CIVIL ORPHAN ASYLUMS,
KILPAUK, MADRAS. 10.

Dated 7th April 1948.

The Secretary to Government,
Education & Public Health,
Fort St. George,
Madras 9.

Dear Sir,

Subject: Government Annual Donation.

25813

Further to my telephone conversation with you this afternoon:
I am sending 5 copies of the Annual Report for the year 1946-1947
which is the latest.

Five copies of the Report were despatched with my letter
dated 15th October 1947.

5 copies of the Report
sent separately.

Yours faithfully,
S. S. Srinivasan
Principal.

HISTORY OF THE SCHOOL

The history of the school as at present constituted resolves itself into the histories of four different institutions, namely St. Mary's Church Charity School, the Madras Male and Female Orphan Asylums, the Waltair Orphan Asylum and the Gordon Orphan Refuge.

St. Mary's Church Charity School, which, it is believed, is the first educational institution to be founded by the Church of England in India, now the Church of India, Burma and Ceylon, was started in 1715 by the Reverend W. Stevenson, Chaplain of Fort St. George, for the board and education of British Anglo-Indian children. It was built on the island west of the Fort, and the Governor Thomas Pitt, grandfather of the Earl of Chatham, gave 5,000 Pagodas towards its cost from the sale of the Jersey House. The school started with thirty children but the number subsequently increased to fifty. Through the care of the headmaster, Mr. Hubbard, it survived the two years from 1746 to 1748 when the Fort was in possession of the French. The Governing Body was St. Mary's Vestry: the Governor attended its meetings so that we find in the Minute Books the names of eminent men such as Clive, Warren Hastings, Lawrence and Wellesley. The school remained on its original site till 1871 when it was amalgamated with the Male and Female Orphan Asylums, which on the transference of the Military Male Asylum to Lovedale, moved to the site of that school at the old Redoubt, Egmore. The connection of the Civil Orphan Asylums with St. Mary's parish has been maintained ever since. The terms of the amalgamation state that the chaplain of St. Mary's should be the spiritual head of the combined institution, which he still is if the Principal is not ordained: that he should be a member of the Board of Directors: that he should pay Rs. 6754 annually out of the accumulated capital fund of St. Mary's Church, and that the boys of the school should form the choir, the cost of transport being met by the Commander-in-Chief. The Civil Orphan Asylums also, as part of the terms of the gift, took over from the Military Asylum fifteen boys who could not go to Ootacamund.

The Male and Female Orphan Asylums were founded in 1807 and 1810 respectively through the influence of the Reverend Dr. Kerr of Black Town Chapel. The school was originally in North Black Town, and was supported by a number of subscribers who elected Directors from their number: they constituted the first Board of Directors of this school. The school was founded for

children of European descent who were not eligible for admission to the Military Asylums. In 1815 and 1823 substantial buildings were erected, and the foundation stones were laid with Masonic observances. These stones are now placed in the girls' dining hall, and they bear the names of the first twenty Directors. Thus was started the connection of the school with the Freemasons. The Madras Masonic Institution still gives a substantial annual grant, and in 1940 the corner stone of the Junior House was laid with Masonic rites. The Male and Female Asylums had considerable capital including a large bequest from Mr. Gericke, a famous missionary, and from time to time received donations from the Woolley Fund, a fund given to Government for the education and maintenance of children of distressed Europeans. In return for these grants the school undertook the support of an additional thirty six children, a number which was reduced in 1876 to thirty. Government also ruled in 1851 that two Directors should be appointed by them, and ever since the two Government Directors on the Board have been responsible to Government for the proper administration of the Woolley Fund money held by the school. By 1867 the number of children had increased to seventy five boys and sixty five girls and the Directors complained that the buildings in Black Town were totally inadequate. It was probably in response to this representation that Government conceived the idea of transferring the Military Male Asylum to Lovedale, there to be amalgamated with the Lawrence Asylum, Ootacamund, and handing over its site at the Old Redoubt, Egmore, to the Directors. The Old Redoubt which was on the present site of Egmore Station, was built in 1711 as an outpost of Fort St. George but had been used as a school since 1782. The move to Egmore took place in 1872. The buildings at Black Town and a portion of the site of Egmore were sold and after meeting the cost of certain alterations to buildings, the balance was invested. The school was at the same time amalgamated with St. Mary's Charity School, and thereafter the combined institutions adopted the present name, the Civil Orphan Asylums. In 1894 the Government closed the Waltair Orphan Asylum, and transferred its fifteen children to this school taking the endowment of Rs. 23,442, and paying the school Rs. 15 a month for each child.

