Sir,

Basic Education--Deputation of teachers to Perianaickenpalayam and Vinayasramam Basic Training Schools--Provision of additional equipment etc.
Reference:-Your D.O.No.75140-B2/47-7 Edn., dated 2..3..1948.

I have the honour to state that in the comprehensive scheme submitted to the Government along with my D.O.No.407-B1/48 dated 2.3.1948 it has been planned to depute 100 teachers(L.Ts. and Secondary Grade). Since the accommodation in both the Basic Training Schools at Perianaickenpalayam and Vinayasramam is inadequate and since it is not possible to provide additional accommodation immediately I propose that only 30 teachers(L.Ts.) 25 from Government service and 5 from aided Training schools may be deputed to each of the Training schools during 1948-49. The period of training may be limited to 4 months from about the middle of December 1948 to about the middle of March 1949. A grant to cover the entire salary and the dearness allowance to be paid to the teachers of aided Training schools deputed for retraining by the managements should be given from Provincial funds. The cost of the proposal would come to Rs. 32,160/- as shown below:-

1. Stipends at Rs. 25/- for 60 teachers for 4 months. ..		Rs. 6,000/-
2. Pay and allowances of substitutes to be appointed in the place of teachers deputed from Government service		
Pay at Rs. 85/- for 50 teachers for 4 months.. ..	17,000	
Dearness allowance at Rs. 24/- for 4 months for 50 teachers..	4,800	21,800/-
3. Pay and allowances of 10 L.Ts. to be deputed from aided Training schools:		
Pay at Rs. 85/- for 10 teachers for 4 months ..	3,400	
Dearness Allowance at Rs. 24/- for 10 teachers ~~from~~ for 4 months	960/-	4,360/-
Total ..		32,160/-

2. No provision has been made for the retraining of teachers in the Basic Training schools at Perianaickenpalayam and at Vinayasramam during 1948-49. It is

2

oposed that 30 teachers from elementary schools may be deputed r retraining in each of the 2 Training schools for a period of months . The course will be from July to November 1948. For the urpose of working out the cost it is assumed that 40 teachers ill be from schools under the District Board and Municipal manageents and 20 from aided schools. Of the 40 from schools under ublic management about 30 will be higher elementary and 10 secondary rade. Of the 20 teachers from aided schools 15 will be higher Elemenary and 5 Secondary grade teachers.

The total cost of the proposal works out to Rs. 19,600/- as own hereunder:-

hools under Public Management:			
tipends for 30 Higher Grade teachers and 10 Secondary grade teachers at Rs. 18/- per mensem for 5 months..			Rs. 3,600/-
ay of substitutes for 30 Higher grade teachers:			
Pay ..	30 x 30 x 5 ..	Rs. 4,500/-	
earness allowance.	30 x 16 x 5 ..	2,400/-	Rs. 6,900/-
ay of substitutes for 10 Sécondary Grade teachers:-			
Pay ..	10 x 40 x 5 ..	Rs. 2,000/-	
earness allowance:	10 x 18 x 5 ..	Rs. 900/-	Rs. 2,900/-
chools under private management:-			
tipends for 20 teachers at Rs. 18/- for 5 months..			Rs. 1,800/-
rant assessment for substitutes for 15 higher grade teachers for 5 months:			
Grant:	15 x 25 x 5 ..	Rs. 1,875/-	
earness allowance:	15 x 16 x 5..	Rs. 1,200/-	Rs. 3,075/-
rant assessment for substitutes for 5 Secondary Grade teachers for 5 months:-			
Grant ..	5 x 35 x 5 ..	Rs. 875/-	
Dearness allowance	5 x 18 x 5 ..	Rs. 450/-	Rs. 1,325/-
	Total		Rs. 19,600/-

. Since an additional section for freshers have to be opened in oth the Basic Training schools at Perianaickenpalayam and Vinayasramam dditional equipment is necessary for both the school. Hence I request hat Government to sanction an expenditure of Rs. 2,000/- for each of he 2 schools during 1948-49.

. In the Budget Estimate for 1948-49 no provision has been made under tipends for the pupils under training and for fresh candidates to be dmitted in June 1948 in the Basic Training school, Perianaickenpalayam. he omission is very much regretted. I request that the Government be leased to make a provision of Rs. 8532/- or Rs. 8,500/-* under stipends or the pupils in the Basic Training School, Perianaickenpalayam and anction the expenditure during 1948-49.

