Sub:Stationery-Waste paper-1948-49-Purchase and removal.  
Ref:Post copy of the Telephonic Message dated 7-4-48 from  
the Superintendent, Government Education and Public  
Health Department.

In Government memo.No.97864-3.C.2 Edn dated 4-2-48, the  
Superintendent of Stationery was requested to invite tenders for the  
purchase and removal of waste paper etc. (excluding press cuttings from  
printing presses) in Government offices for 1948-49. Accordingly  
tenders were invited for waste papers other than press cuttings and  
submitted to Government for orders in my letter B.3.10838/47 dated  
5-3-48.

It is not known on what basis the rate of Rs.235/- for press  
cuttings was fixed in G.O.No.Ms.1097 Edn. dated 28-5-47 for 1947-48.  
If it was fixed on the basis of highest tender for 1947-48 for waste  
papers other than press cuttings, similar procedure may please be  
adopted by the Government for the current year also.

2. The presumption that the exclusion from the tender of waste  
paper in the offices of Vizagapatam and East Godavari Districts is not  
necessary, is correct, in as much as the Andhra Paper Mills, the  
previous contractors for these offices, are not more functioning.

At present the Andhra Paper Mills are getting a number of concessions from Government, namely, the sole monopoly of cutting and removing bamboos from three coupes of the Vararamachandrapuram range, Upper Godavari Division Rajahmundry for a period of 10 years from 1-7-37 at a concessional rental of Rs.8,000/- per annum; a similar concession in respect of two coupes from a different range was given in 1945; and supply of waste paper from all Government offices. The idea in granting these concessions was to have a paper Mill catering to the needs of this Province.

In these circumstances it is for orders whether Govt. will decide to offer any price for the Mills and if so, the D.I.&C. may be asked to submit detailed estimates as at 'A' on p.9 above in consultation with C.E.(P.W.D.)

V.K.R. 9-1-48.

'A' above Joint Secretary has orally ordered that in view of the fact that the Andhra Paper Mills are in liquidation, action should be taken immediately to cancel the concessions granted to the Mills in regard to the supply of bamboos and waste paper from Government Offices. An extract of this note will be given to C3 Section which deals with 'forests' and another copy sent to the E.&P.H Department which deals with the supply of waste paper from Government offices.

APPENDIX

Copy of Memo No. 57397-1 C2 Education dated 28-7-47.

Sri S. Ranganatha Mudaliar, Contractor for Government waste paper for 1947-48 has brought to the notice of Government that the proper implication of the term 'waste paper' is not understood generally in Government offices and certain varieties of waste paper like old newspapers are not sold to him. The following definition of the term 'waste paper' is communicated to all the Officers concerned for information so that there may be no difficulty in disposing of waste paper to the contractor:-

"Waste paper includes old Gazettes, old newspapers, press cuttings (which term excludes 'paper cuttings from printing presses') taken from Newspapers in Offices, obsolete books, disposal files, other publications and wastepapers not wanted in Government Offices. Other records in Government offices such as magisterial records in criminal courts, judicial records in the High court, records under the Estates Lands Act, etc., do not come under the definition of the term waste paper unless the Officers concerned choose to treat them as waste paper which is ordinarily torn up under the rules in force regarding the method of destruction of such records."

Sri Ranganatha Mudaliar has not made any arrangements to remove the waste paper even in the City offices, e.g. Offices of the C.P.R. Insp. of M.C. & L.B. and the Chief Sect. Dev & Finance may see for remarks before circ.

The performance of Sri S. Ranganatha Mudaliar has been very unsatisfactory: he need not be considered. The acceptance of the other lower tender will also be in the nature of an experiment: we have not had any experience of him before. The Salvation Army proved to be a very satisfactory contractor over a number of years; the difference between its tender and the other tenders is only Rs.10/- I consider therefore that the tender of the Salvation Army may be accepted.
