PROCEEDINGS OF THE BUDGET COMMITTEE OF THE TANJORE MUNICIPAL COUNCIL DATED 11-12-1947.

.....

Read:

1. Revised estimate for 1947-48 and the Budget Estimate for 48-49 as prepared by the Commissioner,
2. the Commissioner's note thereon dated 9-12-47 and
3. the budget estimate for 1948-49 of the Electric Licence scheme account, as revised by the Commissioner with reference to the remarks of the Chief Electrical Inspector to Government in his letter No.9025- L.A.,/47-2 dated 3-12-47.

Recommended to the council that:

1. The revised estimate for 47-48 and the Budget Estimate for 48-49 of the General account, Lighting Account, Elementary Education Account, Water supply and drainage Account, and Town Planning Account, as prepared by the Commissioner may be approved subject to the following modifications.

- (1) The post of Sanitary Inspector for Anti-malarial work be abolished from 1-4-48, and the provision of Rs.900/- made for his pay and allowances be deleted.
- (2) The provision of Rs.5000/- made under contingencies for anti-malarial work be reduced to Rs.3000/-
- (3) In lieu of the post of a sanitary Inspector recommended to be abolished, a post of a maistry on Rs.20 plus dearness allowance plus cycle allowance be sanctioned for Anti-malarial work from 1-4-48 and a provision of Rs.500/- be made.
- (4) Under Maternity and Child-Welfare, the posts of Woman Medical Officer and the peon to the Woman Medical Officer be abolished with effect from 1-4-48, and the provision of Rs.2500/- made in the budget be deleted.
- (5) The payment of dress allowance of Rs.6/- P.M., paid to each Sanitary Inspector be discontinued from 1-4-48, and the provision of Rs.430/- made therefore be deleted.
- (6) A sum of Rs.1000/- be provided for payment as initial contribution to the Tanjore District Health Association for providing a Tuberculosis Sanatorium at Vallam.

2. The net deficit in the General Account after the modifications recommended above will be Rs.16,100/-. The required minimum balance is Rs.22,320. It is recommended that to cover the deficit and to have the required minimum balance a sum of Rs.38,420/- may be diverted from the Water Supply and Drainage Account repayable in 10 annual instalments as suggested by the Commissioner.

3. The Budget of the Electric Licence scheme account as revised with reference to the remarks of the Chief Electrical Inspector to Government may also be approved.

4. The roads and lanes of the municipality have to be improved, and dustless surfacing and foot paths have to be provided wherever necessary. Many of the municipal schools are now located in rented buildings, and the council has to pay as rent a sum of Rs.2500/- per year on an average. The rented buildings are also remarked by the inspecting authorities, to be either inadequate or not fitted for school purposes. The introduction of compulsory education in the town will be possible only if the council puts up more buildings of its own, and provides more accommodation. Further, there are very many slum areas in the town

Extract from the Note of the L.A. Deptt. regarding the
Budget Estimate for 1948-49 of the Tanjore Municipal Council.

X X X X X

CONTRIBUTION FROM GENERAL FUNDS TO ELY. EDN. ACCT.: The
approved contribution for 1947-48 was only Rs.12,580/- But in the
R.E. provision has been made for a contribution of Rs.33,000/-.
Even with this contribution, the E.E. account, which opened with
a balance of Rs.21,807/- is expected to close with a balance of
Rs.1,157/- only. This deterioration in the position of the account
is the result of proposing a large capital expenditure of Rs.30,440/-
from the ordinary receipts. The bulk of this capital expenditure
(Rs.28,000) is said to be for construction of Ely. school buildings.
In the first place, the Cl. is ill-advised in proposing such heavy
capital expenditure directly from the ordinary receipts - a policy
which it seems to follow as regards its general funds also. Second-
ly subject to provincial funds being available and if the Cl. had
applied for it sufficiently early, there would have been a chance of
its getting a half grant for these building constructions. There
is no justification for making the general funds (the position
of which is none too satisfactory) bear the brunt of this scheme
of large-scale capital expenditure under Ely. Education. The con-
tribution from general funds may be restricted to the figure al-
ready approved, namely, Rs.12,580/-. The Ely. Education Account will
then close with a deficit of Rs.19,263/- if E. & P. H. Department
in their orders on the Ely. Education budget do not advise the Cl.
to postpone the building constructions and to go in for a loan
for the capital expenditure. The Cl. will have to be permitted to
utilise portion of the A.T.C. grant for wiping off this deficit.

R T

For 1948-49 a contribution of Rs.25,000/- is proposed. A
capital expenditure of Rs.1,300/- only is proposed from the ordinary
receipts and even then the Ely. Education account is expected to
work at a deficit of Rs.550/-. In view of the fact that next year
also the A.T.C. is likely to be available for meeting the deficit
under this account the contribution from general funds may be
restricted to that approved for the current year, namely, Rs.12,580/-
The question of increased contribution from general funds from
1949-50 onwards when the A.T.C. will no longer be available, may be
considered then. If the contribution for 1948-49 is reduced as
proposed above and assuming that the Ely. Education account opens
with a nil balance, the account will close with a deficit of Rs.
12,970/- or Rs.13,000/- in round figures. The Cl. will have to be
permitted to adjust this amount from out of the A.T.C. likely to
be sanctioned next year to wipe off the deficit under the Ely. Edn.
Account.

R. E. 9.11-49 - E. E. Fund - Tel. cl., Tanjore.

From the D. P. J. R. P. No. 68 B3/47-48 d 15-1-48

The R. E. for 1947-48 and the B. E. for 1948-49 of the E. E. Fund of the Tel. cl., Tanjore, call for the following remarks:

2 R. E. for 1947-48. (i) Education Tax

Credit has been taken for increased receipts with reference to the enhancement of the rate of education tax from 5/8 d. per half year to 1 d. per half year, with effect from 1-10-47.

(ii) Grant under section 57 of the E. E. Act.

The Credit taken is the amount sanctioned in G.O. No. 162 Edu. (R) dated 10.10.47.

(iii) The contribution proposed from the General funds may be reduced from Rs. 33,000 to Rs. 12,580; as suggested by L.A.

(iv) Provision has been made for the grant of revised scales of pay and advance increments to the E. E. staff.

(v) The provision made under the head "Expenditure - Ordinary" is in excess of that in the sanctioned budget. The increase which is mainly due to the grant of revised scales of pay to the E. E. staff may be approved.

(vi) The provision made under the head "Expenditure - Capital" is Rs. 30,440 as against Rs. 5000 approved in the sanctioned budget. Out of this, an amount of Rs. 28,000 is intended for the construction of three school buildings and the acquisition of lands and buildings for Chinnakadai Street Boys School. The Commissioner states that the estimates for the building schemes have been sanctioned and tenders have been accepted. No doubt it is desirable that the Council should have gone in for loans for the execution of such large capital schemes, as suggested by L.A.; but in the circumstances stated by the Commissioner and in view of the fact that tenders have already been accepted, the
