Read :- G.O. No. 2237 Edn. d/9-9-48.
From the D.P.G. No. 986 J/48 d/20-10-48.

There are now two schools for the deaf and dumb defective children under the control of municipal Councils specified below:-

- (1) Deaf and Dumb School, Karaikudi Municipality, and (2) Deaf and Dumb School, Coimbatore Municipality. No teaching grant is now paid to these two schools, even though schools for defective children under private managements are aided under Chapter VI of the Grant-in-Aid code and the grant is assessed on half the net cost basis. It is necessary to encourage local bodies to open schools for defectives and to increase the facilities already provided in the existing schools by making recurring teaching ~~teaching~~ grants, as the existing provision for the education of defective children is very inadequate.

2. The question of sanctioning teaching grants to these special schools for defectives under the control of local bodies, was considered in connection with the revision of scales of pay of the staff in these schools. As detailed information ~~was not then available in regard to the net cost~~ regarding the cost of maintenance of the two Deaf and Dumb Schools, ~~was not available~~ orders were taken in circulation that this proposal ~~for~~ making a grant-in-aid towards the ~~cost of maintenance of the schools~~ ^{might be considered} as a Part II Scheme for 1949-50. The D.P.G. was requested to submit facts accordingly.

3. The D.P.G. has now proposed a provision of Rs 5,400/- as teaching grant to the two schools under Part II of the B.E. for 1949-50. The estimate does not take into account the special pay admissible to the

are inadequate and it is necessary to encourage local bodies to open new schools for defectives and to increase the facilities already provided in the existing schools. The D.P.G. has therefore recommended that the schools for defective children under local bodies should be brought into a line with the Special Schools under private managements in the matter of aid. The Govt accept the Director's recommendation and direct that a grant towards one half of the net cost of maintenance

of the schools for defectives under the control of local bodies be made from 1948-9. The grant for 1948-9 will be ~~Rs 5,600/-~~ ^{Rs 5,400/-} as in the case of Special Schools under private managements. 2. The Director is informed that a provision of Rs 5,600/- (Rupees Five thousand six hundred only) has been made in the estimate of expenditure for 1949-50 under the head "37 n. Education - Special - Direct grants to non-Govt Special Schools - A. General - (1) Excluding Post-War Reconstruction - 4. Other ~~charges~~ grants - Other charges - Voted - Grants for the Education of defective children".
