(1) In paragraph 1 of G.O.No.1331, Education, dated 26th May 1948, the Government directed that the post of Basic Education Officer for the Tamil Nad (Headquarters) in the Madras Educational Subordinate Service be converted into a Gazetted post and included in the Madras Educational Service. In view of the fact that it is desirable to make the Basic Education Officers in the Subordinate Educational Service eligible for appointment by transfer to the corresponding posts in the Madras Educational Service and to give a fair chance to the holder of the post of Basic Education Officer (Headquarters) in the Subordinate Educational Service for being considered for appointment by transfer to the post of Basic Education Officer in the Madras Educational Service, I suggest that the post of Basic Education Officer (Headquarters) in the Madras Educational Subordinate Service may be considered to have been kept unfilled and the gazetted post of Basic Education Officer (Headquarters) be treated as an additional temporary post. If this is done Sri R.V. Rudrappaswami, the present temporary Basic Education Officer in the Madras Educational Service, will be able to count his temporary service in the Madras Educational Service towards probation in the Subordinate Educational Service if and when he is appointed as probationer and thus be able to complete his probation in the Subordinate Educational Service and become eligible for regular appointment as Basic Education Officer in the Madras Educational Service in due course if he is otherwise qualified.

(2) I consider that for appointment by transfer to the post of Basic Education Officer in the Madras Educational Service all the Basic Education Officers in the Madras Educational Subordinate Service may be considered.

(2). As regards provision for recruitment by transfer from among Deputy Inspectors of Schools and School Assistants and Headmasters, such a provision is absolutely necessary. I may point out that among the Deputy Inspectors and School Assistants, there may be persons with the requisite qualifications who should not be excluded from being considered for promotion. Moreover, all persons qualified for promotion as Basic Education Officer in the Madras Educational Service cannot hold the posts of Basic Education Officer in the Subordinate Educational Service as the number of such posts in the Subordinate Educational Service is only one at present (excluding the post that has been suggested to be kept unfilled - vide paragraph 1 above).

cited may be suggested, if any, w.v.v. point (1) above

(3) There is no need to prescribe any training to direct recruits to the post of Basic Education Officer in the Madras Educational Service as the Basic Education officer will be attached to the Director's Office and will not have an independent office of his own.

2. In the light of the above remarks I submit that the modification

(1) in the draft adhoc rules submitted in my letter RC. No. 2446/C.2/47 dated 31st July 1948 may be revised as follows:

(1) Appointment to the temporary post shall be by

(i) Direct Recruitment; or

(ii) Recruitment by transfer from the category of Deputy Inspectors (Senior Scale) or School Assistants and Headmasters in the Madras Educational Subordinate Service or from the category of Basic Education Officers in the Madras Educational Subordinate Service.

The training institutions referred to
in clause (iii) under Rule 3 of the draft ad hoc rules
submitted with my letter Rc.No. 2446-C2/47 dated 31/7/48
should have been recognised by the Director. For purposes
of this clause, the training in Basic Education at
sevagram may also be considered sufficient.

Recognition is usually taken as 'recognition' under the
Madras Ed. Rules + comes with it aid. No such 'recognition' institution
is at
sevagram

The secondary or training school referred
to in clause (iv) under rule 3 of the said rules should also
have been recognised by the Director.
