...TARY, EDN. AND P.H.
13 JUN 1947
GOVT OF MAD...

The DPI is requested to furnish the following information ~~to~~ ~~Govt.~~ very urgently.

(1) The no. of Scholarships now existing in Govt. Arts Colleges. Separate information should be furnished for each College.

(2) What the extra income would be to Govt. if fees in Govt. Arts Colleges are raised by twentyfive per cent.

(3) How many more scholarships in each of the Arts Colleges could be provided, in the shape of half-fee Concessions, if 20% of the extra income under item 2) above were utilised for the purpose.

EDUCATION DEPARTMENT.

FROM

Dr. S.R.U. Savoor, M.A., D.Sc., I.E.S.,
DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

TO

The Secretary to Government,
Education and Public Health Department.

R.O.C.No.432-K2/47, dated 6th June,1947.

Sir,

Sub: Engineering Colleges-Admission - Increase of tuition fees-
REF:Government U.O.NOTE 45747-A.1/47-1 dated 31-5-1947.

47857

I have the honour to state that I agree to the raising of the tution fees from Rs.180/- to Rs.250/- a year and that the instalment rate may be Rs.80/- for the first two instalments and Rs.90/- for the third instalment. The revised rate should be applied only for students who are admitted in 1947-48.

2.With regard to the Contribution payable for students belonging to other Provinces and States, I submit that while the students who are natives of this Province are paying a higher rate of fees,students who do not belong to this Province should similarly be charged a higher contribution. I suggest that the contibution of Rs.700/- may be raised to Rs.1000/- a year.

11 JUN 1947

Sir,

Sub: Government Arts College - Scholarships and Fee concessions - and Raising of fees.

Ref: Government Memo No.46894 A/47-1 Edn., dated 5-6-1947.

----

p 5 infra

I have the honour to submit herewith a list of scholarships and fee concessions available in Government Colleges for the reference of Government.

2. The extra income expected to accrue on account of the increase in the existing rate of fees by 25% is about Rs.1,50,000/- a year. The figures were worked on the basis of strength in the current year.

3. Regarding item 3 in the Government Memo, Government have not suggested how the 20% of the extra income should be distributed among the different classes in the College (Intermediate, B.A. and B.A.(Hons.)). I consider that the remissions granted may be full fee remissions and not half fee remissions. At present all the Colleges in the City are enjoying full fee remissions as stated in the statement referred to in para one

p 5 infra

p.t.o.

above. I suggest the following proposals for the consideration of Government in connection with these fee remissions.

(i) The percentage of concession in the Presidency College may be raised from 4 to 6% especially as the College was enjoying concession upto 8% and it was reduced to 4% in 1932 as a measure of retrenchment and economy in expenditure.. To called for from collectors.

(ii) Even if the fee is raised no further fee remission need be granted for the Queen Mary's College, Madras, Government Muslim College, Madras and Government College for Muslim Women, Madras as they are already enjoying the concessions as indicated in the annexure.

(iii) Fee remission upto 4% of the total strength may be extended to all other Government Arts College along with the increase in fees. This is actually less than the percentage suggested by Government as 1/5 x ¼ comes to 5%. In actual working the cost of scheme as suggested by me will not exceed Rs.20,000/- which is less than 20% of the anticipated income.

4. I am of opinion that such a distribution will be easy to work and it will really help poor and deserving students in Colleges.

for Director of Public Instruction.

k.h.10-6.

SOl
10/6

The following number of Government scholarships are awarded in all Colleges including Government Arts Colleges. No Scholarships are specially earmarked for Government Arts Colleges excepting in the Presidency College and the Queen Mary's College, Madras.

1) 86 General Scholarships commencing in the Junior Intermediate class and running upto B.A.(Pass or Hons.course).

2) 10 General Scholarships commencing in the Junior B.A. Class for a period two or three years as the case may be (Pass or Hons. Course).

3) 4 Post-graduate scholarships commencing in the first year class for a period of two years.

4) 8 Special scholarships for Muslims commencing in the Junior Intermediate class and running upto B.A. Senior class.

5) 1 Special Scholarship for Muslims tenable in the fifth year class of the University course.

6) (a) 10 Scholarships tenable in the Intermediate class for Women students taking up B.C.L.Course.

(b) 10 scholarships tenable in the B.O.L.Class (Pass or Hons.course) for women students taking B.O.L. course.

The following are reserved for the Colleges noted against the scholarships:

7) Presidency College, Madras. (a) Two Research scholarships of the monthly value of Rs.75/- each for two months each in the Geology Section.
(b) 10 Research Scholarships of the monthly value of Rs.75/- each for twelve months in the year.

8) Queen Mary's College, Madras - 8 Ordinary scholarships in each of classes I to IV and 4 Widow scholarships in each of the classes I to IV @ Rs.20 p.m. each.

