Special subsidy for the maintenance of.

From the Spl. Officer, Dt. Board, Chingleput, R.C.No.4606/48-
C1 dated 5-3-48 and ~~the~~ from the D.P.I., ~~Rs.~~ No.506 B1/
48 dated 15-3-48.

The Special Officer, Dist. Board, Chingleput, has reported that on the request of the Secretary of the Education Sub-Committee of the Refugee Relief Committee, the District Board has sanctioned the opening of a Board Elementary school at Avadi Refugee Camp with effect from 1-3-48. The expenditure on the school has been estimated to be Rs.3,480/- recurring and Rs. 1,700 non-recurring. The Spl. Officer has reported that sufficient accommodation is available in the camp to locate the school. The D.P.I. through whom the proposal has been submitted has not offered any remarks.

It has been the policy of the Govt. to afford every facilities to the refugees who have come to this province. In their present circumstances it may not be possible for them to give any education to their children through the existing schools in view of the language and other difficulties. It may not be proper to deny their children the benefits of ~~xxx~~ elementary education as long as they remain in the Refugees' camps. In the circumstances it appears that the proposal of the Dt. Board to open a school in the camp is only very opportune and that it ~~should~~ ^{may} be approved. For orders.

The Spl. Officer has requested that a subsidy to cover the entire expenditure of Rs. 5,180/- may be sanctioned from provincial funds as a special case. The Ele. Edn. fund account of the Dt. Board is already working at a large deficit and as such, the Dt. Board may not be able to meet the entire expenditure from out of the Ele. Edn. fund. It is therefore for orders whether a subsidy equal to the total expenditure may be sanctioned from Provl. funds, or a grant equal to half of the total expenditure be paid, the Board being asked to meet the other half from the Ele. Edn. fund.

L.A. Dept (C)

The file has been sent to this dept. with regard to the proposal for granting a subsidy of Rs. 5,150/- to the Chingleput dt. board. towards

the cost of opening and maintenance of an elementary school at the Avadi Refugee Camp.

According to the B.E. for 48-49 the ordy. receipts of the dt. board under genl acct fall short of the ordy. expenditure by Rs. 55,240/-.

The B.E. also is expected to close with a deficit of Rs. 20,130/- against the required minimum balance of Rs. 25,500/- without taking into account the ~~over~~ total compensation likely to be sanctioned next year. The financial position of the dt. board is not satisfactory.

The board may have to be granted a subsidy to enable it to meet the expenses connected with the proposal. in the file.

Finance (Exp.-A) Deptt.

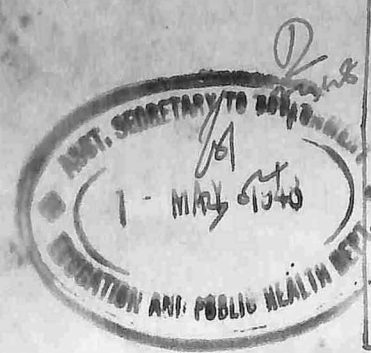

The file relates to the opening of an elementary school by the Chingleput District Board at Avadi to serve the needs of the refugees from Pakistan stationed there. The expenditure on the running of the school is roughly ~~the~~ estimated at Rs.3,480/- (recurring) on the pay of teachers, etc., and Rs.1,700 (non-recurring) on the supply of furniture, books, slates, etc., to the children. E. & P.H. propose to approve the opening of the school. In view of the fact that the Elementary Education Fund Account of the District Board is working at a large deficit, E. & P.H. consider that the District Board will not be able even to meet half the expenditure and recommend that a full subsidy ^{of Rs. 5150} may be given. L.A. support the recommendation of E. & P.H. for a full grant towards the ^{opening and running} maintenance of the school.

2. It will be seen from the Special Officer's letter of 1-3-48 that the school has been opened from 1-3-1948 in anticipation of sanction of a subsidy and of approval by the D.E.O. The proposal of E. & P.H. to approve the opening of the school may be agreed to in the circumstances stated on p.1 above, subject to the following remarks.

In the case relating to the opening of a secondary school for the refugees at the same place, this Department suggested that as expenditure on account of refugees is a legitimate charge on the Central Government, the Government of India may be addressed for re-imbursement of the entire expenditure and also advised that their prior approval for the proposal be obtained. In the present case, the school should not have been opened before obtaining the prior approval of the Government of India. Finance may suggest that the Govt. of India may now be addressed to accord their sanction to the proposal and for re-imbursement of the entire expenditure on the maintenance of the school. If the Govt.

of India do not agree to reimburse the expenditure in full, then the question of asking the District Board to bear at least ^{half} portion of the expenditure may have to be considered in view of the fact that the Govt. are not committed to meet the expenditure. H.H. (Finance) may see at this stage.

The notes of the Fin dept on ^{page 3} ~~42-3~~ ante may be perused they have suggested that the Gov of India should be addressed to accord their sanction to the running of the E. School and for reimbursement of the entire expenditure on the maintenance of the school. In the linked file, it has been decided in circulation that the orders of Gov of India should be obtained first in regard to the opening of a secondary school in the refugee camp. A similar reference to the Gov of India appears necessary in this case also. A draft letter to Gov of India is therefore submitted for approval.

one Govt of India have agreed to reimburse the expenditure on the education of refugee children in the refugee camp. Some may have stated that the teachers in the refugee schools should be from among the refugees and have fixed certain rates of pay for those teachers. Before further action is taken in the matter it seems necessary to ascertain from the Dist Board Chingleput as to the staff that is being employed in the refugee camps. Please see the extract from the letter of the S.O., Dt. Bd., Chingleput, at page 25. We request that the payment of a subsidy of Rs. 5084/- (details on p. 21) may be sanctioned. The Govt. of India have been addressed at p. 23 for approval of the arrangements made for running the school during 1948-49. The A. & I. may have no objection to acceding their approval in view of para. 1 on page 13. It is, therefore, for consideration whether the subsidy asked for by the S.O. may be sanctioned (as the year is coming to a close) pending the receipt of the A. & I.'s approval and reimbursement of the amount by them. Subject to orders, the remarks of Finance may be invited up.

Previous Finance note on p. 2 above.

The orders in circulation at the bottom of p. 5 above and the Sub-Committee note of the E. P. H. above may be perused. The Govt. of India in their letter no. 41 (1) R.F./48 dated 21.9.48 have agreed to bear the expenditure on the education of refugee children in the refugee camps under the Provincial Government. Like other refugee expenditure provided that the procedure outlined in para 2 of this letter is adhered to regarding the appointment of staff etc. As there is no qualified person available among the refugees in the camp for the post of head-master of the school, an outsider has been selected for the post and appointed for the post on the scale of pay admissible to similar category of staff under the Dr. Board and the Government of the Govt. of

India has been sanctioned. The Govt. of India's reply is awaited. In the meantime the S.O. Dt. Board, Chingleput, has requested that early orders sanctioning the payment of a subsidy of Rs 5084/- may be passed.

The Govt. of India have not yet approved the arrangements. There seems to be no great urgency to sanction the subsidy which may be paid early in April '49 after hearing of finally from the Govt. of India. Finance may advise accordingly.
