APPENDIX.

NATIVITY CERTIFICATE.

I

Certified that X, a candidate for admission into the
Medical College, Madras
Stanley Medical College, Madras
Medical College, Vizagapatam
Engineering College, Guindy
Arthur Hope College of Technology, Coimbatore
son/daughter of Y, resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent in any other district or districts by the candidate for his/her studies or with his/her parent while the latter was employed in Government service, and consequently that X is a native of the district of A within the meaning of the G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the candidate. If any period is to be excluded, the reason for the exclusion should be clearly specified.

II

Certified that Y, the parent of X, a candidate for admission into the
Medical College, Madras
Stanley Medical College, Madras
Medical College, Vizagapatam
Engineering College, Guindy
Arthur Hope College of Technology, Coimbatore
; resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent by the said Y in Government service in any other district or districts, and consequently that X is a native of the district of A within the meaning of G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the parent. If any period is to be excluded, the reason for the exclusion should be specified.

Place

* Signature
Rank

---

* This certificate should be signed by an officer of the Revenue Department not below the rank of a Tahsildar and should bear the stamp of the office of the officer signing the certificate.

NOTE.—The scheme approved in G.O. No. 2786, P.H., dated 26th October 1945, applies only to British subjects. The idea of exclusion of periods spent by the parents in Government service or by the candidate over his studies is to make nativity relate really to the district to which the candidate actually belongs by birth, parentage, possession of ancestral property, etc., and not to make it dependent on the accident of Government service or of sojourn for educational purposes. The idea is not to let nativity be acquired in any district elsewhere to which a Government Officer might go during his service. The test is applied with reference to the candidate and he is entitled to exclude both the periods spent by him in studies elsewhere and by his parents in Government service elsewhere if he was with them all along. For instance, if a student belongs to a family in Tanjore, spends his boyhood with a parent who is in Government service in various places elsewhere and then goes to Madras or elsewhere for his studies he should be put down as a native of Tanjore where his father would have spent, presumably, more than ten years before he entered Government service. If a candidate belongs to more than one district by this test, he can elect any one of the districts for purposes of the certificate.

Whichever of the two forms, I and II, is appropriate to the particular case should be used.

III

G.O. Ms. No. 2113, P.H., dated 17th June 1947.

[Education—Medical and Engineering Colleges—Admission of Naturalised British subjects—Orders passed.]

Order—Ms. No. 2113, *P. H., dated* 17*th June* 1947.

The Government have considered the question of admitting Naturalised British subjects to the Medical and Engineering Colleges in the Presidency and proceed to pass the following orders :—

(*a*) Applications from Naturalised British subjects who applied for naturalisation certificates through the Madras Government will alone be considered.

(*b*) A total period of ten years' residence in the Province should be insisted on in the case of these candidates, without requiring residence in any one district.

(*c*) The above period of ten years may be inclusive of the period of five years' residence required under section 3 (1) (*c*) of the Indian Naturalisation Act, 1926, if such residence was in the Madras Presidency.

(*d*) The district in which the candidate or his parents resided at the time of applying for admission to the College, may be taken as the district to which the candidate belongs, for purposes of the rule of linguistic representation laid down in G.O. No. 1358, P.H., dated 16th June 1943.

(*e*) Candidates need not be required to produce nativity certificates but should be required to furnish proof in support of (*a*) to (*d*). The certificate in this behalf should be signed by a Magistrate or by a gazetted officer.

2. The Surgeon-General/Director of Public Instruction is requested to dispose of the application of Sri V. Gopalakrishna Ayyar for admission to the Medical College/Engineering College, with reference to the orders in paragraph 1 above.

(By order of His Excellency the Governor.)

Rules regarding the admission of students into Engineering Colleges.

