PART II SCHEME FOR 1949-50.

Subject:-- Teaching grants to aided Colleges.

Summary.

Head of account.	Item of expenditure.	Ultimate cost. Recurring Rs.	Cost in 1949-50. Rs.
37-c. Education - University. Grants to Non-Government Arts Colleges - (1) Excluding Post-War Reconstruction - c.(1) A. Teaching - Voted.	Grants to five Non-Govt. Arts Colleges newly opened and for courses newly opened in existing Non-Govt. Arts Colleges existing non Govt. Arts Colleges	71,000/-	71,000/-

The policy of ~~the~~ the Government is to rely largely on aided agencies for the expansion of education. Teaching grants ~~ordinarily~~ ^{to colleges under private management} represent ordinarily one-half of the net cost of the institutions. The ~~teaching~~ grants include also the compensation payable to private managements for the loss of fee income on account of the grant of fee concessions to ~~back~~ backward classes under Rule 92 of the Madras ~~Educational~~ Educational Rules. It is usual to provide for teaching grants to newly opened colleges ~~and~~ or courses in the colleges under Part II of the budget. ^{for 1949-50} The provision of Rs.71,000/- proposed is in respect of five ~~new~~ Non-Govt. Arts Colleges (3 for men and 2 for women) newly opened.

The provision proposed for ~~1949-50~~ 1949-50 ^{no provision} (Rs.71,000/-) is higher than that provided in 1948-49 (Rs.49,000). The increase is mainly due to the provision for the new colleges opened in 1948-49 to meet the abnormal rush for admissions. There is a ^{general} proposal for making provision for ^{teaching grants to} new institutions under Part I of the Budget itself. Pending a decision on that ~~proposal~~, this department recommends that a provision of Rs.71,000/- may be made in the next year's budget as shown in the summary at the top of this note.
