No. 7/S.B.C., Dated 17-12-1948.

Sir,

Sub: Government Press - Revision of pay - Temporary staff for work connected with arrears of pay - continuance - sanction solicited. - G.O.No. 2561 Edn., dated 13-10-1948 - G.O.No. 2950 Edn., dated 23-11-1948.

I have to report the progress of work connected with arrear claim of employees due to revision of pay since my last report to Government in my No. 7 Mis/S.B.C., dated 1-10-1948.

Number of persons whose arrears were pending as on 1-10-1948		1,150
Number of claim subsequently prepared and disbursed		170
Number whose arrear claim pending in audit.		250
Number of claims likely to be furnished before 31st December 1948		100
Number outstanding as on 1-1-1949		630
		1,150

Besides the 170 persons referred above, arrears of 530 persons reported in my previous letter have since been paid. Thus, in all, 700 persons have been paid their arrears so far. It will thus be seen that nearly more than a third of whole work is yet to be finished. Considering the nature of and labour involved in the work, the progress during the past three months is

considerable

From the S.G.P. No.7/S.B.C., d-17-12-48.

ORDER (Ms) No. 10 Edn. d/ 3/49

Sanction is accorded to the continuance,
till the 28th February, 1949, of the temporary staff
of two Accountants on Rs. 140-190, two U.D. Clerks on
Rs. 80 - 125 and two L.D. Clerks on Rs. 45-90 in the
Government Press, for work connected with the grant
of revised scales of pay to the staff.

2/.The Government observe that the instructions
in para 3 of G.O.No. 2561 Edn. dated 13-10-1948, have
not had any effect on the progress of the work as ~~that~~
only less than half the pending work has been completed
during the past three months. The Superintendent should
see that the entire work is completed before 28-2-1949.

The staff will not be continued beyond that date under
any circumstances.

considerable and the whole work is not possible of being finished
within December 31st as ordered by Government. I have outlined the
difficulties attendant on the work in my previous letters to Govern-
ment and even this progress has been achieved with best efforts
on the part of the special staff. Claims of 520 persons have been
prepared during the last three months by the full complement of
temporary staff and on this basis it is likely to be finished by
31st March 1949 if the existing staff continue to be engaged solely
on the work after 1st January 1949. In the circumstances stated, I
request that Government may be pleased to sanction the continuance
of the existing temporary staff upto 31st March 1949.

- 2 Accountants on Rs 140-5-190
- 2 Upper Division Clerks on Rs. 80-125
- 2 Lower Division Clerks on Rs 45-90

I am to add that in all more than half of the employees will
have been paid before the end of this year, and if the work is
not continued there is likely to be discontent and clamour by the
remaining employees. I am therefore proposing to retain the staff
after 31st December 1948 and to continue the work in anticipation of
Government sanction.

The instructions in para. 3 of G.O. No. 2561, Edn., dated 13.10.1948, do not seem to
have had any effect on the progress of the work. The
work has continued to progress only slowly with
the result that 630 out of 1150 claims ~~are still~~ will

be pending on 1.1.1949. It should be possible to finish
these 630 claims at last, in 2 months' time. ~~for the purpose~~
~~relating to 630 claims is not even two hundred of them~~
The continuance of the staff may therefore be sanctioned
till the end of February 1949, and the S.B.P. finally
told

told that no extension beyond this will be granted.
For orders.