Note: (i) The rate of scholarship when held in the Intermediate class is Rs.12/- p.m. and Rs.16 p.m. when held in the B.A.(Pass or Hons.course) and Post-graduate courses.

9) Queen Mary's College, Madras - 7. Fee remissions in each of the four classes sanctioned in G.O.No.1446 Edn., dated 21-8-25.

10) Presidency College, Madras. Fee remission upto 4% of the total strength. G.O.No.402 Edn., dated 15-3-1932.

11) Government Muslim College, Madras. Fee remission upto 8% of the total strength. G.O.No.607 Edn., dated 4-5-1942.

12) Government College for Muslim Women, Madras. Fee remission upto 8% of the strength. G.O.No.941 Edn., dated 7-5-1947.

Colleges - Engg and Arts - Raising of tuition fees - institution of Scholarships.

From the DPI, No. 432-K2/47 d/ 6-6-47
" No. 798-K2/47 d/ 9-6-47

~~The DPI is requested to submit proposals at a very early date on the following~~ : -

Arts colleges.

The D.P.I is informed that they

p 15 n.f (1) ~~The~~ Govt. do not accept ~~the~~ his proposal ~~of the DPI~~ that full fee remissions may be instituted in the Govt. Arts Colleges at an estimated cost of 20% of the total anticipated income on account of raising the tuition fees in Arts Colleges by 25%. He is requested to submit proposals for the institution of half fee scholarships in the various Colleges ~~on the basis suggested by him for full fee remissions~~. The total cost should not exceed 20% of the anticipated income referred to above.

p 11 n.f (2) It has been suggested that 5% of the addl. fee income may be set apart for the establishment of Clinics attached to each of the Arts Colleges to render medical aid to the students. The DPI is requested to ~~submit~~ offer his remarks on the suggestion and to submit if necessary, proposals in this regard.

To
The DPI

Engg. Colleges.

(3) The Govt. have decided that 20% of the addl. fee income in the Govt. Engg. Colleges with ref. to G.O. No. 1246 Edn d/ 14-6-47 should be utilised for the grant of half scholarships to poor students in the Engg. Colleges. The DPI is requested to report the ad

①

income expected to accrue ~~from~~ in the increase in the rates of tuition fees in the Govt. Engg. Colleges and to suggest how ~~20% of~~ the extra income may be distributed by way of half scholarships to the poor students in the different Govt. Engg. Colleges.

(4) It has been suggested that a fee of Rs 2 for visual Instruction and a fee of Rs 3 for medical inspection may be levied from the Engg. College students. The intention is that fees should be levied when ~~our~~ the schemes of medical inspection and visual education materialise. The Director is requested to ~~state whether he is agreeable to the suggestion and if so,~~ to submit necy. proposals to set up medical officers for each of these colleges and for medical examination of students ~~the matter~~.

p15 nf

R on p12 nf

(5) The Govt. agree with the suggestion of the DPI that the contribution payable by outside administrations on account of their students ~~from States and other provinces~~ reading in the Govt. Eng colleges should be raised. They, however, consider that the contribution should be revised with reference to the present cost of running these colleges. The Director is requested to examine the question in the light of the above suggestion and to submit revised proposals in the matter.

Roc. No. 1570 E/47

Station MADRAS, *Dated the* 24th July 1947.

From (Name) Sri D.S. Reddi, M.A. (Oxon), M.B.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

p 7-8 ante

p 14 ante

With reference to Government Memorandum No.46894-A/47-4 Education dated 28.6.1947 and No.46894-9/47-A Education dated 15-7-1947, I have the honour to state that the Principals of Government Colleges (Arts and Engineering) have been requested to furnish the particulars with reference to the admissions made during the current year. As the particulars have not yet been received, I have worked out an estimate of expenditure proposed to be incurred for award of half scholarships in each of the Government Colleges referred to above on the basis of the total fee income derived during 1946-47 (Vide Statement enclosed). The estimates now given are therefore only approximate.

p 17 infra

P.T.O.

2) It is submitted in this connection, that the number of half scholarships cannot be fixed for each class, as the rates of fees vary for Harijans and others in each college and as fees are being levied at different rates for each class in each college.

3) I therefore propose that a sum equal to that shown in the last column of the statement referred to above may be placed at the disposal of the Principals of the Government Colleges concerned to award half scholarships to deserving students to that extent every year.

Secretary, E.& P.H.

When the Cabinet decided to increase the fees, it also decided that 20 per cent of the increased fees should be set apart for scholarships. This is a simple matter of calculation and it should not take much time for the D.P.I. to allot scholarships on this basis to each College. He may be asked to furnish a statement showing the number of Govt. scholarships given in all the colleges and the extra scholarship that we may be able to give on account of this increased fees.

MEMO.NO.46894-10/47 A Edn. Dated 1-9.1947.

