No.B1-1154/48 dated 25-3-48

Sir,

STATIONERY-Pencil carbon papers and type carbon papers-
Purchase for use during the year 1948-49-Sanction-Requested.

Amongst the tenderers, Messrs. The Typewriter and Office Appliances Co., Ltd., Madras have quoted the lowest rate for the supply of pencil papers and type carbon papers of Indian and English manufacture required for the year 1948-49. The quality also was found to be good. I have accepted their offer for the supply. It is proposed to purchase 25 per cent of carbon papers of each variety, of English manufacture for supply to the Secretariat and Board's offices and 75 per cent of them of Indian manufacture for supply to other offices as was done last year.

Sanction may, therefore, be accorded for placing an order with Messrs. The Typewriter and Office Appliances Co., Ltd., Madras for the supply of carbon papers of different varieties required for use during the year 1948-49, at the rates and to the extent noted below:-

Variety of carbon paper	Quantity Required.	Indian Manufacture Rate per ream.	English Manufacture Rate per ream.
