No. 3564-B2/47 dated 9th Feb. 1948.

Elementary Education--Aided schools--Rules
regarding leave to teachers--Amendment
suggested.

SPARE COPIES

I have the honour to report that while making
provision for grant of leave other than casual leave
for teachers in aided elementary schools in G.O.No.

Ms. 1794-Education dated 29.11.1944 and G.O.Ms.No.

233-Education dated 14.2.1945 it has been laid
down "that teachers who have a continuous service of
not less than 12 months in one or more schools under
one and the same management are eligible for leave
for a maximum period of 15 days per year and that the
accumulation of such leave shall not exceed 45 days".
With reference to this, teachers are now given credit
for leave earned by them only for full periods of
service of 12 months and fractions of services for
less than 12 months are ignored and no proportionate
credit for leave for such service is given. As a
result of the working of the rules, I find that it
is not fair to ignore services for fractions of a
year. A case has come to my notice in which a teacher
who put in a continuous service of 2 years and 7 months
and 17 days in a school and went on leave
preparatory to retirement on superannuation (affixing
the summer vacation to the leave) could not be given
leave with salary exceeding 30 days for his 2 years
of service, and proportionate leave for his service

St. George Gazette, dated 29th August 1939, as subsequently

amended:-

Amendment.

Chapter II - Rules for Aid.

In sub-rule (5) of rule 4,

for the words "for a maximum period of 15 days per year",
occurring in the first sentence of the sub-rule,

the words "at the rate of 15 days per year, proportionate
leave being allowed for services for fraction of a year in
excess of the 12 months" shall be substituted.

Aided Elementary Schools - Rules regarding
leave - Amendment

In G.O. 1794 Edr. dated 29-11-39

The Govt. approved the proposal of the D.P.S.
that teachers in aided elementary schools
who have continuous service of 12 months
under one and the same management might
be declared eligible for leave for a maximum
period of 15 days in a year, but the limit
for accumulation of leave should be 45 days
and that teaching grant may be assessed
for both the teacher and the substitute
appointed in his place. Subsequently in G.O.
1459 Edr. dated 26.7.46, the Govt. ordered
that the teachers would be eligible
for the leave even if there were to be a
change of management of the school in
the middle of the year. The D.P.S. has now
proposed that subject to the maximum limit
of 45 days, teachers should be permitted
to earn leave even in respect of periods
of service which are the period of service in
excess of every complete of year of service.
In the circumstances stated by the D.P.S.

Please see the letter from the D.P. on pages 1-2 C.F. and the note of E.P.H. on pages 1-2 above.

The financial implication in the proposal in question is the payment of additional ^{teaching} grant for the substitute teachers, when the permanent teachers are on leave.

The additional expenditure to Govt. may not, however, be large.

The proposal of E.P.H. may be agreed to in finance.