Sub: Colleges - Government Arts and Engg. - Award of half fee scholarships.

From the D.P.I.No.1570 E/47 d/ 24.7.47.

p15-16 c.f.

C.No.60596

It is noted that the amounts suggested by the D.P.I. for being set apart for the award of half fee scholarships in each of the Govt.Arts and Engg.Colleges are based on the figures of income for the last year and also that they constitute 20% of the total anticipated income in the current year at the increased rates of tuition fees. The intention of Govt., however, is that only 20% of the additional income that will accrue to Govt. at the increased rates is to be set apart for the award of the half fee scholarships. The D.P.I. is requested

P.T.O.

21

-2-

to work out the figures of the addl. income anticipated this year on account of the increase in the rates of tuition fees with ref. to the admissions ~~acting~~ actually made in respect of each of the Govt. Arts and Engg. Colleges and then work out the amounts that may be set apart for the award of the half fee scholarships in each College - viz. 20% of the addl. income anticipated. The ~~Dir.~~ Director is requested to submit his reply to this reference at a very early date.

College of Engineering, Guindy,
Dated: 28th August '47.

To

The Director of Public Instruction,
MADRAS.

Sir,

Ref:- Proceedings R.O.C.No.432-K.2/47 dated 8--7--47 regarding increase in the contribution payable by other Provinces and States.

1. The average annual gross cost per student inclusive of the interest and depreciation on capital cost for the last three years comes to Rs.682/= as shown in the statement below. The amount of the capital cost of the college equipment has been approximately fixed at Rs.30,00,000 and interest and value of depreciation on capital cost at 6% per annum for the purpose of the above calculation.

2. Students from other Provinces and States are deputed for studying in Engineering Course and the contribution is payable for that course. Hence the calculation of the average gross expenses should be for that course alone. It is pointed out that major portion of the expenditure in this College relate to Engineering Course as the majority of staff employed and the cost of equipment and working expenses of Laboratories and Workshop are for this Course. Hence, I will fix up the proportion of the expenditure between the two courses now in existence in this College (Viz) Engineering and Licentiate in Engineering courses at 4/5 and 1/5 respectively. On the basis of this proportion the approximate average annual gross cost inclusive of the interest and depreciation value on capital cost per student of the Engineer class comes to Rs.876/=. These particulars will prove that the enhancement of the existing rate of contribution payable by these outside administrations on account of the students studying in Engineering Colleges as justifiable and recommend for the increase of the same by 20% (i.e.) Rs.840/= (Rs.700 + 140) per candidate.

G.O. NO. (MS.) 937, EDN., DATED 20.4.49.

127/20.4.

The Govt. direct that 20% (twenty per cent) of the addl. income that will accrue to them on account of the increase in tuition fees leviable in ~~the~~ Govt. Arts and Engineering Colleges ordered in G.Os. No.1246, Edn., dated 14-6-47, and No.2230, Edn., dated 17-10-1947, be set apart year after year for the grant of scholarships to poor students in all classes of all Govt. colleges, except the Law college, with effect from 1948-49.

p14 NF →

2. Each scholarship shall be equal to half the tuition fee payable for the class for which it is granted. The number of scholarships to be awarded in each class shall, as far as possible, be proportionate to the strength of the class.

3. The scholarships shall be awarded to poor and deserving students in each class who are not in receipt of any other scholarships or concessions, on the production of a poverty certificate from a responsible person as prescribed in rule 92 of the M.E.R. and on the basis of a competitive examination. The Principals shall fix the number of scholarships to be awarded to each class from year to year subject to the conditions that the total value of the scholarships so awarded does not in any year exceed the 20% (twenty per cent) of the addl. fee income referred to in paragraph 1 above, and that when a student is awarded a scholarship, he should be allowed the benefit throughout his career in the college, provided he or she continues to be efficient.

4. To begin with, the scholarships may be awarded in the higher classes also. But from year to year, it will be necessary to restrict the first award of the scholarships to the lower classes in order to give effect to the second condition referred to in the last sentence

of paragraph 3 above.

5. The D.P.I. is requested to issue necessary instructions to the Principals of all Colleges in the matter.

Fort St.George, Madras.

R.O.C.No. 1570-E3/47 dated 18th January 1949.

4798

SIR,

Colleges--Government Arts and Engineering Colleges--Grant of half fee scholarships.
Reference:-G.O.Ms.No.937-Education dated 20..4..1948.

In their order cited above, the Government directed that 20 per cent of the additional income that will accrue to them on account of the increase in tution fees in Government Arts and Engineering Colleges be set apart year after year for the grant of scholarships to poor and deserving students, with effect from 1948-49. I presume that 20 percent of the additional income from tution fees that accrued during the previous year 1947-48 is to be set apart for purposes of the above scholarship, during the current year 1948-49 e.g. 20% of the additional income derived during 1947-48 is to be set apart for the grant of scholarships during 1948-49. I request you to let me know whether my presumption is correct.

