ROC. No. 36-K2/48.

Station Madras, Dated the 24th March 1948.

From (Name) SRI D.S. REDDI, M.A. (Oxon.),
(Designation) DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.
FORT ST. GEORGE, MADRAS.

Sir,

Under the University Regulations candidates for the B.Sc. Courses of study can present English or any of the classical or Modern languages under Part I of their course. Hitherto the students of the B.Sc. Class in the Presidency College have been offering only English. As there is a demand for the languages and as the college is already affiliated under Part II of the Intermediate and B.A. Courses in the several South Indian Languages, the Principal applied to the University for permission to present students in Sanskrit, Tamil and Telugu under Part I of the B.Sc. Course. The University first refused as the application was not made before 31.10.1947, but subsequently agreed to consider the request provided an application for affiliation was presented before 25.2.48. Accordingly an application for the affiliation of the college in Sanskrit, Tamil and Telugu was forwarded to the University. The Registrar has intimated that the Syndicate proposes to grant the further recognition on condition that additional appointments that are necessary in these departments are made. No Inspection Commission is

is proposed to be sent by the University and the question of payment of affiliation fee does not arise.

2. In connection with the removal of the Intermediate classes from the college I have recommended the transfer of certain staff from this college to the Muslim college in 1948-49 and 1949-50 and the Principal was requested to state whether the new courses can be started with the reduced staff. The Principal states that there will be no immediate difficulty in running the courses with the reduced staff, but if the correction of note books should be heavy on account of the large increase in strength in the B.A. and B.Sc. Tamil classes, the employment of a Tutor may be required. He also states that this can be known and decided only after the courses are actually started and run for two years.

3. In the circumstances stated I request that Government may kindly sanction the affiliation of the college in Sanskrit, Tamil and Telugu under Part I of the B.Sc. course. I may also mention that the Principal, Government Arts College, Anantapur has also applied for the affiliation of the College in Telugu under Part I of the B.Sc. and this is under correspondence with the University.