*For 18 Seniors ..	18 x 18 x 13 ..	Rs. 4,212/-

. The total expenditure on account of the proposals detailed above ould come to Rs. 64,292/- or Rs. 64,300/- as shown below. I request the overnment to approve of the proposals. The expenditure may be met from he provision of 9 lacs set apart by the Government for the extension f Basic Education:

1. Cost of deputation of L.Ts. ..	Rs. 32,160/-
2. Cost of retraining of teachers..	Rs. 19,600/-

I have the honour to state that in my letter referred to above I sent up proposals to the Government for the retraining of teachers both at Vinayashramam and at Perianaickenpalayam. Since I now feel that the conditions at Vinayashramam are not quite ~~quite~~ suitable for the retraining of teachers, I suggest that the retraining may be done in the Government Training School, Pentapadu instead. While approving the proposal for retraining submitted to the Government in my letter Rc. No. 451-B1/48 dated 12.3.48, I request that Pentapadu may be substituted for Vinayashramam.

Sir,

Ref: G.O.No.Ms.953-Edn dated 22-4-1948.

The Government in their order cited above ordered that retraining be given to 35 L.T. teachers for a period of four months in each of the Basic Training Schools at Perianaickenpalayam and Pentapadu.

2. The Basic Education Officer represents that it will not be possible to get through the course planned within ~~in~~ a period of 4 months for trained graduates and he, therefore, suggests that the course should be at least for 5 months. I may add that last year retraining of graduate teachers at Perianaickenpalayam lasted for 7 months. Hence I recommend that the Government may approve of 5 months' course instead of 4 months' course as already approved by the Government. If this recommendation is approved the course will be from December 1948 to the end of April 1949. The additional expenditure on account of the revised proposal will be Rs.9400/- as shown hereunder:-

In addition to these 10 teachers, 25 teachers have also been selected from institutions under local bodies and private managements.

3. With a view to introduce Basic Education in the Agency tract as required in your D.O.No.99854 B2/47-3 Edn., and Public Health dated 30-3-48 each of the Agents to the Government of Madras, Vizagapatam, East Godavari and West Godavari has deputed 3 teachers from Government service for retraining in Basic Education in the Basic Training School Pentapadu. The Government in their order cited above approved the deputation of 35 L.T. Teachers, 25 from Government service and 10 from aided training schools in each of the Basic Training Schools at Perianayckenpalayam and at Pentapadu. Since it is the intention of the Government that Basic Education should be introduced in all the firkas selected for rural development I am submitting proposals separately as Part II schemes for the year 1949-50 for the opening of as many as 34 new Government Basic Training Schools during 1949-50. For the purpose it is necessary to have a larger number of L.T. teachers in Government service trained in Basic Education. I therefore consider that the no. of /deputees from Government service/ this year in each of the 2 Basic Training Schools should not be restricted to 25, but may go up to 35 providing if necessary a few seats for aided schools in hard cases.

2. In the circumstances stated above, I request Government to approve of my suggestion to restrict the retraining of L.Ts. in Basic Education this year mainly to Government servants in both the Basic Training Schools at Perianaicken-palayam and Pentapadu. I may however be permitted to depute a few L.T. Teachers from aided training schools in case of real need. I shall take care to see that the total number to be deputed does not exceed 35 in each of the 2 Basic Training Schools.

Respected Sir,

I beg to point out that the stipend of Rs 25 sanctioned to District Educational Officers undergoing retraining is low. It is the same as that sanctioned for School assistants and Deputy Inspectors. While the Secondary grade retrainees are allowed Rs 18 p.m. a distinction is made in the case of L.T. retrainees by paying them Rs 25. If you consider it necessary to pay the D.E.Os undergoing retraining a little more than what is paid to the school assistants, I request you to sanction Rs 50 p.m to us.

Yours faithfully

2. As already reported in my endorsement 147-M/48 dated 10.12.1948 with reference to Government u.o.No.77538-B2/48-1 Edn., dated 9.11.1948, three District Educational Officers have been deputed for Basic Training in the Basic Training School, Periyanaickenpalayam. The Government in their Order ~~Ms~~ No.953-Edn., dated 22.4.1948 approved the payment of a stipend of Rs.25/-p.m. to the L.T.Teachers deputed for Basic Training. Accordingly the payment of Rs.25/-p.m. as stipends has been sanctioned to these District Educational Officers also.

