Government Training School, Chingleput..

Sub:- Defaulting ex-students - Action after 6 years - Report -
Submitting the.

With reference to your Re.85/43, dated 10-6-47 calling for reasons for not taking action immediately after a period of 6 years in regard to the Seven Students whose cases were submitted to the Divisional Inspector of Schools for the writing off of certain amounts of Stipends, I wish to submit the following report detailing the action taken in each case:--

1. H.No.456 V. Chinnakannan trained during 1929-1931:- He has put in a service of 9 months as teacher subsequent to his training. Because nothing was known about him, a registered notice was sent to him on 10-12-1939 to which no reply was sent to him on 10-12-1939 to which no reply was received. The tahsildar was then addressed for his whereabouts with no better result. The Tahsildar's report has been submitted along with my previous report. Then his name was published in the District and Fort St. George Gazette last year which also brought forth no clue as to his whereabouts. Hence, ~~fixat~~ finally his case was sent up for writing off of stipends.

2. H.No.601 A.S.Rangaswami Ayyangar trained during 1931-1933:- He is a failed candidate and so he never worked as a teacher. Action against him was taken exactly after 6 years by sending a registered notice on 19-4-1939 but with no response. Then, another circular was returned undelivered with a postal endorsement which has been submitted along with my previous report. Then a letter asking him to take delivery of his failed certificate met with the same result and it was destroyed as per rules. Then his name was published in the District and Fort St. George ~~xxx~~ Gazette 1946 which also led to no clue as to his whereabouts. Hence finally his case was sent up for writing off of stipends.

3. H.No.634 M.K.Munuswami trained during 1931-1933:- He put in a service of 5 months and 27 days as teacher but afterwards his whereabouts could not be traced inspite of notice issued and Gazette notification. The postal endorsement has been submitted with my previous report.

4..

5. H.No.756 A. Isaac trained during 1933-1935:- is a failed candidate and he did not even claim his failed certificate in spite of intimation and so it has been destroyed as per rules. A notice was issued to him on 13-11-1941 after 6 years but it did not meet with any reply. Then the tahsildar was addressed which also did not bring forth any result. The tahsildar's report has been enclosed with my previous report. Then his name was published in the Gazette which also met with no response. Hence finally his name was included in the list for writing off of stipends.

6. H.No.874 M.V.Narasimham trained during 1934-1936:- He did not report his whereabouts in spite of a notice which was returned undelivered. The postal endorsement has been enclosed with my previous report. The Gazette notification also brought forth no result. Hence his case was submitted for writing off of stipends.

7. H.No.1102 H.Duraiswamy Mulaliar trained during 1937-1939:- He is a failed candidate and so it seems he could not get any jobs all these years. To a notice is sent to him on 14-12-1939 he did not reply. He did not even claim his failed certificate which was therefore destroyed as per rules. Publication of his name in the Gazettes did not also bring any reply. The Tahsildar's report as to non-information about his whereabouts has been enclosed with my previous report. Hence his case was submitted for writing off of stipends.

Thus, in the cases of all the 7 defaulting ex-students, necessary action has been taken at every stage.

2

In this connection, it may be mentioned that during the last 2 years particularly, out of a total of 243 defaulting ex-students trained during the years 1929-1931 in this school, I have traced 188. Even of the remaining defaulters the cases of 9 have since been disposed of by you and 4 more have again been sent up for disposal recently on 9-6-47. This, only 42 cases of defaulters still remain to be disposed and if the present batch of default with in this reference is disposed, the balance will be only 35. This figure, it may be seen, is not a big one considering the period of 10 years under reference and steps have been taken to tackle these 35 cases also. During the last 4 years I have been here, the total number of bonds cancelled by me comes to 521.

Ref: Your Rc. 853-46, dated 24-12-1947 regarding stipends write off - ex-students of the Government Training school, Chingleput.

I submit that no action was taken for the recovery of the amounts from the students concerned under section 52 of the Revenue Recovery Act. From a scrutiny of the file of papers under reference, in many cases, the Tahsildars concerned have been addressed to ascertain the whereabouts of the ex-students, who have not fulfilled the terms of the bond. As their whereabouts were not known nor traceable by the Revenue authorities, no action had been taken under the Revenue Recovery Act.
