From the D.P.S., Roc. no. 5321C4/47 of 6/12/47.

Memo. no. 90167 B1/47-2 E.D. of 18/12/47.

According to the list containing the
number of Harijans employed in the Edu.
Department furnished by the D.P.S. with
his letter cited above, the number of Harijans
employed as teachers in elementary schools
is only seven. The Honorable the Minister
for Education considers that this number
does not appear to be correct as there are many
is very low and that there are a large
number of such teachers employed in elementary
schools. The Director of Public Instruction
is requested to ascertain and report the

P.T.O.

The correct statistics under all heads at an early date.

I am afraid there is something wrong in this answer. There are a number of Harijans who are employed as elementary school teachers. I find, in the whole Province, only 7 Harijans are employed as elementary school teachers. I think the statistics is not correct. The matter may be referred to the D.P.I. and checked up again.
