OFFICE OF THE

FROM

DR. S.R.U. SAVOOR, M.A., D.Sc.(Lond), I.E.S.,
DIRECTOR OF PUBLIC INSTRUCTION, M A D R A S.

TO

THE SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, M A D R A S.

Sir,

SUB:- Basic Education = Government Basic Training
Schools = Strengthening of staff:

I have the honour to submit the following proposals for the strengthening of staff in the Government Basic Training Schools, Palayad (North Malabar), Moodbidri (South Kanara) and Cuddalore (South Arcot).

(a) Palayad (North Malabar District):- (i) There are at present 2 training sections in this school and 3 trained graduates are on the staff. This year a trained graduate of the Malabar District is being deputed to Wardha for further training in Basic Education. To meet the large demand for Basic Trained teachers for schools in Malabar a third section for fresh recruits may be opened during 1948--49. The teacher from Malabar deputed for training at Wardha will be available for the school. The additional staff required for this purpose is one more School Assistant and an Artist.

(ii) There is no provision for the appointment of Deputy Wardens, though all the Basic Schools are residential ones. It is suggested that provision may now be made for the appointment of a Deputy Warden, from among the members of the staff of the school concerned on a monthly allowance of Rs.15/- if free quarters cannot be provided.

(iii) The model school is now managed by one teacher. Two more are required for the opening of the higher grades.

(b) Moodbidri (South Kanara District):- (1) This is the only Basic Training School for the Kannada Area, and it has at present only one section. It will be more economical to add another section, with the appointment of a few more teachers. Unless this section is opened, fresh batches for training can be admitted only in alternate years. For the opening of an additional section the additional staff that may be required is one teacher in the school Assistants cadre in addition to the one proposed for transfer from Cuddalore, 2 more Basic teachers and one craft attender.

(ii) Provision may also be made for the appointment of a Deputy Warden.

= 2 =

(c) Cuddalore (South Arcot District):- Sanction for a Deputy Warden on the usual allowance of Rs.15/- if no rent free quarters is provided may be sanctioned for this school.

2. The financial aspect of the proposal in respect of each of the three schools is given below. Provision for contingencies, equipment, stipends etc., is also suggested:

Sir,

p.p.c. + (D)

In their order No. 862 Edn.. dated 12.4.'48. Govern-
ment sanctioned the employment of one Artist for a period of
two years in the Basic Training School, Palayad. In no
other Basic Training Schools, are artists employed. So as to
have a uniform staff in Basic Training Schools, I recommend
that the post of Artist sanctioned for employment in the
Basic Training School, Palayad may be converted into a Secondary
grade Assistant's post. Since both the posts carry the
same scale of pay no extra expenditure is involved on account
of the proposal.

Yours faithfully,

SIR,

Basic Education--Basic Training School, Palayad--Abolition
of the post of artist.

Reference:--Government Memorandum No.53219-B2/48-4 Education
dated 6.10.1948.

@@@

The Basic Training School, Palayad has 3 sections (One junior
and 2 seniors) in the Training section and two classes in the Model
School (Classes 1 and 2). The sanctioned strength of the teaching staff
for the school is as follows:--

4 L.Ts., 3 Secondary Grade Teachers and 1 Artist.

The above posts were sanctioned in G.O.Nos.1604-Education
dated 17.7.1947 and 862 Education dated 12.4.1948. The One L.T. Post
sanctioned in G.O.No.862-Education dated 12.4.1948 has been kept in
abeyance since for want of accommodation the number of sections had to
be restricted to three. Of the three secondary grade teachers, two are
working in the model schools. Excluding these two teachers, the
training section has only three L.Ts, one Secondary grade and one
artist. The normal strength of teaching staff required for a Basic
Training School with 3 sections is 3 L.Ts, and 3 Secondary Grade
teachers. In case there are specialist teachers the number of
Secondary Grade teachers are correspondingly reduced. Since the Basic
Training School has at present only 3 L.Ts, one Secondary Grade
teacher and one artist, I consider that the post of the artist
sanctioned for the school has to be retained.

Yours faithfully,

School at Moodbidri. If no Artist had been employed in any of the Basic Schools, the proper course will be to abolish the post of Artist sanctioned for the Basic Trig. School at Palayad.