2. The above G.O. stipulates the production of a poverty certificate as prescribed in rule 92 of the Madras Educational Rules. The effect of this is, that girl students and students belonging to backward classes and Muslims will not be benefitted by the G.O. Since they are even otherwise eligible for half fee concessions on the production of a poverty certificate under rule 92 of the Madras Educational Rules. As the G.O. states that the scholarships should be awarded only to ~~pee~~ poor and deserving students who are not in receipt of any other scholarships concessions, I request to be informed whether it is the intention of the Government that the above classes of students viz, girls, backward classes and Muslims, also should not be allowed to hold the above scholarship in conjunction with any other concessions like the half fee concessions under rule 92 Of the Madras Educational Rules.

Yours faithfully,

For Director of Public Instruction.

Edu and P.H. Dept

45747

At the conference of H.M. (Edu), held on 26. 5. 47. the following conclusion ~~[illegible]~~ among others, was arrived at:—

"Fees in the Eng: Colleges to be raised to Rs 250"

p 28 of the College Calendar

The present rate of tuition fees for the Engr. class is as follows:—

Sessional rate	Rs 180
Instalment rate	Rs 60.

In future the instalment rate may be Rs 80 each for the first two instalments and Rs 90 for the third instalment.

It is recollected that in the past (1932 and 1938) when the rate of fees was increased, the increased rate was applied only to new students; existing students were required to pay fees at the existing rates. In this view the increased rate may be applied to students seeking admission in 1947-8.

A

A contribution of Rs 700 p.a is now collected for every student coming from outside the Presidency e.g. Cochin, Pudukotta, Orissa etc. ~~[illegible]~~ The question arises ~~[illegible]~~ whether this contribution should be raised when the rate of fees is increased from Rs 180 to Rs 250/-

This may be sent to the D.P.I. no for very urgent remarks on the foregoing points.

Secretary, E.& P.H.

B

1. It has been decided at an informal meeting of the Cabinet that fees may be enhanced in our Colleges. As far as Engineering College is concerned it may be 20 per cent of the existing fees with effect from July 1947. The medical fees and medical inspection fees may be charged extra from them.

2. 20 per cent of the money received by this enhancement may be allotted for giving half scholarships to students.

A

3. In the case of Arts Colleges the increase may be 25 per cent. 20 per cent of the extra amount received may be allotted for giving half scholarships in the various colleges. Out of the extra fees received, a reasonable amount may be set apart as medical inspection and visuval instruction fees.

4. This may be settled when we get the figures from the D.P.I.

5. In the meantime since the orders must be issued on the revised revision of fees immediately, the enhanced fees may be fixed and may be asked to be collected even from the beginning of this acadamic year.

This rate will apply to ~~old~~ existing Students also

It was decided at the informal meeting of the Cabinet yesterday that in Engineering Colleges 20 per cent increase may be made in the fees. In the additional amount that may be available, 20 per cent may be given as half scholarships in the Engineering Colleges to accommodate poor students. In addition a fee for visual instruction as well as medical inspection may be levied as may be determined later on. In the Arts Colleges the fees may be increased by 25 per cent of which 5 per cent will be set apart for use for purposes connected with medical inspection and visual instruction as may be determined by the Education Dept. later on. 20 per cent of the extra fees accrued out of the raising of the fees may be set up in each college for giving half scholarships to poor students.

orders raising the tuition fees in Govt. Engg. Colleges and Arts Colleges [illegible]

①
E(iii)/12465/47
14/6/47

since been issued. The following points raised in the minutes of of H.M.(Edn) on pp 7 and 9 ante and the point viz. Note on p 1 ante require further examination.

Arts Colleges

(1) 20% of the extra amount ~~to~~ realised on account of increase in the rate ~~of tuition~~ of tuition fees in Govt. Arts Colleges may be allotted for giving half scholarships in the various Arts Colleges.

(2) 5% out of the addl. fee income may be set apart for the establishment of Clinics attached to Arts Colleges.

~~(3)~~

Engg. Colleges.

(3) 20% of the ~~extra~~ addl. fee income may be set apart for half scholarships to poor students in the Engg. colleges.

