Please see herewith an application from Muthulakshmi,
a poor girl studying in the music section of the Annamalai
University. I understand she has no parents and is very poor.
She has nearly finished two years' of the course in the
Annamalai University by begging and with other people's help.
She finds it impossible to get along after that. Having no
parents or relatives who can help her, she came and begged
of the Govt. to give her a scholarship. We usually do not
give individual scholarships, but this seems to be a very
pathetic case. After all the scholarship that she requires
is only for 22 months at Rs.30/- per month. That comes to
Rs.660/- for the 2 years. This seems to be an extreme case
of poverty and I recommend it for your consideration.

With reference to the minute of H.M. (Fin.) it is submitted
that as a rule scholarships are not granted by Govt. to students
studying in University Colleges and institutions. The rules for
the award of the General Scholarships granted to pupils in Govt.
and aided educational institutions are on pp.307-308 of the Fort
St. George Gazette. The scholarships are open to pupils of promise
whose pecuniary circumstances are certified by the head of the in-
stitution to be such as to prevent them from prosecuting their
studies without assistance. Apart from the General Scholarships
referred to above, special scholarships have been granted for the
children of certain officers who were killed while on duty leaving
their children in financial difficulties.

In the present case the petitioner is studying in the Music
College in Annamalai University. She says that she is too poor
to pay her fees and requests financial assistance for a period of
two years till she finishes her course. H.M. (Edn.) has minute
that she might be given a scholarship of Rs.30/- per mensem for
a period of 22 (twenty two) months.

Finance may see for remarks.

I remain of the
view expressed by me

as Pp. 24. it is objectionable in principle for Govt. to grant Merit Scholarships to individual students. But it may be better than in the case of (C) a Merit Scholarship was given. Pub. also may see the case before circulation (in chief H.P.).

Pub. (H) do not seem to be really concerned. The proper course perhaps is for the Pbn. to approach philanthropic institutions or gentlemen for help. Apparently the Annamalai University can if it is willing, impart free education to such candidates at its thinks fit & desirous. Perhaps the Pbn. may be forwarded to the Vice Chancellor of the University for sympathetic consideration. The file may be passed on to Finance.
