===
The Mansfield oil gas plant in the premises of the Government Secondary and Training School for Masters, Coimbatore was installed nearly 30 years ago when the local Government College was located in the premises and was under private management. The plant is now reported to be in an unserviceable condition and has, therefore, to be condemned as such. Both the Executive Engineer and the Assistant Industrial Engineer who were consulted in the matter, have advised the disposal of the plant in public auction as scrap iron.

2. The book value of the plant is not known. Assuming it to be more than Rs.2000/=-, I request that Government may condemn the plant as unserviceable and permit the disposal of the plant, as it is, in public auction.