(4) A fee for visual instruction and medical inspection may be levied from the Engg. College students. p 7 ante

(5) The contribution payable by the States and other provinces for their students studying in the Govt. Engg. colleges of this province may be raised from Rs 700 to Rs 1000 per annum. p 2 cf

(1) above. The total addl. income ~~realisable~~ expected on account of the increase in rate of tuition fees by 25% is Rs 1,50,000. The DPI has ~~already~~ submitted his proposals in regard to the institution of scholarships. As all the colleges in the city are at present enjoying full fee remissions, the Director recommends that the scholarships now proposed may also be full fee remissions and not half fee remissions. On this basis he has suggested how the concessions ~~should be~~ may be distributed in the various colleges. He has also reported that the arrangements

p 3 cf

p 5 cf

p 4 cf

proposed by him ~~works~~ will not exceed an estimated cost of Rs 20,000 which is less than 20% of the anticipated income. He is also of opinion that such a distribution will be easy to work and will really help poor and deserving students in colleges. The distribution of ~~at~~ full fee remissions suggested by the Director ~~for~~ may be accepted. ~~For~~ The orders in circulation on page 8 ante are that "half scholarships" should be instituted. The D.P.I. may be ~~consulted~~ asked to submit necessary proposals.

p 4 cf A

(2) on p 8 above.

Pl. see the notes of A.S. and Secy ~~at the~~ on pp ~~8-9~~ 6-7 above. The proposal may be examined further in consultation with the DPI.

Engg. Colleges.

(3) on p 8 above. ~~Of the Director's~~ ~~recommendation to~~ Scholarships are at present available in the Govt. Engg. Colleges as follows:

College of Engg. Guindy.

6 Scholarships of the monthly value of Rs 20 each for each class — the distribution of these ~~scholarships~~ is specified in Rule 43 of the Rules of the College

pp 28 & 29 of the College calendar (not put up)

A. H. College of Technology, Coimbatore.

~~6~~ 4 Scholarships of the monthly value of Rs 20 each. for each class

G.O.No 797 Edn 12-4-46 — not put up

Engg. College, Vizag. at Cocanada.

16 ~~nos~~ scholarships of the monthly value of Rs 20 each, 4 for each of the classes

Engg. college for Ceded Dts at Guindy.

4 Scholarships of the monthly value of Rs 20 each, 2 for each of the classes.

G.O. 1014 Edn 15-5-47

p 7 cf

preserved for C. No. 8284/47

It may be observed that the scholarships in Engg. Colleges are usually of the value of Rs 20 each. ~~The same amount may be adopted in the scholarships now proposed~~

The DPI may be asked to furnish information on the total anticipated income on account of the increase in the rate of tuition fees in the Govt. Engg. Colleges and also to suggest how the 20% of the total income may be distributed in the way of scholarships in the diff. Govt. Engg. Colleges, taking into account the increase in the rate of tuition fee (i.e. from Rs 180 to 216 a year) and also with reference to the orders in circulation on page 9 ante re: the institution of "half scholarships".

(4) on p ~~10~~ 8 above.

No medical Inspection fee or visual Instruction fee is at present collected from the students of the Engg. Colleges. Arrangements are now made as at 'f' on p 8 ante. ~~Similar~~ ~~arrangements~~ ~~have~~ also ~~recently~~ been made in the Engg. College, Vizag at Cocanada for medical assistance. It is for consideration whether a fee of Re 1 now collected from the Arts college students may also be collected from each of the Engg. students as Medical Inspection fee. For Visual Instruction also, a separate fee of Re 1 may be collected from each of these students. The DPI's opinion may ~~also~~ perhaps be obtained in the matter.

(5) on p ~~10~~ 8 above. The DPI has suggested ~~to increase~~ that the contribution may be increased from Rs 700 p.a per student to Rs 1000 ~~may be accepted.~~

~~Finance may see for remarks before the DPI is consulted on the various points raised above.~~

Ops. the levies in the institution, the fees should be levied when [illegible] in further [illegible] Visual edu [illegible]

(increase of seats for backward [illegible])

~~In another file~~ H.M. (Edn) has suggested that the contribution obtained from outside Administrations in respect of their students reading in the Eng. Colleges should be refixed with reference to the present cost of running these colleges. It is not clear how the D.P.I. has fixed the amount at Rs 1000. He may be asked to refix the amount in accordance with the principle suggested above. In the meanwhile the outside Administrations may be informed that the Govt. have raised the fee payable by Madras students from 1947-8 and that consequently the contribution of Rs 700 now paid by them for their students is also liable to revision with effect from 1947-8. ~~[illegible]~~ The file may be sent to the Fin dept for remarks. Necessary ~~[illegible]~~ drafts ~~[illegible]~~ will be put up after orders are passed in circulation.

FINANCE DEPARTMENT

Recd on 18/6/47 at 12 Noon. 36562 FC 18-6-47

Finance (Expr-C) dept.

Previous Finance note on page 6 above.

Please see the orders in circulation on page 9 above and the further notes on pp. 9-13 above.

(Orders have already issued in G.O. 1246 Edn., dated 14-6-47, enhancing the rates of tuition-fees in the Govt. Arts and Eng. Colleges.)

para 2, p 3 C.F.

p 9 above

$\frac{20}{100} \times 150000 = 30{,}000$.

