- Permission requested.

I have the honour to submit herewith a copy of the letter Dated 6-12-1947 from the Dean of the School of Nursing, Christian Medical College, Vellore and to state that in the circumstances explained therein, I have permitted the use of the Domestic Science block of the Government Secondary and Training School for Women, Vellore by the Christian Medical College, Vellore subject to the following conditions -

I solicit attention to G.O.Ms.No.621 Tan., dated 27-3-1947 granting permission for the use of the Domestic Science block of the Government Secondary and Training School for Women, Vellore, by the Medical College last year under similar conditions and request that Government may be pleased to approve my action in having granted the permission in the current year.

I also recommend that a sum of Rs.2/- per week may be collected from the College for the use of the premises and articles viz., ovens, plates, bowls and spoons.

Copy of letter dated 6-12-1947 from the Dean of the School of Nursing referred to above.

Last year you very kindly permitted us to use the facilities of the Government Girls Secondary School here at Vellore for one of our Cookery classes. As yet we have not been able to complete our teaching buildings and again this year we would appreciate it very much if we might have permission to use the facilities of the school. I shall get in touch with the Principal of the School to find out if there is any convenient time as soon as I know whether or not this permission may be granted. We will, as last year, be quite willing to pay any charges which are necessary and appreciate very much your help and co-operation in our work.
