READ: Letter from the Collector of Tiruchirapalli, B.10.12762/48 dated 24.11.48.

Reference:

Submitted to the Government.

2. The Board considers that the printing of the State Panchangam in the State Press is no longer necessary, though it was yielding a profit of Rs.1800/- a year and recommends the discontinuance of the publication of the almanac under State auspices.

3. The report of the Collector of Tiruchirapalli in respect of the resumption of the moniyam lands granted to Sri Srinivasa Ayyangar, compiler of the almanac is awaited.

Copy of letter from V.N. Rajan Esq., I.C.S., Collector of Tiruchirapalli, RC.B.10.12762/48 dated 24.11.48.

Pudukottai - State Panchangam publication - Continuance.

Ref: Pudukkottai Special Deputy Collector's letter RC.8159/48 dated 11.9.48 and 19.11.48.

Prior to merger the Pudukkottai State was publishing a State Panchangam at its cost. The Special Deputy Collector, Pudukkottai in para. 4 of his letter RC.8159/48 dated 11.9.48 (copy enclosed) has given particulars regarding the system of printing the almanac under the State control. Now the price of the almanac is annas six. The net profit realised by the sale of the Panchangams is about Rs.1800/- a year. The compiler Sri Srinivasa Ayyangar is being given a remuneration of Rs.100/- a year besides 50 copies of the Panchangam. In addition to this, he has been granted an extent of 0-13-33-42 Veli of wet and dry lands as mentioned by the Dewan Peishkar in his letter RC.D4.13942/48 dated 6.11.1948 (copy enclosed) as moniyam lands, on condition that, if the Inamdar's services are not required by the State, the lands granted to him will be resumed by the Government. Now the compiler has requested that he may be given 50% of the net profits realised by the sale of the Panchangams as the moniyam granted to him did not yield any crop.

Now

Now the point at issue is whether it is necessary to continue the printing of the almanac under the State authority and in the State Press in view of the changed circumstances caused by the merger of the State with the Indian Dominion. Though the sale of the almanac is said to have been working on profit under the Darbar's regime, the position is not too sure after the merger as the Pudukkottai almanac will have no special weight. The continued and persistent demand of the compiler to increase his remuneration every now and then is another factor. I do not consider it necessary to continue the publication of the almanac. The compiler may go out of this job. I am examining the conditions of grant of the land to the compiler to see whether it can be resumed, as requested by the Dewan Peishkar. I request early orders in the matter.

3. If the above proposal to discontinue to print the Panchangams in the State Press hereafter is met with approval the request of the compiler to increase his remuneration may be rejected and he may be directed to make his own arrangements to print the Panchangams in future, if he elects to do so. Orders regarding the stoppage of the remuneration of Rs.100/- a year may also be issued. The resumption of the monyam lands granted for the compiling the almanac and disposal of the above lands in accordance with the Inam rules, is being examined and a further report will be sent on this point.

4. A copy of the almanac printed last year is submitted for favour of perusal.

Copy of letter from the Special Deputy Collector, Pudukkottai dated 11.9.1948, RC.66.8159/48.

Books and Publications - "State Panchangam" - Complication.

I enclose the petition presented by Sri Srinivasa Ayyangar, Compiler of the State Panchangam.

2. He requests, that, as the manyam granted to him did not yield any crop he may be given 50 per cent of the net profits realised by the sale of panchangam.

3. Prior to 1922, the compilers were given remuneration of Rs.45/- a year and from 1922, it was increased to Rs.60/-. In the year 1946, the remuneration was raised to Rs.100/- I enclose a copy of the Darbar's Proceedings R.Dis.7056/46 dated 5.6.46. The astrologer is now given Rs.100/- a year besides 50 copies of the Panchangam free of price as remuneration. He now requests that his remuneration may be fixed at 50% of the net profits realised by the sale of the panchangams. The net profit is now about Rs.1800/- a year. If the petitioner's request is granted, he will have to be paid Rs.900/- a year. The price of the almanac is annas six now. The almanac compiled by the present astrologer has acquired a good name for accuracy and valuable information throughout the Tamilnad and hence there has been an increasingly heavy demand year after year. Within a short period, the number of copies printed and sold has increased considerably from 8000 copies to 15,000.

4. It is usual to submit the draft panchangam written in cadjan leaves to His Highness the Raja two months prior to the beginning of the new Tamil year. The draft will be sent to the Darbar Office, which will direct the Officer-in-charge of Stationery and Printing to preserve the cadjan leaves in the press and then arrange to print panchangam. Copies will be printed according to the demand for them.

5. The question to be decided is whether the Government would continue to print the Panchangams in the State press here

here in view of the changed circumstances caused by the merger of the state with the Indian Dominion. If the panchangams are not to be printed in the State press hereafter the petitioner will have to be left to make his own arrangements to print them if he elects to do so, in any private press. Then the grant of remuneration of Rs.100/- a year will have to be stopped and the service inam lands granted for compiling the Panchangams will have to be disposed of in accordance with the Inam rules.

6. I request the favour of early orders in the matter.

2. The number of author's copies of the almanacs is also increased from 3 to 50 copies with effect from the next year i.e. 1947.