2. Item (1) on page 9 above -- The additional income expected to accrue on account of increase in the existing rates of fees, so far as Arts Colleges are concerned, is estimated at Rs 1,50,000. It was ordered in circulation that 20% of this amount should be allotted for 'half scholarships' to poor students. This works out to Rs 30,000. The D.P.I. has stated that, as all the Arts Colleges in the City are at present enjoying 'full-fee remissions', the remissions (half scholarships) now proposed to be granted may be full-fee-remissions. He has submitted the following proposals in this connection:--

para 3, p 3 C.F.

X on p 4 C.F.

(a) The percentage of concession in the Presidency College may be increased from 4% to 6%.

Y on p 4 C.F.

(b) Fee-remissions up to 4% of the total strength may be extended to all other Govt. Arts Colleges.

The D.P.I. has stated that the annual expenditure involved in the above proposals will not exceed Rs 20,000 which is less than 20% of the anticipated additional income from enhancement of tuition fees proposed to be allotted for the purpose. E.P.H. agree to the proposal. Submitted that the proposal may be agreed to in Finance also.

A on p 9 above

C&U 18-6-47

P.T.O

A

However, as it was ordered in circulation ~~on page 1 above~~ that only half-scholarships should be given, E.P.H. may be requested to take orders in circulation, including H.M. (Fin), whether full-fee-remissions as proposed by the D.P.I. may be given in the Arts Colleges. instead of half fee remissions

C&U 18-6-47

3 Item (2) on page 8 above:- No remarks are called for on this proposal at this stage. [The propl is to be examined further in consultation with the D.P.I.]

C&U 18-6-47

4 Item (3) on page 8 above:- The additional income expected to accrue from the increase in the rates of tuition fees in the Engineering Colleges is not known. It is proposed to ask the D.P.I. to furnish information on this point and to suggest how 20% of the income may be distributed, by way of scholarships, in the different Govt. Engineering Colleges in this Province. Pending receipt of this information, no remarks are called for in Finance.

C&U 18-6-47

5 Item (4) on page 8 above:- E.P.H. propose to obtain the opinion of the D.P.I. on their suggestion that a fee of Re 1 for medical inspection and a fee of Re 1 for visual instruction may be levied from each of the Engineering College students. No remarks are called for in this department at this stage.

C&U 18-6-47

6 Item (5) on page 8 above:- This dept. may agree to the proposal of E.P.H. at C on pages 12-13 above.

EDUCATION AND PUBLIC HEALTH DEPT.

Secretary, E.& P.H.

When the Cabinet decided to increase the fees, it also decided that 20 per cent of the increased fees should be set apart for scholarships. This is a simple matter of calculation and it should not take much time for the D.P.I. to allot scholarships on this basis to each College. He may be asked to furnish a statement showing the number of Govt. scholarships given in all the colleges and the extra scholarship that we may be able to give on account of this increased fees.

16/7/47

16 c.f. C. no. 60596 from the D.P.I. No. 1570E/47 dated 24.7.47

para 1 on p15 c.f
The D.P.I. states that the figures of income from ~~tuition~~ tuition fees at the increased rate in Govt. colleges in this year have not yet been received from the Principals and that he has worked out the probable expr. on the half fee scholarships to be awarded in each of the Govt. colleges. ~~and~~ He suggests that a sum equal to that shown in the last column of the statement on p17 c.f. may be placed at the disposal of the Principals for awarding scholarships to deserving students to that extent every year.

ibid

para 3 on p16 c.f

Col. 4 on p17 c.f

2. It may be noted that the figures of income in 1947-48 given by the D.P.I. are based on the figures of income during the last year and are only approximate. Actually, however, increased admissions will have been made this year in many of the colleges and hence the total income in the current year will be much more than what is shown in Col. 4 of the statement.

para 1 on p15 c.f

p17 c.f

3. Again, the intention is that only 20% of the additional income that will accrue to Govt. on account of the increase in fees ~~is to~~ should be set apart for awarding half fee-scholarships. The ~~figures~~ amounts suggested by the D.P.I. for the award of these scholarships, however,

col 6 on p17 c.f

P.T.O.

constitute 20% of the total income from fees at the increased rates, anticipated this year.

4. In the circumstances, the D.P.I. may be asked to work out the additional income that will accrue to Govt. on account of the increase in the tuition fees in respect of ~~all~~ each of the Govt. colleges - Arts & Engg., on the basis of the admissions made in this year (these figures should be available by this time) and then to calculate the amounts that may be set apart for the award of half fee scholarships in each of the colleges - viz. 20% of the anticipated addl. income.

A draft memo is subd. for approval. The file may be circulated to H.M. (Edn.)

Finance (Accts.A)

(Previous Finance note on pp.12-13 above)

The file has been sent to this dept. with reference to the letter from the Director of Public Instruction and its enclosures at pp.24-26 C.F, regarding the contribution payable by other states and provincial governments on account of their students studying in the Engineering College, Guindy. Please see the notes of E.&.P.H. from the middle of p.16 above.