The next important event in the history of the school was its move to the present site at Kilpauk in 1904. The Military Female Orphan Asylum had started in a house in Chintadripet presented by the Nawab of the Carnatic. In 1872 they purchased the Kilpauk site for Rs. 19,750. A house on the site had been known as Conway House, and it is interesting that people in the

neighbourhood still know the school as "Conway School." In 1903 the South Indian Railway decided to rebuild and extend Egmore Station, and wanted to acquire the land on which the School stood. The Directors were proposing to purchase Church Park when the Government intervened, as they were considering the transfer of the Military Female Orphan Asylum to Lovedale. That transfer took place in the following year and the site, 380 grounds or approximately 21 acres, was handed over to the Directors of the Civil Orphan Asylums on condition that they admitted thirty girls who could not be sent to Lovedale, and that they maintained thirty extra girls in perpetuity. The Directors were able to do this by investing the sale proceeds of the Egmore site amounting to Rs. 2,03,328.

The last addition was in 1928, that of the children belonging to Mrs. Gordon's Orphan Refuge. This institution was founded by Mrs. W. A. Morehead in 1860, and was intended for European and Anglo-Indian children who were not eligible for admission either to the Civil or Military Asylums. Mrs. Morehead raised sufficient funds to purchase a building in San Thome, and in 1872 Mrs. Gordon of St. Thomas Mount endowed the institution with Rs. 13,700 on condition that it was named after her. After Mrs. Morehead's death the Refuge was in charge of Mrs. Alice Firth until she died in 1928. The thirty girls in school were then transferred to the Civil Orphan Asylums, together with the funded capital, which after the sale of the buildings amounted to Rs. 52,400. The President and one other member of the Refuge Committee became members of the Board of Directors, and the two Gordon Orphan representatives now on the Board have the right to nominate twenty children in the school.

The present school chapel was taken over from the Military Female Asylum: it was built in 1883 and dedicated to the Blessed Virgin Mary. Various additions and improvements, in most cases with the assistance of Government, have been made to the site since it was occupied in 1904. In 1915 the Principal's bungalow and the class room block were constructed at a cost of Rs. 46,910. They were blessed by the Bishop of Madras on March 4th, and opened by His Excellency Lord Pentland on the following day. In 1936 the nave of the chapel was extended, and a new vestry added at a cost of Rs. 7,900. This extension was dedicated on February 4th 1937. Two additional class rooms were added in 1938, and in 1940 the Junior House constructed at a cost of Rs. 64,723. The Corner Stone was laid with full Masonic rites in the presence of His Excellency the Governor and the Lady Marjorie Erskine on October 8th. The Domestic Science room was

REPORT OF THE FINANCE COMMITTEE

General

reconstructed during the same year. In 1944 the Government alienated to the Directors six acres of vacant land on the north side of the compound. This will provide the extra playing ground space which would be necessitated by the construction of another house which is now being erected.

