Sir,

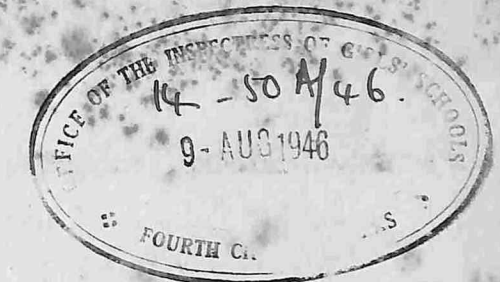

Sub:- Fixation of pay of R. Vaidyanathan - permanent typist of
the office of the District Educational Officer, Trichinopoly
and officiating as typist, office of the Inspectress of
Girls' Schools, Fourth Circle, Madras.

Ref: R.C.No. 208 A/42 dated 25-11-1942 of the District Educational
Officer, Trichinopoly.
R.C.No. 2164 C/42 dated 23-12-42 of the Director of
Public Instruction, Madras.

I was one of those who were employed in the District Educa-
tional Councils and absorbed in the regular Education Department
after the abolition of the Councils. I was the Head Clerk of the
District Educational Council, Madras from the date of its inception to
the date of its abolition in 1939 and had put in nearly 18 years of
service. The Government were pleased in G.O.No. 1757 Law (Education)
dated 23-8-1928 to allow me the usual scale of pay sanctioned to the
staff and I was drawing Rs. 63/- at the time of abolition of the
Council. But unfortunately when I was re-appointed as a typist in
the office of the District Educational Officer, Trichinopoly in
April 1940 my pay was fixed at Rs. 30/- though I am eligible to the
scale of pay allowed to typists of my cadre in the old scale, i.e.
40-1½-55-1-65 which was in force then as I was a fully qualified
typist having passed the Intermediate Grade in Typewriting in 1921.

2 I was confirmed as typist in the office of the District
Educational Officer, Trichinopoly and I am now officiating as a
typist in the office of the Inspectress of Girls' Schools, IV. Circle,
Madras, since July last year.

3 I submitted an appeal through the District Educational Officer,
Trichinopoly to the Director of Public Instruction, Madras in
December 1942, requesting to fix my pay in the old scale of pay
as was done in the case of clerks drawn from the other District
Educational Councils. Subsequently there was some correspondence

between the Director of Public Instruction and the District Educational Officer, Trichinopoly regarding my confidential report and service.

Though it is now nearly four years since my appeal was submitted to the Director of Public Instruction, no orders have been received till now. I have been patiently waiting all these years putting up with many difficulties with the small pay especially in the days of high cost of living, with the hope that the Director of Public Instruction will be pleased to sympathise with my lot and sanction the old scale of pay. Finding that nothing has come out of my appeal till now though years have passed I have ventured to make this humble application to the Director of Public Instruction to kindly pass favourable orders as early as possible.

Further, I beg to submit that I have put in 18 years of service in the District Educational Council, Madras, where I worked single handed and after its abolition I have put in more than six years in the regular establishment with this low pay. I have rendered faithful and loyal service to Government during the period of war when public offices were overworked as a typist as one can imagine the volume of work turned out in each department without additional hands and after all my demand is so simple and legitimate which any ordinary clerk or typist is entitled to.

Finally I humbly pray that the Director of Public Instruction may be pleased, taking into consideration the delay in the disposal of my appeal which has caused me heavy financial strain in these hard days, to kindly pass favourable orders on my appeal.

I beg to remain,
Sir,
Your most obedient servant,

R. Vaidyanathan

Offg. Typist, Office of the Dt. Edl. Officer,

To
The Director of Public Instruction,

Through
The Proper Channel.

The humble petition of R. Vaidyanathan,
Ex-Head Clerk of the defunct District
Educational Council, Madras, and now employed
as officiating Typist of the office of
the District Educational Officer,
Trichinopoly,

Most Respectfully Showeth:--

That the petitioner has been the Head ~~xxx~~ Clerk of the Madras District Educational Council ever since its constitution in the year 1921 till its abolition in 1939 and thus put in a service of about 18 years. He was first entertained as a Typist-clerk in the year 1921 and he was eligible for public service under the rules then in force as he has passed Typewriting in the Intermediate Grade.