3

*2[illegible]6 Q.—SRI R. SURYANARAYANA RAO: Will the Hon. the Minister for Education be pleased to state—

(*a*) whether the rules governing admission of students into Engineering Colleges have been altered and if so, what the altered rules are;

(*b*) whether admission is regulated by communal ratio and if so, what the proportion of seats allotted to each community is;

(*c*) whether the seats have been allotted districtwar based on population, and if so, what the number of seats allotted to each district is;

(*d*) whether the production of nativity certificate is still insisted upon;

(*e*) whether any change has been made in the rules relating to the nativity certificate and if so, in what respects and what the revised form of nativity certificate is;

(*f*) what the number of seats available in each Engineering College is and how they are distributed;

(*g*) whether all or any of the students from the Ceded Districts reading in other Engineering Colleges have been transferred to Guindy College; and

(*h*) whether the Government will be pleased to place on the table of the House a statement giving number of students (districtwar) admitted into each of the Engineering Colleges?

THE HON. SRI M. BHAKTAVATSALAM (on behalf of Hon. Minister for Education):—" (*a*), (*b*), (*d*) & (*e*) Copies[a] of G.Os. No. 1364, Education, dated 27th June 1947, No. 1466,

---

[a] Printed as Appendix III on pages 307–313 infra.

P.H., dated 13th May 1946 and No. 2113, P.H., dated 12th June 1947, are placed on the table of the House.

" (*c*) Seats have been allotted districtwar based on population —vide statement placed on the table of the House.

" (*f*) & (*h*) Statements giving the information required are placed on the table of the House.

" (*g*) No student from the Ceded Districts reading in any of the Engineering Colleges has been transferred to the College of Engineering, Guindy. However, 15 students of the Anantapur College who were allotted in to the Arthur Hope College of Technology, Coimbatore, last year, have now been transferred to the College now at Guindy. All these 15 students are not from the Ceded Districts as the Anantapur college has students from other areas also."

Sri B. Bhima Rao :—" Does not the instruction (*d*) at page 4 of printed answer go against the principle contained in the nativity certificate printed on page 3? The instruction that I refer to is 'the district in which the candidate or his parents resided at the time of applying for admission to the college, may be taken as the district to which the candidate belongs, etc., etc.' Suppose some Tamilian from the Tinnevelly district is serving in the district of Bellary and if for the purpose of admission the candidate's district is taken to be Bellary does it not affect the interests of the Bellary district?"

The Hon. Sri M. Bhaktavatsalam :—" The idea of fixing admission on a districtwar basis was to give representation and opportunities to the various districts. While this was given effect to care should be taken also to see that the linguistic proportion was not disturbed."

Sri B. Bhima Rao :—" Is that instruction not against the principle of the nativity certificate No. 2 printed on page 3 of the answer?"

The Hon. Sri M. Bhaktavatsalam :—" That may be so, Sir. Anyhow the idea of the Government was that every district must have representation."

Sri R. Suryanarayana Rao :—" In allocating seats districtwar did not the Government take into account the backwardness of the area and allot more seats?"

The Hon. Sri M. Bhaktavatsalam :—" That would depend on the availability of students. Even for the seats allotted they have not been able to get sufficient number of students from those districts."

G.O. No. 997, Education, dated 22nd July 1943.

Order—Ms. No. 1364, *Education, dated 27th June* 1947.

The following further instructions are issued in regard to the selection of students for admission into the Engineering Colleges :—

(1) As already ordered in paragraph 5 of G.O. No. 1167, Education, dated 12th June 1946, 10 per cent of the seats will be

reserved for ex-service personnel who are natives of this Province, possess the requisite qualifications and are eligible for the benefits of the scheme for further education ; 23 seats in the aggregate stand reserved for candidates from outside the Province ; in selecting candidates for the remaining seats, the following proportion should be kept in view and should be observed as far as practicable :—

Non-Brahman (Hindu)—Five out of 12 seats.

Brahmins—Two out of 12 seats.

Muslims—Two out of 12 seats.

Anglo-Indians, Indian Christians or Non-Asiatics—Two out of 12 seats.

Harijans—One out of 12 seats.

Due regard should be paid to the admission of students from backward and unrepresented communities. A decent minimum qualification should be insisted upon.