3. Sri V.T.Titus, District Educational Officer under retraining has applied for the payment of enhanced rate of stipends at Rs.50/- per mensem. In accordance with the orders of Government referred to above, some officers in the combined category of school Assistants and Deputy Inspectors of Schools were deputed for retraining in Basic Education in Wardha, Perianaickenpalayam and Pentapadu commencing from November 1948 in Wardah and From December 1948 in the other two centres and lasting for five months. The heads of offices were requested to relieve the officers concerned in time to join the training on 1/11/1948 and 1/12/1948 without fail. As the duration of the training course is five months and with a view to enabling the trainees to join the Training on the prescribed dates, the officers were relieved some days in advance as it was presumed that this period could be reckoned as transit.

pages 66-67 BK

2. Under Note 2 under Fundamental Rule 105(d) a Government servant deputed for training is allowed only the time required for the journey between the place of training and the station from which he proceeds and the time so taken is to be treated as past part of the training. As per Rule 98(a) of the Madras Travelling Allowance Rules, a Government servant deputed to undergo a course of training which exceeds two months may draw Travelling Allowance under the Rules as for journeys on transfer. As they had to prepare themselves for staying in the training centres the period required for the journey alone would not suffice for the purpose and so I recommend that the period from the date of relief to the date of joining the training centres be treated as transit.

3. As the trainees have been ordered to live in [illegible] Hostel during the period of training and ~~xx~~ share the comm[illegible]ood, they had to leave the families in the places where they were prior to deputation. I therefore recommend that such of the officers as were in receipt of House Rent Allowance be permitted to draw the allowance admissible under the rules for the period of training provided their families continued in the same station during the period.

I have the honour to state that the Accountant-General, Madras, has raised certain objections regarding drawal of Madras House Allowance on behalf of certain officers on deputation to Perianaickenpalayam for retraining in Basic Education. A copy of his letter cited above is enclosed. The officers deputed are reported to be actually keeping their houses at Madras in view of the dearth of residential accommodation at present. They were further ordered to remain in the hostel at Perianaickenpalayam and share the common food during the period of training. In the circumstances stated, and on the same analogy as the House rent allowance is granted to certain members in the Government Memo cited above, the concession of the Madras House Allowance may be extended to the trainees that were drawing ~~just~~ prior to their joining the course.

Only the list of candidates to be sent for re-training at the Perianaickenpalayam Basic Training School was submitted to Government. Candidates to be admitted into the Pentapadu Basic Training School was not submitted to Government. In the selection of candidates to be made for the Pentapadu Training School, I think the following may be taken into consideration:

(1) As was previously suggested, Mr. Bullayya may be sent.

(2) Another D.E.O. or one or two Senior Deputy Inspectors of Schools who are likely to be promoted as D.E.Os. may be sent.

(3) We have also to send ~~three~~ about five women candidates for re-training but I am not happy that women should be trained continuously along with men. If the St. Joseph's Training School for Women at Guntur will send two of their staff for training, they may be sent for training so that from next year, our women candidates for re-training may be sent to the St. Joseph's Training School. In that case, we can also make the necessary grants for the staff in the St. Joseph's Training School.

The candidates have to join in the first week of December. I have also told the Divisional Inspector of Schools to send in the necessary suggestions to the D.P.I. direct.

The Director of Public Instruction is informed that there is no objection to the period (allowed for preparation for the officers referred to in his letter) from the date of relief to the date of leaving the stations for joining the training centres, being treated as casual leave, provided that the period did not exceed a couple of days and that the grant of the casual leave would not cause any evasion of the rules regarding the date of reckoning allowances and charge of office with reference to audit Instruction 5 (1) under Fundamental Rule 105, in the Audit Manual.

2. The Government approve the Director's proposal that such of the officers as were in receipt of house rent allowances may be permitted to draw them for the period of their training provided their families continued to live in the old stations during the period.

Please see the D.O. at pp.9-10 c.f. and the Director's reply at pp.28-29 c.f. He has now proposed:-

(1) that thirty L.T. teachers (25 from Govt. service and 5 from aided training schools) may be deputed during 1948-49 to undergo a course of training for four months in basic education in each of the two training schools at Perianaickenpalayam and Vinayasramam;

(2) that ~~thirty~~ ~~sixty~~ thirty teachers from elementary schools may be deputed during 1948-49 for re-training for a period of five months in each of the above two Basic Training schools;

(4) that an expenditure of Rs. 8,500/- may be sanctioned towards the grant of stipends for the pupils under training and 25 fresh candidates to be admitted for training next year in the Basic Training School, Perianaickenpalayam.