The year opened with a debit balance of Rs. 8,750-2-2 and closed with a debit balance of Rs. 3,279-8-7. These figures, however, give a false impression of comparative security. Certain items of receipts and expenditure have to be adjusted to arrive at the true picture. Rs. 26,000/- has been received from temporary investments but these have not been budgetted as the funds were understood to be earmarked for the construction of the new Intermediate House; Rs. 8,000/- was received from Mrs. Harper towards the construction of the Side Chapel but added to General Funds temporarily; there are certain outstanding loans and advances and a temporary investment in bonds which are now being sold; Rs. 10,000/- outstanding receipts from our investments have not yet been received. When these and other minor changes are made the picture presents itself as follows: The year opened with a debit balance of Rs. 8,750-2-2 and closed with a debit balance of Rs. 26,000/- making a total loss on the year's working of Rs. 18,000/-. This loss must be measured against the background of an estimated loss of Rs. 8,130/-.

The year was one of great difficulty. There were both losses in receipts and excess in expenditure. The main losses in receipts were due to our not receiving the budgetted Boarding Grant in full, and to the recent 'conversions.' The chief excesses in expenditure were on Boarding, Clothing and Dearness Allowance: that portion of the Dearness Allowance given to the staff and servants of the Boarding House is not yet regarded, in spite of repeated representations, as permissible expenditure by the Government. The prevailing high prices of food and clothing are alone responsible for the instability of the School's economy; we are spending Rs. 30,000/- more on food than in pre-war days.

Subscriptions and Donations

Subscriptions and donations received during the year amounted to Rs. 5,409-13-0, a figure slightly higher than those of pre-war days, showing that these kind people do realise the difficulties of running a charitable institution in these days of inflation. The Management is grateful for one large anonymous donation through Mr. E. H. M. Bower and another from an Old Boy who also desires to remain anonymous. The Committee propose to launch a special appeal to all our friends and the urgency of the School's needs are earnestly commended to them.

Building Replacement and Extension Fund

The fund opened with a balance of Rs. 12,408-4-4 and closed with a balance of Rs. 13,198-15-7. To this fund was credited a sum of Rs. 22,227-7-0, this being compensation paid by the Government towards wear and tear during four years of military occupation. This has met part of the scheduled repairs and has paid the first bill on the New House. Other heavy commitments are extensive repairs on leaky roofs and a bakery to reduce expenditure on boarding. We have much pleasure in recording our humble thanks for subscriptions to the fund by old students and a handsome donation of Rs. 1,000/- by Messrs. Parry & Co.

Tuition and Boarding Expenditure

The all-in-monthly cost for each child and the cost of food only for the years below work out as follows; it is interesting as a comparative statement of prewar days and the present day:

	1937—38	1945—46	1946—47
Cost of food ... Rs.	8—7—6	22—8—0	28—6—5
All-in cost ... Rs.	30—7—10	42—12—0	41—12—1

The difficulties stated above are apparent from these figures. The All-in-cost dropped slightly from last year because of increased numbers on our rolls with no corresponding increase in overhead charges. Further rises in prices of foodstuffs during the year have raised the cost of food. The Board of Directors have been forced to order a revision of the menu with a view to economy.

....O....

PRINCIPAL'S REPORT

I was not the Principal of the School last year and it may seem strange that the task of writing the Report for 1946-47 falls to me. But the Rev. Wyld was not the kind of Principal who perches himself on a pedestal and looks down from the Olympian Heights on the destinies of other men. During the whole of my association with him he has kept me in close contact with all phases of school life, including finance, and I find myself at no loss to write this Report.

It was in January of last year that we really settled down in our own Home after four years of evacuation. The children left behind for the holidays were housed in the School Hospital while

the work of reconditioning the main buildings was going on. Owing to the enormity of the task the term only began on 20th February, about a month later than usual; the Middle School classes, however, were begun on 4th February. Consequently we worked through the Hot Weather and only closed for the Summer Holidays late in June and reopened in August. We had thus to save all possible time and were forced to abandon the idea of holding either a formal Prize Distribution or a Sports Meet.

