Sir,

I beg permission to bring the following few lines to your kind consideration and request that my prayer may be granted:--

I am an L.T. Assistant, my optional subject in the B.A. being History & Economics. I have served in some of the Tanjore District Board High schools during the past 17½ years, having entered district Board service on 20th January, 1930. I have been handling, during my period of service forms IV, V & VI in English and History (both A group & C group) and Geography. Throughout this period I have been producing very good results in the S.S.L.C. public Examinations and the Common Examinations of the District Board. I have to retire from service on the afternoon of the 25th of November, 1947, completing by that time my fifty-fifth year. I request that I may be given a fresh appointment as an L.T. Assistant after retirement at least for one more year.

Considering the dearth of L.T. Assistants at the present time and the recommendations of the Central Pay Commission for service upto 58 years, I request that I may be given a fresh appointment as an L.T. Assistant after retirement at least on the starting salary of the scale for L.T. Assistants after obtaining the sanction of the Director of public instruction or the Government as the request requires for the fresh appointment.

I beg to remain,
sir,
your most obedient servant,
N. Raja Aiyar

Sri N. Raju Iyer, L.T. Assistant
is a very efficient teacher in the
District Board Service.

There are 15 sections in all in
the High School Forms and there are only
5 History L.T. Assistants in the staff
including Sri N. Raju Iyer. As L.T.s
are not available we are already having
2 untrained graduates and the service
of even a graduate will not be available
at this part of the year.

Sri N. Raju Iyer may be given a
fresh appointment after his retirement
and it will be a distinct ~~given~~ to the
District Board.

Application of Sri N. Raju Iyer, L.T. Assis-
tant for reinstatement after the period of
retirement ie from 26-11-47.

Submitted and strongly recommended.

As no L.Ts service can be secured at this
part of the year I have allowed Sri N. Raju Iyer
to continue his work which cannot be foregone when
the school work is in its full swing. As securing
his services at the initial pay of an assistant is
distinctly of great advantage to the Institution
and as he is really losing much by taking this
post in preference to private service, I specially
request that in the interest of the Institution as
well as that of the assistant his services may
kindly be recognised from 26-11-47.

Sir,

I beg to bring the following few lines to your kind consideration and for favour of your orders on the same:--

1. On 27th September 1947 I submitted an application to the Special Officer, District Board, Tanjore for giving me a fresh appointment after my retirement on the afternoon of the 25th November 1947. In continuation of that application I beg to point out that, since I did not receive any order of appointment till now, I think that government sanction for the fresh appointment is awaited.

2. In anticipation of government sanction I beg to point out that I am continuing as an L. T. assistant in the school from 26th November 1947 at my own risk and I humbly pray that government may be kind enough to sanction my fresh appointment from 26th November 1947 as prayed for in the original application and that orders may be issued to me by the Special Officer, District Board, Tanjore appointing me afresh from that date, so that I may draw my salary from 26-11-1947.

I beg to remain,
Sir,

Your most obedient & humble servant,

The order may issue so that there may not be
 any delay. But in fairness to the gentleman reappointed,
 I think, on a par with the existing practice in Govt.,
 we must give him the salary which he was drawing at
 the end of the period minus pension. That may be
 considered and a general order issued over this matter.

[Signed as So. 97 E.M. 8/12/1/48] 11-1-48

Please see the minutes of H.M. (Edy.)
 above. There will be only very few cases of
 teachers under local bodies who will be eligible
 for pension. The Government have already
 directed that teachers under local bodies
 who are reemployed after retirement
 should be allowed to draw the pay drawn
 by them at the time of retirement minus
 the pension, if any, admissible to them
 and

Cm. 99958/1/47

and that teachers who had been in receipt of a compensatory pension, in addition to their pay under district boards should be allowed to draw ^{the} pay drawn at the time of retirement in addition to the compensatory pension - vide G.O. no. 1350 Edn. dated 4.9.1945. In the circumstances, no further action is necessary.

2. The file may be circulated to HM (Edn) with reference to his minutes on p.3 and 2 - for orders whether the S.O. of Bd Tanjore should be asked to regulate the pay of Sri Raju Iyer with reference to the above go.

1282
157-48
The instructions in G.O.No.1350 Edn. dated 4th September 1945 ^{are} generally followed in allowing pay for re-employed teachers in ^{local body} schools. In the present case the Director of Public Instruction has recommended that the pay ^{to} of Sri Raju Iyer, Rs.75/-, the minimum in the L.T. scale of Rs.75-5-145. This recommendation has been

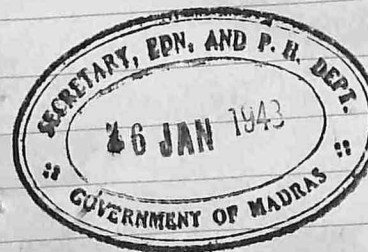

10 5
made, as the Assistant himself has offered his service for re-employment at least on the minimum starting salary of the scale.

- please see the last sentence of the D.P.I's report on p.9 c.f. And ^{And please mark H. on p.1 C7.}
The reasons why the Assistant has offered himself for this

minimum salary are not known. The salary which the Assistant was receiving at the time of retirement is not also known; there is no information on this point in the papers in the file.

In the circumstances, it is for consideration whether orders already issued in respect of the salary of the Assistant requires any revision.

16.1.48 5/1/48
It will be exploitation if you pay a lesser salary simply because the person in his indigence and poverty offered his services at that rate. We must pay him the proper salary. A correction may be issued that

he may be given the pay that he was last drawing
