GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT

G.O. Ms. No: 17, Dated the 5th January 1948.

Electricity Department - Delegation of powers to
Superintending Engineer, Technical - Proposals of
Chief Engineer (Electricity) - orders.

Read:-

G.O. NO. 2167 W dated 1-10-34
" 1521 Electricity dated 27-7-37.
" 141 Electricity dated 20-1-39.
" 310 E & P.H. dated 10-2-39.
" 616 Public Works dated 13-3-41.
From the Chief Engineer (Electricity)
No. 72 Ad/46-3 dated 23-6-47.

ORDER:-

The Chief Engineer (Electricity) has recommended that the powers delegated to the Executive Engineer, Electrical and Mechanical Division in the Government Orders cited above, may be transferred to the Superintending Engineer, Technical, with certain variations to suit the present day requirements and in view of the higher status of the Superintending Engineering. He has also recommended that the Executive Engineer, Civil and Hydraulics Division, may be allowed to continue to exercise the powers that have already been delegated to him. His Excellency the Governor of Madras accepts the proposals and delegates to the Superintending Engineering, Technical, the powers specified in the annexure to this order.

2. The Chief Engineer (Electricity) is informed that the Superintending Engineering, Technical and the Chief Engineer, Civil and Hydraulics Division should follow the rules contained in the M.E.D. Manual in the matter of destruction of official records and that it is not necessary to delegate to the Superintending Engineering, the powers that were delegated to the Executive Engineer Electrical and Mechanical Division, in 1939 when the M.E.D. Manual was not approved by the Government.

3. The proposal of the Chief Engineer (Electricity) to delegate to the Superintending Engineering, Technical powers to place indents or local purchase orders for stores upto a limit of Rs 10,000/- will be considered along with his proposal to delegate to the Superintending Engineering of Operating Systems enhanced powers in the matter of placing indents or local purchase orders.

4. Orders will be issued separately in the Education and Public Health Department on the proposals of the Chief Engineer (Electricity) to delegate to the Superintending Engineering, Technical, powers (a) to indent on the Superintendent of Stationery direct for his requirements of Stationery and (b) to indent on the Superintendent Government Press for ordinary binding work.

(By order of His Excellency the Governor of Madras).
T.A. VARGHESE,
Secretary to Government.

TO GOVERNMENT STATIONERY OFFICE
11 FEB 1943 P.W.D.
MADRAS

Powers proposed by the Chief Engineer (Electricity) to be delegated to the Superintending Engineer Technical.

- (a) To indent on the Superintendent of Stationery direct for his requirements of stationery.
- (b) To indent on the Superintendent, Government Press direct for ordinary binding work.

In G.O.No. 310 Education dated 10-2-39 the above powers were delegated to the Executive Engineer, Electrical and Mechanical Division and also to certain other officers. The Chief Engineer (Electricity) has now proposed the transfer to the Superintending Engineer, Technical, of the powers delegated to the Executive Engineer, Electrical and Mechanical Division. As the Superintending Engineer, Technical is now in charge of the Technical Branch which includes the Electrical and Mechanical Division, the Chief Engineer's proposal may be accepted.

2. The Education & Public Health Department may be requested to take relevant extracts from this file for necessary action on the Chief Engineer (Electricity)'s proposal specified at 'A' above, as it seems that orders on the subject should issue from that Dept.

T.V.N., O.P.R.,
3-5-47. 5-5-47.

E & P.H. Dept.

The proposed delegation of power in respect of stationery articles forms part of a general scheme of delegation of certain powers and orders may appropriately issue in P.W.D. itself. Please see also the G.O. at (B) issued in P.W.D. The proposal to delegate the power to indent on the Superintendent of Stationery direct for requirements of stationery to the Superintending Engineer Technical may be accepted in this Dept.

The proposal in para 2 above may be accepted.

.....

above P.W.D.

Please see the E & P.H. Dept's note on p.13 ante. That Dept. have agreed to the proposal in para 2 of this Dept's

note on p;13 ante. But it is not clear whether they have taken relevant extracts for separate action. E & P.H. may see.

T.V.N.,
2-6-47.

This may be sent to the Superintendent of Stationery for remarks with reference to 'A' on p. 7 ante. The Superintendent of Stationery may be requested to return the file through the Superintendent of Government Press.

Copy of letter No.72-Ad/46-2 dated 8th March 1947 from the Chief Engineer for Electricity.

Subj: Delegation of powers to the S.E.T. and his subordinate officers.

I have the honour to state that prior to the creation of the post of Superintending Engineer, Technical, the Executive Engineer, Electrical and Mechanical Division and the Executive Engineer, Civil and Hydraulic Division were independent heads of offices under the direct control of the Chief Engineer. I forward herewith a statement showing the powers delegated to the Executive Engineer, Electrical & Mechanical Division and the Executive Engineer, Civil and Hydraulic Division. The Superintending Engineer, Technical is now in charge of the Technical Branch comprising the Electrical and Mechanical and Civil and Hydraulic Divisions. In connection with the placing of Local Purchase Orders, the Accountant General objected to the Superintending Engineer, Technical exercising the power delegated in this respect for the Executive Engineer, Electrical and Mechanical Division and required specific sanction of Government in the Matter. I have accordingly considered the question of delegation of powers to the Superintending Engineer, Technical and his subordinate officers and I recommend as follows:

- i. The powers delegated to the Executive Engineer, Electrical & Mechanical Division may be transferred to the Superintending Engineer, Technical, with the following enhanced financial limits substituted for the existing ones:-

G.O.No.1521 (Elec.) 27-7-37	For the Figure Rs. 2500	Substitute the figure Rs.10000.
G.O.No.141 (Elec.) 20-1-39	For the figure Rs.50 occurring in two places.	Substitute the figure Rs.100
	For the figure Rs.75 under Advertisement	Substitute the figure Rs.300.
	For the figure Rs.1000 under 'contracts'	Substitute the figure Rs.2500

- ii. The Executive Engineer, Civil and Hydraulic Division may continue to exercise the powers delegated to him.

The enhanced limits for the Superintending Engineer, Technical in conformity with his increased status are proposed to meet the present day requirements and the continued exercise by the Executive Engineer, Civil & Hydraulic Division of the powers delegated to him, is necessary in view of his having a separate office, and to afford some relief to the Superintending Engineer, Technical. I request the favour of early orders of Government accepting my proposals.

Statement showing power delegated to

G.O.No.310 E & P.H. dated 10-2-39	To indent on the Superintendent of Stationery direct for his requirements of stationery.	Same as Ex. Engineer and mechanical Divn.
	To indent on the Superintendent Government press direct for ordinary binding work. (True copy)