(2) The linguistic proportions laid down in G.O. No. 997, Education, dated 22nd July 1943, should be adhered to ; with a view to ensure adequate representation for every district, the number of seats for each district should also be fixed, to the extent possible, with reference to the ratio the population of the district bears to the total population of all the districts in the Province.

APPENDIX.

Nativity Certificate.

I

Certified that X, a candidate for admission into the
Medical College, Madras
Stanley Medical College, Madras
Medical College, Vizagapatam
Engineering College, Guindy
Arthur Hope College of Technology, Coimbatore
, son/daughter of Y, resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent in any other district or districts by the candidate for his/her studies or with his/her parent while the latter was employed in Government service, and consequently that X is a native of the district of A within the meaning of the G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the candidate. If any period is to be excluded, the reason for the exclusion should be clearly specified.

II

Certified that Y, the parent of X, a candidate for admission into the
Medical College, Madras
Stanley Medical College, Madras
Medical College, Vizagapatam
Engineering College, Guindy
Arthur Hope College of Technology, Coimbatore
; resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent by the said Y in Government service in any other district or districts, and consequently that X is a native of the district of A within the meaning of G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the parent. If any period is to be excluded, the reason for the exclusion should be specified.

Place * Signature
Date Rank

---

* This certificate should be signed by an officer of the Revenue department not below the rank of a Tahsildar and should bear the stamp of the office of the officer signing the certificate.

NOTE.—The scheme approved in G.O. No. 2786, P.H., dated 26th October 1945, applies only to British subjects. The idea of exclusion of periods spent by the parents in Government service or by the candidate over his studies is to make nativity relate really to the district to which the candidate actually belongs by birth, parentage, possession of ancestral property, etc., and not to make it dependent on the accident of Government service or of sojourn for educational purposes. The idea is not to let nativity be acquired in any district elsewhere to which a Government Officer might go during his service. The test is applied with reference to the candidate and he is entitled to exclude both the periods spent by him in studies elsewhere and by his parents in Government service elsewhere if he was with them all along. For instance, if a student belongs to a family in Tanjore, spends his boyhood with a parent who is in Government service in various places elsewhere and then goes to Madras or elsewhere for his studies he should be put down as a native of Tanjore where his father would have spent, presumably, more than ten years before he entered Government service. If a candidate belongs to more than one district by this test, he can elect any one of the districts for purposes of the certificate.

Whichever of the two forms, I and II, is appropriate to the particular case should be used.

(By order of His Excellency the Governor)

M. V. SUBRAMANIAN,
Secretary to Government.

III

G.O. Ms. No. 2113, P.H., dated 17th June 1947.

[Education—Medical and Engineering Colleges—Admission of Naturalised British subjects—Orders passed.]

Order—Ms. No. 2113, *P. H., dated* 17*th June* 1947.

The Government have considered the question of admitting Naturalised British subjects to the Medical and Engineering Colleges in the Presidency and proceed to pass the following orders :—

(*a*) Applications from Naturalised British subjects who applied for naturalisation certificates through the Madras Government will alone be considered.

(*b*) A total period of ten years' residence in the Province should be insisted on in the case of these candidates, without requiring residence in any one district.

(*c*) The above period of ten years may be inclusive of the period of five years' residence required under section 3 (1) (*c*) of the Indian Naturalisation Act, 1926, if such residence was in the Madras Presidency.

(*d*) The district in which the candidate or his parents resided at the time of applying for admission to the College, may be taken as the district to which the candidate belongs, for purposes of the rule of linguistic representation laid down in G.O. No. 1358, P.H., dated 16th June 1943.

(*e*) Candidates need not be required to produce nativity certificates but should be required to furnish proof in support of (*a*) to (*d*). The certificate in this behalf should be signed by a Magistrate or by a gazetted officer.

2. The Surgeon-General/Director of Public Instruction is requested to dispose of the application of Sri V. Gopalakrishna Ayyar for admission to the Medical College/Engineering College, with reference to the orders in paragraph 1 above.
