H.Q. 2ND MADRAS BATTALION N.C.C.
CLIVE LINES, TIRUCHIRAPALLI.
DATED 2ND APRIL 1949.

The Registrar,
University of Madras,
Triplicane, Madras.

Sir,

Sub: N.C.C. SENIOR DIVISION - TRAINING - OFFICERS.

Ref: Your No.A 1898 of 29-3-49 and this HQ signal
post copy attached.

Herewith an estimate for expenditure towards the payment
of travelling and other allowances to Officers deputed for training
from this Battalion at Infantry Training Centre, Wellington.

The estimate includes:

(a) Mileage at 8 annas per mile for journey by road from
home to nearest Railway station.

(b) Second Class II Railway fare to Wellington including Rs.10/-
per person towards sleeping accommodation charges.

(c) Daily allowance at Rs.7/8/- per day for 91 days i.e.
from 15th April to 14th JULY 1949.

(d) An advance of Rs.100/- out of their outfit allowance
vide para 5 N.C.C. Directorate letter No.NCC.0177/40 NCC
of 23rd March 1949.

As the proposed training is to commence on 15th April
and the officer trainees have to report at the Training Centre
before the training starts the time interval between now and the
date of their starting from home to the Centre is short.

It is therefore requested that early action may please
be taken by you and arrangement made to disburse the amounts to the
individual officers in time, before they leave home. May I also
point out that some of the officer are already at their vacation
addresses specified.

Please confirm date of commencement of training as early
as possible by signal.

Thanking you,

As it is likely that there may be some delay
in handing over the money to individuals
concerned, it is suggested that the
total amount may be sent to the officer
Commanding, Madras Regimental Centre,
Wellington for disbursement to the
individuals concerned on their arrival.

Yours faithfully,

Sir,

Sub: Attachment - Officer trainees.
Ref: My letter No.231/133 dated 14-4-49.

I have the honour to inform you that an extra
expenditure of Rs.78/4/- has been incurred under the following
circumstances.

Telephonic instructions were received from Madras
Area for the attachment of the 11 Officer trainees of this unit
to 1st Travancore Infantry, Madras from the 15th April. Accordingly
Express telegrams and money orders were despatched to all the
candidates. Subsequent to this, I received instructions on
the 14th that candidates were to report to the 3rd Sikh Regiment,
Madukarai. Consequently all the previous arrangements had to be
cancelled and fresh arrangements made to meet this change.

Mr.K.A.Antony of St.Joseph College, Tiruchi could not
receive my express message intimating this change as he lives
in a village 14 miles away from the nearest telegraphic office
i.e.Trichur. He reported on the 15th according to the original
instructions at Madras and from there as per my letter to the
O.C., 1st Travancore Infantry, he was redirected to report to
O.C., 3rd Sikh Regiment, Madukarai on the 19th as per Madras Area
letter No.50477 GSD of 12-4-49. Mr.Antony went back home and
later proceeded to Madukarai and reported there on the 19th.

The above has entailed an expenses of Rs.78/4/- on
account of journey performed by Mr.Antony to Madras and back
to his home. This may please be waived.

No extra sanction of ~~xxx~~ money seems necessary at
present and a detailed account will be sent to you in due course.

Yours faithfully,

Sir,

36828 / Sub: ATTACHMENT OFFICER TRAINEES WITH 3 SIKH REGIMENT.

I have the honour to enclose herewith an excerpt from the D.O. letter received from the O.C. 3 Sikh Regiment, Madukarai about the 11 Officer trainees in this Unit:

" As regards the young officers I must say they are of first class type. They have got interest in Military Trg. Consequently they try hard to become soldiers, with the result, they are progressing very finely. And I hope they will eventually turn up good soldiers.

I have no trouble from them instead every one of my officers likes them very much".

This is only an interim observation. Final report will emanate in due course from the Unit.

Extract from the notes relating to raising of additional
NCC units in 1949. (C.M. 92017-10148) (V)

3. The training for the N.C.C. officers of the Infantry Battalions is to commence during this month or at the latest by the 1st of May next. The N.C.C. officers required to complete the full complement of officers for the 1st and 2nd Madras Bn., NCC, raised in 1948-9 will in any event have to be trained even in spite of the decision on the question referred to in para 2 above. The number of officers to be sent up for training for both the units is 24. The Registrar, University of Madras has not yet reported the date by which the officers can be sent up for training. The Officer Commanding 2nd Madras Bn. has now sent a copy of his letter to the Registrar, University of Madras furnishing the estimate of cost towards the payment of allowances to be paid to 11 NCC officers as against 13 officers yet to be trained of his battalion to be sent up for training and he has also reported that they can be sent up for the training by 15-4-49. The cost so far as the NCC officers of the 2nd Madras Bn. and concerned works out to Rs.9,127-8-0 on the presumption that the training will be at Wellington. About nearly the same amount will have to be sanctioned for the 11 NCC officers to be sent for training from the 1st Madras Battalion. The expenditure may be met from the lump sum provision of Rs.9,16,500/- made for the Senior D. in the B.E. for 1949-50.

4. The question as to how the pay and allowances due to the officer trainees should be has to be decided. In para 4 of his letter on p.83 the Director, NCC has pointed out that the amount should be paid to the trainees either direct by money orders or through the Commandants of Army units by Bank or Treasury drafts. The Officer commanding the 2nd Madras Battalion has pointed out that there may be some delay in handing over the

the individuals, the total amount may be sent to the officer commanding, Madras Regimental Centre, Wellington for disbursement to the individuals concerned. The simplest course seems to be to authorise the officers-Commanding the Infantry Battalions to draw the amounts required to meet the travelling and daily allowance for a period of one month and advance kit allowance and disburse the amounts to the officers concerned. If the training centre is Wellington the trainees will have to travel through Madras or Tiruchirapalli, and they may receive the amount at the headquarters of the battalion or if the officers so desire the amount may be remitted. After the officers join the training centre, further payments to them may be made through the Commandants of Army Units. In any event the officers Commanding the Battalions should be made responsible for the payments.

This will mean a day's half as otherwise the officers may travel by the night train to Wellington.

5. The remarks of Finance may be invited u.o. They may be requested to treat the reference as specially urgent.

V.R.

Finance (CSR.)

(Previous Finance notes on pp.4-5 above).

It is proposed to sanction an expenditure of Rs.9,127-8-0 towards the T.A. and daily allowance of 11 N.C.C. officers of the 2nd Madras Battalion for training. A similar expenditure will have to be incurred for sending 11 N.C.C. officers for training officers for the 1st Madras Battalion. It is reported that the expre. can be met from the lump sum provision of Rs.9,16,500 made in the B.E. for 1949-50. Finance may agree.

Para 4 on pp.21-22 above: The course suggested at

above may be agreed to in Finance. It is presumed that the amounts will be disbursed as advances and adjusted subsequently.