The Staff

There have always been changes on the staff every year, and the year under reference is no exception. Mrs. Shortt left in June for England after many years of faithful service. I must here place on record her deep sense of vocation and devotion to duty. We wish her all happiness in her well-earned retirement. Her place as Lady Superintendent was taken by Mrs. K. Maynard who brings to her task a rich experience gained in many schools throughout India, and a kindness of disposition added to deep culture much appreciated by the elder girls and the staff. Miss S. C. Hector resigned in June leaving a gap in Junior House which has been temporarily filled by Mrs. Blades, the Matron. Mrs. L. Barker, who filled a temporary post as teacher, also left. We welcome to our family circle Miss A. Barnett, a matron in the Girl's School, Miss D. Irwin and Miss D. Ramsbotham, two junior teachers who have just emerged from the Training School, and Mr. B. W. Fowler a trained teacher from the North. Lastly we welcome Mr. D. B. Shaw, M.A., who returned to us after a year at Meston Training College, where he earned the reputation of being one of the best students. He came back with full of ideas and enthusiasm, which he lost no time in putting into operation, thus enriching the life of both boys and girls: I refer to his active interest in Scouting and in the Singing and Dramatic Club which he inaugurated.

I may here be permitted to add a general word about the members of our Staff. The running of a school does not depend on any one man however good he may be. It depends rather on the combined efforts of those who, under God, have been given the task of training and educating children—the individual members of the Staff both in and out of the classroom. To their efforts in this work both individual and collective, I here pay tribute. Mr. Wyld would gladly join me in saying how the very heavy administrative work here has been made light by the C.O.A. family who have given of themselves loyally and efficiently.

The whole of Standard VII appeared for the Middle School Examination and all, except one, passed: One in the First Class, four in the Second and eight in the Third. Of these thirteen, ten are attending Doveton Corrie and one is doing a course of shorthand and typewriting. Five of our children appeared for the High School from Doveton Corrie and one from Bishop Cotton Boys' School, Bangalore, and all except one passed: One in the First Class, two in the second and two in the Third.

Sports and Games

One of the happy phases of School life in our own home is the fact that we were able to hold games and sports every day. The children lost no time in getting down to field activities and played every weekday except Wednesday. The boys entered for the Inter-School Hockey Tournament and were beaten by the best team by one goal after a draw: The rest of the Tournaments were abandoned. The girls were the runners-up for the Inter School Netball. The School also competed in the E.S.A.A Sports and secured a few places though none of the shields. In our own Inter House games on the boys' side all three shields for Hockey, Cricket and Football were won by Clive House: and on the girls' side the championships for Hockey and Throwball were secured by Willingdon, and Erskine and Willingdon shared the honours in Netball.

I must here record that for the first time in the history of the school a cricket team of no mean order was trained, made possible by the comparatively large number of High School boys in school. The batsmen needed more experience but the bowlers reached a high degree of excellence. We played many outside matches, particularly against Mr. E. Blankley's team of Pallavaram who beat us only in the second innings, and Mr. C. E. Holland's team from Lecot's Club. The latter were beaten twice though they fielded many seeded players. This splendid performance was the fruit of the efforts of their trainer, adviser and captain, one who spent many hours with the team—Mr. E. J. Shaw. Both he and the children now deplore the loss of their fine cricket pitch on which the New Building is being erected, but they have already got down to the business of preparing the new field whose condition is not at present conducive to first class cricket.

Scouts and Guides

For many months after our return the Scout and Guide troops, who were active in Coimbatore, were non-existent owing

to lack of leaders. It was on 23rd October that the spirit was revived when Mr. W. J. Satur, himself a keen and able Scouter, invited the Scouts and Guides and the Senior children to a Camp Fire which was held in Junior House. At this enjoyable and instructive function it was announced that a leader had been found in the person of Mr. D. B. Shaw. To Mr. Shaw ever since the scouts owe their training and efficiency. Beginning activities with a Scout Service at the School Chapel, at which they planted two trees in memory of Pilot Officer Bruce Yardley and Derek Fernandez, two Old Scouts who lost their lives while on Active Service in World War II, they went from strength to strength until one evening this year they returned from a Rally of City Scouts armed with a trophy—the Championship Shield in an ambulance competition. Their reputation achieved, this Conway Troop, as they call themselves, launched out on other activities including a week-end camp at Tambaram. The District Scout Commissioner, Mr. Govindachari, inspected the Troop on 4th December and approved of its immediate registration. Our thanks, and those of the scouts themselves, go out to Mr. D. B. Shaw for his deep interest and untiring energy.