N on p25cf

2. The Principal, College of Engineering, Guindy, has stated that the approximate average annual gross cost per student of the Engineering class inclusive of the interest and depreciation value on capital cost comes to Rs.876. He has, however, suggested only an increase of 20 % over the existing rate of contribution of Rs.700, i.e. Rs.840 per student as the contribution payable by other provinces and states. The D.P.I. has recommended that the suggestion of the Principal may be accepted. E&PH propose to accept the recommendation of the D.P.I.

P on p25cf

p 24cf

R on p16 above

3 It is not clear why a sum of Rs.840 only should be recovered from other provinces and states, when the actual average cost per student comes to Rs.876. At present, the Govt. are finding it extremely difficult to cater to the needs of their own students in regard to the admissions into Engineering colleges and there seems no adequate justification to afford facilities to students from other provinces & states in our Engineering college on payment of a contribution which is less than the average actual cost per student. Finance may, therefore, advise that the contribution payable by other provinces and states be fixed at Rs.876 per student or at Rs.900 roundly.

The D.P.I. may be consulted re: 'A' above. A draft memo is subd. for approval.

27-10-47

28/10/47 S

C. No. 85627A From the D.P.I. No: 1570 E/47 D/28.10.47. pp 31-33 c.f
C. No: ~~[illegible]~~ 90353 A From the D.P.I. No: 432 K2/47 D/11.11.47 p 33 c.f

The D.P.I has forwarded a statement showing the amounts that may be set apart for the award of half fee scholarships in the Govt Arts and Eng: colleges. The ~~figures~~ amounts noted in colns. 3 and 4 of the statement show the addl income derived for account of increased rates of fees and ~~[illegible]~~ 20 p.c of this addl income respectively. These ~~figures~~ amounts are liable to ~~change~~ increase or decrease in future years. As matters stand they are ~~only~~ liable to increase only. pp 31-33 cf p 33 cf

2 The question now arises as to how the amounts should be apportioned among the various colleges. One method would be to allot the amount entered in colm 4 against each college to that college itself. If this suggestion is acceptable the amounts may be rounded to the nearest hundred as indicated in pencil. The position may be reviewed after a period of three years with reference to the addl income derived on account of the increased rates at that time. p 33 cf

If this may be done.
A

Another method would be to pool all the amounts noted in coln 4. and divide the amount equally among all the colleges. This will give each college about Rs 3100 per year for the award of half fee scholarships. p 33 cf

3 Then another question is ~~[illegible]~~ how the amount allotted to each college should be distributed among the various classes. It may perhaps be laid down that the amount should be distributed among the various classes according to the strength of each class. B

4 The D.P.I has agreed that the contribution pp 29+35 cf

A/45747

payable by outside administrations in respect of their students admitted into the Eng Colleges in this Province may be fixed at Rs 900 p.a. Further action ~~Action~~ with reference to this may be taken separately after the question of the number of seats to be allotted to outside administrations is settled. – please see notes on p 18 ante.

5 The file may be sent to the Fin dept for remarks before circulation.

11-1-48.

N.G
14.1.

HM (Edn)

SECRETARY, EDN. AND P. H. DEPT.
15 JAN 1948
GOVERNMENT OF MADRAS

By half scholarship it is generally meant scholarship equal to half the tuition fees. ~~[illegible]~~ under the present scheme the scholarships may not be equal to half the tuition fees. So these scholarships need not be called half fee scholarships but only scholarships. A draft memo is subd. H.M. (Edn) may see before issue.

21/1/48.

22/1/48 S/HM (Edn)

ROUTINE.

(1) How can the number, if fixed according to condition (2) be uniform as per (3)? (2) If 'half-fee' is not adopted as the basis, what will be the basis at all for 'distribution' of the amount among the various classes?

M.V.S.
26-1-48.

Item (2) of Secy's. query above:- It has been ordered ~~at~~ by H.M. at 'A' on pages 14 to 15 above that 20 per cent of the extra income should be set apart for the award of half scholarships ~~only~~. The basis of half-fee-scholarship may, therefore, be definitely stated in the draft. (There does not appear to be any other satisfactory basis of distribution also).

