Dear Subramanian,

29 SEP 1947

SUB:- Opening of Basic schools by
Government - Coimbatore
area.

77499 The proposal referred to in
your D.O. No. 1031 B2/47, Edn.,
dated 23-6-1947 for taking over
the managements of the Basic schools
in the Coimbatore belt area (the
area round about Perianaickanpalayam)
is being examined with reference to
the particulars received from the
District Educational Officer. My
recommendations together with the
extra cost involved, will be sub-
mitted to Government as early as
possible.

Yours sincerely,

Re. 1656 B1/47 dated 28-9-1947.

Basic Education - Introduction of cost of equipment -
estimate for 1948-49. -

- Ref: (1) G.O.No.1474 Edn., dated 8-7-1947
(2) My letters to Govt. Rc.No.1656 B1/47 dated 20-8-47
and 29-8-1947.
(3) Government Memo No.51031 B2/47-1 Edn., dated
1-9-1947.

In G.O.No.1474 Edn., dated 8-7-1947, Government approved the supply of equipment for use by the pupils in Basic Schools in the first grade only, presumably under the impression that no Basic Craft can be taught in the other classes. Since there are teachers in each school and these classes are placed under them it is desirable that instruction in craft is given in the 2nd and 3rd classes (Grades). I therefore suggested that these schools be provided with the equipment necessary for teaching the craft. The total estimated cost of equipment for the first 3 grades is Rs.645/- or roughly Rs.200/- per teacher. This does not include the cost of cotton guts and other materials required for the work. The cost of cotton &c. required will come to about Rs.100/- per teacher. Thus the cost will be Rs.300/- per teacher until the classes are fully equipped and thereafter a recurring cost of Rs.100/- per teacher towards cotton and other materials. This cotton etc. will however be turned into yarn or cloth and its value will be more than the original cost. The sale proceeds will be brought into account as receipts.

2. In the Coimbatore Belt area, 56 Basic teachers have been appointed in 17 schools now converted into Basic Schools. G.O.No.1474 Edn., dated 8-7-1947 authorises the supply of equipment for the I Grade only. The need for the supply of equipment for the 2nd and 3rd grades also has already been reported to Government and sanction requested in my Rc.No.1656 B1/47 dated 29-8-1947. On receipt of orders of Government necessary action for the supply of additional equipment will be taken and the extra cost may be met from savings or by reappropriation.

3. Government have been addressed to order the introduction of Basic Education in the Telugu area in my letter G.No.1810B1/47 dated 9-9-1947. Proposals for the provision of funds for the supply of equipment &c. during 1947-48 will be submitted on receipt of orders of Government.

4. There are 65 teachers now under training in Basic Education and they will be completing the course by April 1948. These teachers will revert to the schools which deputed them and convert them into Basic schools or will be appointed in other schools to be so converted. With due regard to the accepted policy that each school should have at least 3 basic teachers, 20 schools can be converted into Basic schools in June 1948. Provision will have to be made, for the supply of equipment and materials in respect of these 65 teachers at Rs.300/- per teacher. In the Budget for 1948-49.

5. With reference to the above explanation, I request that a sum of Rs.30,700/- may be provided in the Budget Estimate for 1948-49 towards the supply of equipment as detailed below.

The Govt. have sanctioned the conversion of 17 ele-
mentary schools in the Coimbatore ^{Belt area} into Basic
schools. The schools are maintained either by local
bodies ^{or} private agencies. ^{for} They have undertaken to
sanction subsidies and grants towards the supply of
equipment to the first grade in these institutions, at
Rs. 100 per teacher. The Director reports that ~~that~~ ^{these}
and ~~third~~ ^{higher} grades will be opened in these schools ~~in~~
1948-49 and suggests that provision may be made in the
Budget for 1948-49 towards the payment of subsidies and
grants for the supply of equipment ^{for these two} for the higher grades also
at Rs 200 per teacher. The provision required for the
~~proposed~~ ^{proposed} is Rs. 11200 for the 56 teachers employed in
the 17 schools.

2. The Director also reports that 65 teachers who

are receiving training in Basic Education will be available in 1948-49 for converting ^{more} primary elementary schools into Basic schools. He anticipates that 20 schools may be converted ^{at} ~~the rate of 3 teachers per school.~~ The expenditure on account of supply of equipment to all the three grades in these schools has been estimated at Rs. 19500 at Rs 300 per teacher. Necessary provision may be made in the Budget ^{estimate} as suggested by the D.P.I.

The total provision of Rs. ²⁰⁷⁰⁰ ~~19500~~ proposed is ^{to be} distributed as subsidies to local bodies and grants to aided Agencies to ^{who} conduct ^{the} Basic Schools. As it is not definitely known how many schools are under local ~~bodies~~ bodies and how many under private agencies, the provision has been apportioned equally between the ^{two} Budget heads as indicated in the summary.

The Government have sanctioned the conversion of 17 elementary schools in the Coimbatore belt area into Basic schools. The schools are maintained either by local bodies or private agencies. The Government have undertaken to sanction subsidies and grants (Rs.5,600) towards the supply of equipment to the first grade in these institutions, at Rs.100 per teacher. The Director reports that second and third grades have been opened in these schools and suggests that provision may be made in the Budget Estimate for 1948-49 towards the payment of subsidies and grants for the supply of equipment for these two grades also at Rs.200 per teacher. The provision required for the purpose is Rs.11,200 for the 56 teachers employed in the 17 schools.

2. The Director also reports that 65 teachers who are receiving training in Basic education will be available in 1948-49 for converting more ordinary elementary schools into Basic schools. He anticipates that 20 schools may be converted into Basic schools. The expenditure on account of supply of equipment to all the three grades in these schools has been estimated at Rs.19,500, at Rs.300 per teacher. Necessary provision may be made in the Budget Estimate as suggested by the Director of Public Instruction.

3. The total provision of Rs. 30,700/- proposed is to be distributed as subsidies to local bodies and grants to aided Agencies who conduct the Basic Schools. As it is not definitely known how many schools are under local bodies and how many under private agencies, the provision has been apportioned equally between the two Budget heads as indicated in the summary.

Part II Scheme - 1948-49
Sub:- Conversion of Ele. schools into Basic schools - Cost of equipment
Letter from the D.P.S. R.C. 1656 B/47 dated 28.9.47

The D.P.S. has addressed the Govt. in regard to the provision of funds in 1948-49 for the supply of equipment to Ele. schools to be converted into Basic schools in the year. According to him, 20 schools can be converted into Basic schools in 48-49. The cost of equipment has been estimated at Rs. 19500 (at the rate of Rs. 300 per teacher for the 65 teachers to be employed in the schools). The estimated cost is for the supply of equipment to the first 3 grades in each of the Basic school.

2. The Govt. have ordered the conversion of 17 Ele. schools in Coimbatore Dt. into Basic schools and have sanctioned an expenditure of Rs. 5000 for the supply of equipment to the first grade in the schools in the current year. The Director has separately addressed that equipment should also be supplied to the second grade in these institutions. The file on the subject has been sent to Finance. According to the Director, 56 teachers have been employed in 17 Basic schools. He now suggests that provision should be made in the budget for 48-49 for the supply of equipment to II & III grade in these institutions. The provision required for this purpose in 48-49 is Rs. 11200 and not Rs. 11200 as worked out by the D.P.S. as the expenditure of Rs. 5000 sanctioned in the current year is for this year only.

3. The total provision required for Basic schools in 48-49 will be Rs. 20700, (Rs. 11200 for the schools opened this year, and Rs. 19500 for the schools opened next year.) The file may be sent to Finance for remarks.
