B. Permal Naidu, M.L.A.,

Camp : 71, Coral Merchant St.,
George Town, Madras.
Dt. 5-11-1947.

Dear Sri Avinasalingam Chettiar,

1. K. Ramakrishna Choudary, (E2 E-866) joined the Engineering College (for the B.E. course) in 1938 after graduating in mathematics in the university of Madras.

2. He was elected as Secretary of the Students' Association in the college and naturally, he was taking an active part in the work of the association.

3. In his letter of the 17th February 1941 the Principal intimated his father that the student has been expelled from the college with effect from 15-2-41 on account of his participation in strikes or demonstrations in this college in spite of definite orders, as a protest against recent searches and an arrest by the Government and that the transfer certificate is being sent to the Madras University as per the laws of the university.

4. At the time this letter was received the father of the student was away from Madras on official duty. Soon after his arrival at the city the father contacted the Principal personally and later on the 24th February wrote to the Principal giving an undertaking that in future his boy would be kept under control and strictly binds himself by the disciplinary rules of the college and not take part in any demonstrations etc., the boy has also tendered his apology for his past action. The Principal was requested to permit him to rejoin the college and continue his studies.

5. This was not granted in spite of representations made by the father to the Government directly. In memorandum No. 21654-C/41-42 Education dated 26th June 1941 his father was informed that "Government decline to modify the orders expelling his son, K. Ramakrishna Choudary from the College of Engineering, Guindy".

6. Later in December 1942 the student submitted a petition to the Principal of the Engineering College to be admitted in the IV year of the Engineering class in the ensuing session (January to September 1943). This was recommended by the Principal and the Director of Public Instruction, still he was not granted permission to continue his studies.

7. The boy subsequently passed the Associate membership examination of the Institution of Electrical Engineers of London, held in November 1943 in India and passed in Parts I & II (Choudary, Katragadda Ramakrishna). Now he proposes to go to foreign countries for efficient practical training.

8. It is requested that the ban on him may be removed and the transfer certificate granted accordingly.

Yours sincerely,

B. Permal Naidu

to

Hon'ble Sri T.S. Avinasalingam Chettiar,
Minister for Education,

In 1941, some ^{seven} ~~some~~ students

of the Engg. college were punished for taking part in strikes and other acts of indiscipline. Originally the D.P.I. was informed that ~~one~~ of them, including Mr. K. Ramakrishna Choudary, should be required to leave the college; and that there should be ^{in the case of} no promise of their being readmitted; and that ~~the~~ seventh student, his practical training should be terminated. These orders were subsequently modified; and the D.P.I. was told that the order of dismissal should stand only in the case of two boys, viz. C. Pulla Reddy and K. Ramakrishna Choudary and that the other five should be debarred from taking all examinations for one year; i.e. they should attend for one more year the same classes that they were attending then.

2. K. Ramakrishna Choudary applied for readmission in 1943 and the D.P.I. recommended that he might be readmitted. But it was considered that the penalty imposed on the student should be maintained and that he should not be readmitted; and the D.P.I. was informed accordingly. Please see notes on 7/85-89 and the memo. at 7/82. On a subsequent petition received from the father of the boy also, the Govt. declined to modify their orders.
