Ministry of Education.

New Delhi 3, the 12th December, 1947.

From Dr. D.M. Sen, O.B.E., M.A., Ph.D.,
Deputy Secretary to the Government of India.

To All Provincial Governments (except the
Government of East Punjab).

Subject:- ADMISSION OF STUDENTS FROM THE PAKISTAN AREAS
IN SCHOOLS AND COLLEGES IN INDIA.

Sir,

In continuation of this Ministry's letter of even
No. dated 8/9th October, 1947, I am directed to say that it
has been brought to the notice of the Government of India,
that certain Provincial Universities are charging "Capitation"
fees in the case of Refugee students coming from Pakistan.
The Government of India feel that in view of the facts that
these students have been obliged to join the Indian
Universities after leaving Pakistan due to abnormal political
and communal situation, and that they have suffered heavy
financial losses, no Capitation fees should be charged from
them.

I am to request that if the Provincial Government see
no objection, the necessary orders to this effect may be issued
to the Universities and other institutions in your Provinces.
It is requested that this Ministry may be informed of the
action taken by the Provincial Governments in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

I am directed to invite the attention to this Ministry letter No.F. 73-97/47-E.I dated 12th December 1947 on the above subject and to request that this Ministry may be informed of the action taken by the Provincial Government in regard to capitation fees charged by certain Provincial Universities from the refugee students coming from Pakistan.

Sub: colleges - Admission of refugee students from Pakistan - Levy of "capitation fees"
From the Secy. to the G. of I., Ministry of Edu. No. 93-97/47-
E.I. d. 12.12.47.

Please see the letter from the G. of I., Ministry of Edu. on page 1 c.f.

2. No information is available whether Universities in this Province have charged "capitation fees" from refugee students from Pakistan. A copy of the G. of I.'s letter may be forwarded to them for remarks. The D. P. I. may also be consulted. A draft letter and a draft memo are submitted for approval.

3. In the case of students in Arts belonging to outside administrations admitted into Engg. Colleges in this Province, a capitation fee of Rs 700/- is being levied so far. Recently, with the increase in tuition fees, it has been proposed that this fee should be raised to Rs 900/-. The connected file has been circulated for orders.

But the ~~letter~~ of the G. of I. is in respect of refugee students only. Though originally the G. of I. asked this Govt. to take in some Pakistan refugee students into the Engg. colleges in this Province, they have eventually stated that arrangements have been made for the admn. of the ~~concerned~~ students in question into Engg. colleges elsewhere. So, the question of capitation fee being levied does not arise in the case of Engg. colleges.

4. In the case of students in Arts colleges, no distinction is made between Madras students and students from outside, in the matter of fees.

The question of reducing the fees payable by refugee medical students is under consideration.
