# ADULT EDUCATION ASSOCIATION TUTICORIN.

Owing to the General dislocation caused by the war and the persistent refusal of the then Advisers' regime, to sanction any financial subsidy, many of our centres nearly a decade old had to be closed. Only two of our six centres survived the general collapse. Any way things took a different turn with the advent of the Popular Government and thanks to the untiring efforts of Mr. J.L.P. Roche Victoria M.L.C., President of the Municipal Adult Education Committee, the Government was induced to sanction the Municipal grant of Rs. 1,000/- was for 1946-47 thus enabling the committee to revive adult education work and place it on a stable footing.

MANAGEMENT:- The Adult Education Committee met twice in October and November 1946 and decided to form a totally non-official adult education association enlisting the active sympathy and support of the literate public and let the work of Adult Education be supervised and guided by a committee representing all the varied sections and interests of the town, whose co-operation was deemed essential for the success of the scheme. Rules and regulation were framed for the Association and it was affiliated to the South Indian Adult Education Association. Propaganda leaflets were circulated all over the town and by the enthusiastic efforts of Municipal women men and women teachers, ably seconded by the Sanitary Staff the Association was popularised and nearly 500 literate adults have become members of the association by promising each to pay a subscription of Re. 1/- as a token of their sympathy towards the cause of Adult Education. The Association was formally inaugurated in the Municipal Council Hall on 20-2-47 by Mr. C. Ganesamurthi, B.A. (Hons) L.T., the District Educational Officer, Tinnevely when Mr. T.J.R. Gopal organising Secretary of the South Indian Adult Association spoke on "Literacy".

ADULT EDUCATION CENTRES:- The Reconstituted committee sanctioned the revival of three old centres and the starting of three new centres, all of them on a new basis. The following 3 centres were revived in November 1946 in the Municipal Schools Sevandakulam, Regamathullapuram and Vadakkoor.

Three more centres were started in December 1946 two for weavers and labourers belonging to the Illathar community and one for the Municipal scavengers. The centre for Municipal scavengers was declared open by Mr. R.K. Balbir, Secretary Indian Adult Education Association on the 20th December 1946. On the whole six centres are now functioning each of them manned by two trained teachers. The Secondary grade

trained teacher who works as the Headmaster of the school is paid Rs.15/= and his Higher grade trained assistant is paid Rs.10/= per month. Every centre has a propagandist who is given Rs.7/= a month. The teaching and propaganda work in all the six centres is supervised and guided by a Honorary Supervisor who is given an Honorarium of Rs.25/= per month. He is besides in charge of the office work of the Association. On the whole today 200 adults are on the rolls and on the road to literacy. Census of illiterates is being taken all over the town.

DEPARTMENTAL HELP:- We have received valuable help and guidance, from the education department. Though the centres have had only 3 months of existence, they had the benefit of 2 visits one by Mr. Oachi Thevar, Deputy Inspector of Schools in February 1947 and another by Mr. C. Ganeshamurthi, B.A., (Hons) Lt L.T. the District Educational Officer in March 1947.

TRAINING FOR ADULT EDUCATION WORKERS:- To provide special training for Adult Education Workers, the committee has resolved to depute 3 teachers for training at the Tamil Nad Adult Literary Training centre to be held at Pasumalai from the 3rd to the 10th May and to conduct a training course in Mangalagiri in 1947 for the benefit of teachers who wish to qualify themselves for the work.
