ORDER :

2. Posts of Headmasterships of High Schools with Form IV and below are in the L.T. Grade and the seniority among headmasters should be determined with reference to the date of first appointment to that grade. As the posts now carry Headmaster's allowance appointments should be made according to seniority in the L.T. Grade unless the senior is definitely proved to be incompetent to hold such posts or where on account of proved serious misconduct it is considered undesirable to promote him, the reasons for overlooking the claims of such seniors ~~may~~ being recorded in writing. These Headmasterships should be considered as non-section posts and non-promotion to non-selection posts should be deemed to be withholding of promotion and hence appealable.