Health

The general health of the children has been very good. Apart from the routine cases of fevers and coughs and colds and minor fractures there was nothing to report except that scourge which is everpresent with us and which we seem to be unable to completely stamp out—scabies. The Committee have directed me to increase the percentage of milk from the Government Milk Depot with a view to raising the standard of health in general and to eradicate this scourge in particular. Dr. Raoof suddenly left us in March this year and his place was taken by Dr. Mohammed Auzeem. Both have done patient and conscientious work for the children and the staff.

The School Band

The Band has not had any outside engagements since returning from Coimbatore, but its standard is as good as ever as the Old Students know after hearing them give a display on 8th May last. Their performance was much appreciated and Mr. Fritchley and the boys were congratulated by all the visitors many of whom were themselves formerly in the band. Mr. Fritchley has now kindled new interest by the production of concert items in which he has trained the boys in part-singing accompanied by some of the instruments: The first performance

of this type was quite a success and it is hoped to see and hear some more next term.

The Chapel

I have omitted mention of our new Chaplain until I arrived at this paragraph dealing with our Chapel and our School worship. We miss our Father-in-God, Rev. E. J. M. Wyld, more than we could say, but Rev. R. L. Watson has adequately filled his place. He comes to us with a wealth of experience born of travel round half the Globe and, endowed with an amiable disposition, he has enriched both our worship and secular life; the latter especially with his great fund of stories told with the grace and ease of a born raconteur. I myself am indebted to him for advice and guidance on many matters arising from day to day. It is a great pity that he has three parishes to minister to besides our own, but he has mostly overcome the attendant handicaps.

Our Chapel Fund has remained at a good level, maintained as it is by Free Will Offerings of the members of the Staff and the alms of the Staff and children. There were many Thank-offerings and a large donation from Miss S. C. Hector. We voted over Rs. 900/- to various organisations the largest being again to the Diocesan Board of Missions. Our Lenten Savings this year of nearly Rs. 100 was also sent in support of Missionary work in the Diocese. I hereby record with due gratitude on behalf of the Board of Directors the gift of Rs. 8,000/- by Mrs. E. C. Harper, to be used at her request to build a Side Chapel to accommodate the smaller congregations at the week-day Eucharist. It is hoped that it would be begun and finished this year but that depends on the prices of materials; in any case the Board have promised to erect it by the end of 1948. The plans and estimates are at present in the course of preparation.

Reference must here be made to the kindness and interest of members of the Staff who take weekday and Sunday Evening Services of the Kindergarten and the upper school, and the continued help we receive in the conduct of the Sunday Services of the Kindergarten from Miss Ivy Edmonds and Mrs. Joy Piggot both of whom attended regularly.

Old Students' Association

I am not going to write on the subject of subscriptions in a separate paragraph as it has already been referred to in the Finance Committee's Report. It is not entirely irrelevant in this

section. For the past so many years the Anglo-Indian Community, including the Old Students, were not addressed in the matter of subscriptions: The list of subscribers was almost entirely filled by members of the European Community for whose unfailing help we were and still are very grateful. In the New India, however, we would become increasingly dependent on the goodwill of our Anglo Indian friends, more especially on our Old Students. The Old Students, I must report, have been sensing this themselves and it was this that primarily made them clamour for an Association. This, I am glad to say, is now a *fait accompli* with a list of over 40 members, with myself as President, Mr. N. L. Martin as Vice-President, and Mrs. J. Piggot as Honorary Secretary and Treasurer, aided by a willing band of Committee Members all eager to raise funds for the Old School, on which subject they are now engaged. But this service, important and urgent as it is, will not, I hope, be their sole aim; the children and staff nobly co-operated in making their first Bi-annual Day on 8th May a great and happy time, and it is hoped that the next Day, 28th October, would be a greater success, to which we invite all Old Students.

