Under the scheme for Adult Education we are arranging for citizenship training which is largely the essence of the scout training. Provision has been made for the appointment of a Special Officer for three months. I propose appointing Sri T.V. Neelakantan who is one of the best officers in the Hindustan Scouts. The pay provided for the Special Officer is Rs. 300/- in total. Since we are appointing ^{him} only for 3 months and dislocating his permanent job, he requests that he may be given a little more. I have promised to do what I can in consultation with you. I feel he may be given Rs. 300/- plus dearness allowance. That will be about Rs. 50/- extra and for 3 months it will be Rs. 150/- extra. I think that may be allowed to him. I shall be glad to have your approval immediately so that orders may be issued and he may be appointed for training during the vacation. *This will not mean any extra commitment as this will be met from the allotment for adult education*

The Special Officer was provided for in the original G.O. itself and having provided for, I had a talk with this gentleman who is the most qualified person~~x~~ for giving this training. He has accepted to come for a three months work at a great self-sacrifice to himself. He is the leading worker in the Hindustan Scout Movement and in view of the original G.O. I have committed myself to appoint him. Without a Special Officer that training cannot be given. This is a training

in youth movement ~~and~~ which is absolutely necessary if we are to guide our youth properly in future. The training must begin in the course of this month and so H.Fr. may kindly agree.