The financial implications of the proposals are given in the Director's letter at pp. ~~28-29~~ 1-2 c.f. The total expenditure on account of the proposals is estimated to be Rs. 64,300/. H.M.'s minute above

The D.P.I.'s proposal in his letter in the c.f. is for the deputation of 30 L.T. teachers (25 from Govt. schools and 5 from aided schools) and 30 Elementary school teachers (20 from schools under local bodies and 10 from schools under private management) for retraining in each of the 2 Basic Training schools at Perianaickenpalayam and at Vinayashramam.

H.M.'s orders seem to be for the deputation of 35 L.T. Assistants and 35 Elementary school teachers to each of the two ~~such~~ Basic Training Schools. Orders may be taken whether out of 35 L.T. teachers 25 may be from Govt. schools and 10 from aided schools and that out of 35 Ely. school teachers, 25 (18 Higher elementary grade and 7 secondary grade teachers) may be from schools under District Boards and Municipal Councils and 10 (7 Higher Ely grade and 3 Secondary grade teachers) may be from aided schools.

36

Attention is in this connection invited to the proposal since submitted by the D.P.I. for the deputation of teachers to the Govt. Training school at Pentapadu instead of to the Govt. Basic Training school at Vinayashramam. The Govt. Training school at Pentapadu does not find a place in the list of the Basic Training schools functioning at present. However while ~~submitting~~ a list of ~~training~~ schools in Tamil Nad selected for conversion into Basic Training schools during 1948-49, the D.P.I. has promised to report the name of the Training school in Andhra Desa selected for conversion into a Basic one. Perhaps the D.P.I. would have found the Govt. Training School at Pentapadu suitable for conversion into a Basic school during the current year.

As indicated in the draft Order, 35 from the staff of ~~Training Colleges~~ Schools may be retrained, 25 from Government Service and 10 from aided training schools. So also, 25 from the staff of elementary schools may be trained, 25 from Government service and 10 from aided schools. But with regard to the 35 Basic School staff to be deputed by the District Boards and Municipalities + aided schs, we need not prescribe a rigid number of higher grade teachers or secondary grade teachers. That may be left to the managements. In view of these, suitable alterations may be made in the draft.

The Government ~~have~~ ordered that 70 L.T. teachers ~~may~~ should be retrained in the principles of Basic Education in the Training Schools at Periyanaickampalayam and Pentapadu for a period of four months. The Director now reports that the period of retraining is too short and that the period should be extended to five months. I want two things to be observed in this matter:

(1) We must select some people from the M.E.S. so that they can be posted to the Training Colleges both Men and Women. The same principle may be followed while selecting for the Telugu area also. The selections may be so made that we have two first or second class M.As. who will serve in each of these training colleges.

(2) For the staff of the training colleges, Mr. Deenadayalu, who knows Telugu and Tamil also in a sense, may be sent for the training so that he may be utilised for the Rajahmundry College. He may be sent to Perianaickenpalayam for training. Another ~~Anotheran~~ man suitable for the Rajahmundry college, an M.A. first or second class may also be sent to Perianaickenpalayam for training. I want that when these people come back, basic education must be introduced seriously in all the three of our training colleges.

O.No. 77538B2/48

We have promised to provide facilities for aided institutions also. The Christopher Training College was anxious to send a few representatives. If the St. Joseph's training College for Women in Guntur is also anxious, we may get them also trained. Any other training schools which are anxious to send people for training may also be selected. About 5 seats may be reserved for aided agencies in each of these places. The D.P.I. may make the necessary amendments in view of the above remarks and do whatever is necessary.

In G.O. 953 Edn., dated 22.4.1948, the Govt: sanctioned the deputation of 35 L.T. teachers for training in the Basic Training School at Periyanaickenpalayam for a period of 5 months. It was ordered that each teacher might be granted a stipend of Rs 25/- a month in addition to ~~his~~ the pay admissible to ~~Govt. servants~~ him in service. Subsequently with reference to the orders of H.M. (Edn), the D.P.I. ~~have~~ has deputed 3 D.E.Os for retraining in the school at Periyanaickenpalayam. One of the D.E.Os, Mr. V.T.
