From S.E. Narayana, Advocate,
Sen Gupta Street
Brahmin Extension, Coimbatore.

To
The Minister for Education,
Govt. of Madras.

Sir,

In view of the facilities promised by the Vice-Chancellor, University of Madras, for starting courses in "Humanities", I beg to submit that a course in Economics and Politics in BA class, classified as IV B group, may be introduced in the Government Arts College, Coimbatore. I learn that ~~one~~ additional professor to the existing staff in History, would meet the teaching requirements.

Though accommodation may be cramped for the present, enough would be available by the end of this year when the additional buildings sanctioned for the college, would be completed and available for use. With them, the class may be accommodated in the verandah if necessary.

In view of large number of students being denied admission for

2
IV B group in the Madras Colleges.
it is necessary that provision should be
made in Mofussil colleges, like the one in
Coimbatore.

In these troubled and uncertain
times, it is advisable that students are not
made to move far from their homes, except
if ~~when~~ necessary, and educational facilities
are provided for, as near their homes
as possible. I pray that arrangements
for the New class may be expedited.

yours sincerely,

S. E. Narayanan

I have the honour to submit proposals for the

In the G.O. referred to above sanction was accorded for the employment of one Lecturer in Economics and one Assistant Lecturer in History in the Government College, Coimbatore during current year in connection with the opening of group IV(b) Economics and Politics. The Principal reports that the work can be managed during the current academic year without the additional post of Assistant Lecturer in History mentioned above.