~~Item (1) of Secy's. query above:- As stated by Sec.,~~
[illegible]

Item (1) of Secretary's queries on p. 20 above:

~~Point (1):-~~ It is submitted that the number, if fixed according to condition (2). in the draft, cannot be uniform as per condition (3) in the draft. But H.M's intention in his minute dated 11-1-1948 is not clear. If it ~~was~~ is intended that the amount of each scholarship must be uniform for all classes, it is respectfully submitted that the amount cannot be uniform for all classes, as fee for each class varies and consequently "half-fee" which is the amount of each scholarship will vary. Presumably H.M. wants that the number of scholarships in each class~~xx~~ should be the same. If so, the number of scholarships to be awarded in each class can be arrived at as illustrated below:-

page 20 ante

In item (1) of the statement on page 33 c.f., the amount allotted for the grant of scholarships in the Arts College, Rajahmundry is Rs. 3,200/- The fees levied in that college are as follows:-

B.A. pass course .. Rs. 61 per term, that is Rs. 183/- per year
or Rs. 366 for ~~the~~ ~~[illegible]~~ whole course.
Intermediate .. Rs. 48 per term, Rs. 144 per year or
Rs. 288 for the whole course.
For all the four classes from Intermediate Junior to B.A. Senior } Rs. 654/-

Half of this amounts to Rs. 327.

Vide 666 on p. 15 of OR (A)

366
288
654

A student studying from Junior Intermediate to B.A. Senior will get a scholarship of Rs. ~~318~~ 327/- throughout his course. So, ~~that~~ the total amount of Rs. 3,200 will have to be divided by the amount of Rs. ~~330~~ 327/- to arrive at the number of scholarships that can be awarded ~~or~~ in each class. This works out to nearly 10 scholarships with an extra amount of Rs. 70 over and above the total amount of Rs. 3,200.

But even here, the rates of fees differ ~~between~~ for ~~Harijan~~ Scheduled Castes students and ~~Non-Harijan~~ other students, and, if ~~Harijans~~ the former compete for the scholarships along with the others and are successful, it will be more difficult to calculate the number of scholarships to be awarded. The best course appears to be to ive discretion to the Principals of the Colleges to distribute he allotted amount ~~provided, in the shape of half-scholarships~~ ~~equitably~~ etween the best deserving students, subject only to the condition hat when a student gets a scholarship, he must be allowed the enefit throughout his career in the college, provided he continues o be efficient. The actual number of scholarships ~~xxx~~ to be warded etc., may be left to the discretion of the Principals and hey can be expected to work it out so that the total amount awarded ill not exceed 20% of the additional income received from year to year. They may be told that the no. of scholarships in each class may, as far as possible, be proportionate to the strength of each class ~~year~~. ~~It is, therefore, submitted that~~ Even the amounts to be allotted to each college need not be specified in the draft, as they ~~may~~ will vary from year to year.

/A

P

wl

2. There are also some more points for consideration:-

(i) whether the scholarships should commence only from the lowest class of the College or whether it can be awarded to students in the higher classes also provided ~~xx~~ there are sufficient funds on hand after paying the students who were already holders n the lower class and would, therefore, continue to receive it in the next higher class also under 'A' above.

/B

I think at the start these could be given in the higher classes also.
wl

(ii) ~~If~~ whether the half fee scholarship would relate only to tuition fees or whether, in calculation of half the fees, special and other fees, in addition to tuition fee, may also be included.

/ Only tuition fees, I think.
wl

(iii) Whether, if the alternative at 'B' above is accepted, ~~in the next year (the first year of the scheme)~~ scholarships should be given only for the lowest class, in the next year (the first year of the scheme), in which case there will be savings in the amount allotted.

/ Please see above.
wl

3. After orders are passed on the above note, a comprehensive draft will be submitted.

10 MAR 1948
GOVERNMENT OF MADRAS

(i) To begin with, it may be given in all classes, but as boys from the lower classes begin coming to higher classes, giving in higher classes may be stopped but the continuation of the scholarship must depend as said at 'A' above, that the scholar continues to be efficient and show progress.

(ii) The half-fee scholarship refers only to tuition.

(iii) Does not arise, in view of decision at (i) above.

TSA
9.3.48

(+) It is presumed that H.M. has agreed also to the suggestions at 'P' on page 22 ante.

(U) 2. Attention is, ~~also~~ in this connection, invited to G.O. No. 487 Edn., dated 12-3-1948, in which orders for the award of scholarships in secondary schools have been issued. The following additional conditions are incorporated in the above G.O.:-

(i) No other scholarships or fee concessions should be held.

(ii) Production of a poverty certificate as prescribed in Rule 92 of the M.E.R.

(iii) Scholarships to be awarded on the basis of a competitive examination.

It is for orders whether the above conditions may also be incorporated in the orders to be issued in this case.

wl

3. A draft order is submitted below for appl. Finance may see before issue.

22/3/48 (Raising of contribution for reservation in Engg. Colleges has been dealt with separately by taking extracts and adding to the file re: reservation of seats.)

(Finance last noted on page 19 above)

The further notes and orders in circulation on pp 20-23 above may be perused.

2. The draft order below may be accepted subject to the following remarks:—

Presumably, the intention is to give effect to the scheme from the next academic year, beginning generally from July 48, as the current academic year is drawing to a close. E.P.A. may be requested to make this intention clear in the draft order below.
