(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

In connection with part II Estimates for 1948-49, I have the honour to submit for consideration of the Government a proposal to purchase furniture for Rs.10,000 (Rupees Ten Thousand only) for the Government College, Kumbakonam. The existing stock of furniture is inadequate for the present needs of the College as the strength has considerably increased in recent years with the opening of new courses in B.Sc. and B.A., while there has not been much of addition to the stock. The present strength of the college is 690. In his letter Rc.286/47 dated 30-8-47 (Copy enclosed) the principal has explained the need for more furniture and has asked for an allotment of Rs.20,000/- for 48-49. But I consider that a provision of Rs. 10,000/- may suffice for the

Sir,

Sub:- Government College - Kumbakonam - Purchase of
Furniture - Sanction for in 1948-49 - Inclusion in
Part II Scheme - Proposal submitted.

I have the honour to request that you will be so good
as to recommend the inclusion of an allotment of Rs.20000 for the
purchase of furniture for this College. Notwithstanding the increase
in numbers of the staff and students during past dozen years and
more, there has not been much of addition to the stock of furniture
in the College. The new courses in B.Sc. and B.A. that have been
started during the last 3 years have led to increase in the number
of class rooms required to be used at the same time and the
present available furniture is inadequate for them. The college
English Lecture Hall which is used for meetings of the whole
college is ill equipped with furniture and more than half the
number of students have to stand for want of sitting facilities.
Considering the increased demands on accommodation and the cost
of furniture now-a-days, a sum of not less than Rs.20000 will be
needed. I request that you will be so good as to accord high
priority to this item and recommend its inclusion in Part II scheme
for 1948-49.

The Principal of the Govt. College, Kumbakonam, the ~~Principal~~ has asked for an allotment of Rs. 20,000 in 1948-49 for the purchase of furniture for the college. He has written as follows:-

" Notwithstanding the increase in numbers of the staff and students during past dozen years and more, there has not been much of an addition to the stock of furniture in the College. The new courses in B.Sc. and B.A. started during the last three years have led to increase in the number of class rooms required to be used at the same time, and the present available furniture is inadequate for them. The D.P.I. also considers that the existing stock of furniture is inadequate for the needs of the college. He, however, considers that a provision of Rs. 10,000/- will suffice and he recommends that this amount may be ^{provided} made in the next year's budget. This Department supports the Director's proposal and recommends that provision may be included in the ^{estimate} budget for 1948-49 as shown in the summary at the top.