Distinguished Visitors

At the beginning of this year the School had the pleasure of being the venue of an historic meeting of the General Council of the Church of India, Burma and Ceylon. With the Metropolitan, the Bishops and Clergy there were 140 in all. It was here that the great decision on Church Union in South India was made. They went away with very happy memories of their stay here with the result that the C.O.A. is now on the map. So much so that other All-India bodies are planning to come here. We would welcome the Heads of European and Anglo Indian Schools here next January for their Annual Conference. To make room for the General Council last January, the Rev. C. F. Ash, Principal of St. George's Homes, Ketti, to whom our very special thanks are due, very kindly accommodated our children at his school where they spent a very happy time. I would here like to thank the Principal of Lawrence School, Lovedale, for his kindness in lending us warm clothes for the occasion.

February 25th 1947 was a red-letter day in the calendar of the School. It was on that day that our Distinguished Patroness, Lady Nye, visited us, spending a full hour in going round the buildings and meeting the Staff and children. Lady Nye remarked in the Visitor's Book: "You have excellent buildings. You have kept up high standards. I have thoroughly enjoyed this visit."

I would like to congratulate the Principal and his Staff on the standard they have attained and the splendid work they are doing."

General

Writing at this time of transition in this great country of ours with the shape of things to come still unpredictable, one cannot envisage the future clearly. We have made our plans to fit into the Sargent Scheme of Education and await its inauguration. Many of our friends are going away to England or elsewhere; this is bound to have its repercussions on us. Unemployment is becoming more widespread and our list of registered children waiting to be admitted is being added to daily. The Board of Directors hoped, when they made plans for the New House which is now under construction, that they would be in a position to maintain 325 children on our rolls, but that hope is now receding with the progressive deterioration of the financial position. The Board have at present directed that no more children be admitted until the future is clarified. The future Indian Government has the right to effect measures in accordance with the larger interests of our Country and it is hoped that they will recognise that Anglo-Indian Schools are an asset when measured against that background; this irrespective of any possible safeguards to minorities which the members of the Constituent Assembly might deem fit to incorporate into the Constitution. But the Community which the School serves must accept a greater share of responsibility than it has done in the past. Mr. Wyld, writing from England, says; "The School has existed for over 200 years and has weathered many storms. I have no reason to suppose that it will not weather this one." We shall go forward in Faith, faith in the Goodness of God and in the God-given goodness and wisdom of Man.

We acknowledge with thanks the following gifts :

Books: Mr. A. R. C. Westlake, I.C.S.,
Mrs. Yardly, Mrs. J. C. Rouse, and
Miss I. Edmonds.

Games: Madras Guards.

Foodstuffs: Red Cross Society, Mr. S. Ramsay Unger,
Mrs. W. R. McCay and Mr. Bowie.

MEDICAL OFFICER'S REPORT

I took charge of the School Hospital on 8th April 1947 from Dr. Raoof. The largest number of cases treated were those of pyrexia, three of which were admitted into the General Hospital. Two children who were serious cases of scabies were admitted into the General Hospital and three attended as out-patients; the rest were treated here.

Only six children suffered from chicken pox and one from mumps. All of them were kept in the isolation sheds attached to the Hospital.

One girl was admitted in General Hospital and operated for appendicitis. Seven children were operated for tonsils. One case of abscess and another case of arthritis were admitted in General Hospital. Four cases of fracture attended the General Hospital as out-patients.

The new admissions were all revaccinated and T. A. B. inoculations were given.

The general health of the school children was good. Such of those children who were ill-nourished were put on extra diet and cod liver oil and they improved under treatment.

MOHAMMED AUZAM.

Medical Officer,

23-5-47.
