SIR,
SUBJECT: Basic Education - Deputation of Basic Teachers and
Basic Education Workers - Observation and Further

Basic Education was introduced in our province very recently and very few teachers trained in Basic Education are available for appointment in Government schools. The principle of deputing teachers already in Government service for further training may be continued during 1948-49 also, as a large number of teachers are still required.

2. During 1948-49, ten teachers may be deputed to Sewagram for nine months for retraining. Three more may be sent to Jamia Millia (Delhi) and three more to Bihar for 2 months in each case to visit Basic Educational institutions of all grades and types. These workers may observe the method of training and teaching in other provinces with a view to adopt them in schools in our province. All the 16 persons mentioned above, may be permitted to draw pay and allowances as on duty and also to draw T.A. for the to and fro journeys. They may also be allowed a stipend of Rs.30/- p.m. for the period of training or observation

3. The cost in 1948-49 is worked out for 8 months (July 1948 to February 1949). The full cost of the proposal is also given.

Explanatory Note

With a view to introduce the scheme of Basic Education in this Province, the Government have opened Basic Training schools to train teachers for basic schools. As the staff required for Basic training schools should be well trained in the principles of Basic education, the Government have been deputing a batch of teachers and officers to Wardha for training in the course organised

by the Hindustani Talimi Sangh. Ten teachers were trained ^{have been} at Wardha in 1946-47 and seven teachers ~~were~~ deputed this year for training. The Director of Public Instruction suggests that provision ^{may} ~~should~~ be made in the Budget Estimate for 1948-49 for the training of ten more teachers ^{at} ~~to~~ Sevagram. The Hindustani Talimi Sangh will be paid a contribution of Rs. 270 for each ~~officer~~ ^{teacher} to be trained ⁱⁿ ~~at~~ Wardha. ~~The officers~~ ^{The teachers} will have to be granted travelling allowance for their journey to Wardha and back. ^{& a warm lodging allowance of Rs. 2/- each} A contribution is paid to the Sangh towards the boarding and lodging charges of these officers at Rs 30/- ^{including the pay of 2 substitutes} each per officer per month. The cost of the deputation is as indicated in the summary above. This Department may recommend that provision may be made in the Budget for 1948-49 for the training of ten ^{teachers at Sevagram} ~~officers at~~ Wardha as proposed by the D.P.I.