Subsequently in the year 1928 when the scale of pay of the staff of the District Educational Council were revised the case of the petitioner was specially recommended to Government by the President, District Educational Council, Madras, and the Government in G.O. No. Mis. 1757, Law (Edn) dated 23-8-1928 were pleased to consider the petitioner's case and finally declared him as eligible for public service and fixed the initial pay at Rs. 50-8-0 on 1-4-1928 under the old scale of 40-40-12-55-1-65 applicable to the City of Madras. Thus at the time of the abolition of the Madras District Educational Council the petitioner was drawing a salary of Rs. 63/- under the abovesaid scale.

The petitioner's case has been specifically and finally decided by Government and the rate of pay has been personally fixed for him. Unfortunately on the abolition of the Council Government have in G.O. No. 2777 Education, dated 13-12-1939 included the name of the petitioner also along with those of six other incumbents and fixed his pay also at Rs. 30/- the maximum pay to which an attender or lower passed typist is eligible. The petitioner begs to submit that the scale fixed by Government once for all should not be reduced to bring at a level with other six owing to the abolition of the District Educational Councils. The pay which he was drawing on the date of abolition of the District Educational Councils was Rs. 63/- which will come to Rs. 58 in the new scale. This is a stage in the time scale of 35 to 60 fixed for a typist and he therefore begs to request that he might be permitted to draw pay at Rs. 58/- per mensem from 20-4-1940 the date of his joining the post of typist of the District Educational Office, Trichinopoly.

The petitioner further begs to submit the following for favourable consideration:--

(a) He has been declared as eligible for public service and to draw pay in the scale of 40-65 (Madras) in G.O. No. Mis. 1757 Law (Edn) dated 23-8-1928.

(b) He has put in a service of 18 years in the District Educational Council which may be kindly taken up as service for purpose of increment in the old time scale of pay fixed for him.

(c) that his long and meritorious service may be kindly taken into

consideration and that he be shown the concession in pay which has been given to the other clerks and servants in the District Educational Councils.

(d) that he has got about 10 years of service more to retire and that his past and future work may be appreciated by giving him the increments which he would have been entitled to but for the abolition of the District Educational Council.

The petitioner humbly prays that his case may be reviewed in the light of G.O. No. 1757 Edn dated 23-8-1928 and he be given the pay of Rs. 58/- and thus encourage in his future career of life.

With regard to the work and conduct as Head Clerk of the defunct District Educational Council, he enclosed herewith a copy of the testimonial given by Diwan Bahadur G. Narayanaswami Chetty, C.I.E., who was the President of the Council for more than two consecutive terms.

Endorsement N. Dis. No. 147-A/41 dated 4-4-1941 of the District Educational Officer, Trichinopoly.

Ref:- Application dated 1-4-1941 of Sri R. Vaidyanatha Ayyar, Typist, Office of the District Educational Officer, Trichinopoly, requesting for enhanced rate of pay, etc.,

Submitted to the Divisional Inspector of Schools, Madras South.

2. The Typist has been and is doing good work. The request made by the petitioner is reasonable and hence it is recommended for very favourable consideration.

Sd. C. Raghunathan,

District Educational Officer,
Trichinopoly.

Petitioner. Sri R. Vaidyanathan, officiating typist, Teacher's College, Saidapet. Fixation of pay.

Please see the petition from Sri R. Vaidyanathan officiating typist, Teacher's College Saidapet on pp. 3 & 4 of. Before his appointment in the Edu. Dept. he was serving as a head clerk in the defunct District Educational Council, Madras, for a period of about 18 years. When the District Educational Councils were abolished in 1939, the question of absorbing the personnel of those Councils, in Govt service was taken up. The D.P.S. considered the petitioner as unsuitable for ^{employment} ~~employment~~ in Govt service as he was found guilty of temporary misappropriation of funds while he was in the service of the defunct District Educational Council. On a representation from him that he was prepared to work under Govt in any capacity, the Govt, in view of his past service of about 18 years under the Dt. Edl Council, took a sympathetic attitude for him and decided that he might be employed as a typist in Govt service in which post he might not have to handle money. As he was an unqualified typist his pay was fixed at Rs 30, the maximum on the scale of Rs 19-30.
