment on the previous page will not
preclude cases where exception is necessary.
and has been given in view of the following
provision in rule 5 (b): - "x x x x x unless
such teachers are too old to undergo training
and are exempted from undergoing training
x x x"

(perhaps)

However to make the intention
more clear and to avoid ambiguity, in the
draft amendment suggested by the Director,
for the words "grants should be assessed only"
the words "grants may also be assessed" may
be substituted. Subject to orders, the
draft order may have been suitably modified.
