Ref: Government E.P.H. Memo No.71133 B1/47-1 Edn. dated 6.11.47.

With reference to the Government Memo, quoted above, calling for an amendment to rule 24 of the Grant-in-aid Code, I have the honour to state that the I-sentence of the para "Grant-in-aid" in Chapter I - Introduction" of the Grant-in-aid Code runs as follows:-

"A sum of money is annually set apart to be expended under these rules as grants-in-aid of recognised educational institutions under private management".

2) As thus the Grant-in-Aid Code deals only with institutions under private managements, it may not be in order to make provision in the Grant-in-Aid Code regarding institutions under Local bodies. Since the question of prescribing a maximum number of working days is bound up with the payment of teaching grant, the more appropriate place for an amendment would seem to be G.O.975 Edn., dated 10-5-47, which lays down the revised policy of Government in regard to the assessment of teaching grants to secondary schools under Local bodies.

P.T.O.

3) It may be mentioned in this connection that it is desirable that rule 23 of the Grant-in-Aid Code, which prescribes the minimum average attendance that a secondary school should put in, so as to render it eligible for the full teaching grant, should be made applicalbe~~st~~ to secondary schools under local bodies also.

4) The following amendment is therefore suggested to government for their approval:-

In the second sentence of para 2 of G.O. No.975 Edn., dated 10-5-47; V
for the word "proviso" substitute the following:

"Provisos that the schools satisfy the conditions laid down in Rules 23 & 24 of the Grant-in-aid Code and"

Note. As recommended by the D.P.I. the payment of teaching grants to secondary schools under local bodies may be regulated by executive orders

without amending the Grant-in-Aid Code. Under rule 32 of the Grant-in-Aid Code the basis of assessment of teaching grant is one half of the approved net cost for the preceding financial year. This rule will have to be amended shortly raising the basis of assessment to two thirds of the approved net cost in respect of aided secondary schools which have adopted the revised scales of pay. It may be clearly specified in the order proposed to be issued that teaching grants to secondary schools under local bodies will be on the basis of half the approved net cost only.
