Ref: Your No. 25548-B1/492 Edn dated 2 April '49.

I have the honour to inform you that I have to-day warned the 4 Officers to be in readiness to report to C.T.S. Poona on 16 APRIL '49. It is not known if any of the 4 officers would be unable to avail of this chance. While forwarding the above signal to this unit by the N.C.C. LETTER REF. NO. 25528 - BI/49-7 Ebn D 19/4/49.

To The Director, National Cadet Corps;

Sir,

Sub: NATIONAL CADET CORPS - Senior Division - Special  
course of training at Officers' Training School,  
Poona - Deputation of N.C.C. Officers.

Ref: Your telegrams No.1006 dated 31-3-1949 and No.  
1039 dated the 7th April 1949.

I am directed to inform you that the following  
N.C.C. Officers have been sent for undergoing training  
special course of training for six weeks at Officers'  
Training School, Poona, commencing from the 16th April  
1949:-

1st Madras Infantry Battalion:-  
Lt. B.A. Nandagopal - Government Arts College,  
Anantapur.

2nd Madras Infantry Battalion:-  
Lt. V. Narasimhan - Christian College, Tamabaram.  
Lt. K. Pavanasam - Government College, Kumbakonam.

In estimating the cost on account of the deputation of the  
officers for training, the Officer Commanding the 1st Madras Infantry Battalion,  
NCC, has in his estimate for the payment of the allowances

PTO

21-2  
for the officers <sup>calculated</sup> calculated the pay of the officers at  
Rs.400/- p.m. while the Officer Commanding the 2nd Madras  
Infantry Battalion <sup>has calculated that</sup> at Rs.450/- p.m. <sup>Presumably</sup> I am to enquire whether  
the presumption that the difference in the pay of each of  
the <sup>above</sup> officers is due to the length of service put in by them  
in the defunct U.O.T.C. and N.C.C., <sup>I am directed to enquire</sup> is correct.  
2. The other ~~discrepancy~~ discrepancy noticed in the  
estimates of the Officers Commanding is that while the  
Officer Commanding the 2nd Madras Infantry Battalion <sup>(in his estimate)</sup> has  
included provision for daily allowance at the rate of Rs.  
10/- per diem for the days of travelling, <sup>but the Commandant of the</sup> which the other  
<sup>1st Madras Infantry Battalion</sup> has not provided for payment of this allowance  
has not done. I am also to request you to let me know  
whether any daily allowance should be allowed to the  
officers for the days of travelling.

Sub: TRAVELLING ALLOWANCE AND DETENTION ALLOWANCE  
Ref: NCC Acts and Rules 1948 - 35(ii) and schedule 2.

Sir,

The above reference does not cater for the travelling expenses  
incurred by an NCC officer while he proceeds on duty. This  
provision does not also give the detention allowance at the  
destination. May some provision be made for the same. This  
difficulty was felt when Lt. B.A. Nandagopaul (NCC) was to proceed  
to O.T.S. Poona.

D.A. The Regular Army officer gets the following Detention allowance  
up to Rs 700/- p.m. - Rs 6/4/- a day, and after this rate - Rs 7/8/-  
per day.

T.A. Rs 10/- per day while one is travelling on warrant or 1<sup>st</sup> Class I.

Subject:- NATIONAL CADET CORPS - TRAINING COURSE AT THE O.T.S., POONA

Sir,

I am to invite your attention to my telegram of 31 March 1949 in which I had asked you to send a number of Senior Division National Cadet Corps Officers for training to the Officers Training School at Poona. In my telegram of 7 April 1949, I had asked that these officers should be paid their allowances before proceeding on the course.

2. I have been informed by the Commandant, Officers Training School, Poona, that the officers from the following units have NOT been paid:-

|                             |   |            |
|-----------------------------|---|------------|
| 1st Bombay Battalion N.C.C. | - | 3 officers |
| 2nd Bombay Battalion N.C.C. | - | 3 officers |
| 3rd Bombay Battalion N.C.C. | - | 3 officers |
| 4th Bombay Battalion N.C.C. | - | 2 officers |
| 5th Bombay Battalion N.C.C. | - | 2 officers |
| 1st C.P. Battalion N.C.C.   | - | 4 officers |

All officers attending this course should receive pay for the period from the date of leaving their college till the date of return to it. The monthly pay shall be as follows:-

|                                   | Pay<br>Rs. | Dearness Allowance<br>Rs. | Total<br>Rs. |
|-----------------------------------|------------|---------------------------|--------------|
| 2/Lieut.                          | 350/-      | 70/-                      | 420/-        |
| Lieut.                            | 400/-      | 70/-                      | 470/-        |
| Lieut. with<br>3 years<br>service | 450/-      | 70/-                      | 520/-        |

In the meantime, as these officers have to pay their mess, I am to request that you will immediately on receipt of this letter send to the Commandant, Officers Training School, Poona, by bank draft or cheque, pay of your officers for the period of 6 weeks which they will spend at the Officers Training School. The Commandant will pay them and send the receipted pay bills to you. Any other money due to them can be cleared later through Commanding Officers of the officers.

These officers are NOT authorised Daily Allowances in addition to their pay.

3. You will appreciate that these officers had to be issued for training purposes certain items of clothing and necessaries

in addition to what they possessed. Arrangements have been made for the issue on loan of certain items but others have had to be bought. It is considered that the cost of these should be met by the Provincial Governments and NOT by the individual officers. The cost of these items may please be paid immediately to the Commandant, Officers' Training School, Poona, by bank draft or cheque. The costs are:-

|                   |             |              |
|-------------------|-------------|--------------|
| Bombay Government | 14 officers | Rs. 332-10-0 |
| Madras Government | 3 officers  | Rs. 55-14-6  |
| C.P. Government   | 7 officers  | Rs. 171-5-6  |

4. I am finally to request that these matters may please be given your personal and immediate attention.

Yours faithfully,

Sir,

Sub: TRAINING COURSE - OFFICERS - O.T.S. POONA

Ref: Your Memo No. 25549-B1/49-10 Edn dated 7-5-49.

I have the honour to bring to your notice that under Schedule II National Cadet Corps Act and Rules 1948 quoted by the NCC Dte in para 1 'd', it is mentioned that the cost of first class railfare is to be paid; but no mention of any allowance to be paid for the days of journey is made. As they are getting only the actual cost of the first class fare on travelling, I thought it reasonable to give them daily allowance lest their subsistence would have to be met from their pocket. Since the N.C.C. Directorate letter No. 0254/49/NCC of 5-5-49 directs that all Officers attending this course should receive pay for the period from the date of leaving their Colleges till date of return, the question of daily allowance does not arise. But I am to bring to your notice that the pay I originally calculated was only for the actual number of days in the O.T.S. viz., 6 weeks and I thought this would be fair, as payment of their actual pay for the days of travelling will exceed the daily allowance that was suggested by me. Now since it is ordered that they are not to draw any daily allowance and as I am directed to draw the pay for the days of travel, I append below a revised estimate. The excess amount of Rs. 106/9/- may please be sanctioned at a very early date.

Referring to para 3 of the enclosure to your letter, only two Officers have proceeded from this Unit to the O.T.S. and the amount shown against Madras Government is Rs. 55/14/- for three Officers. Would you kindly let me know the share of this Unit to be remitted to the O.T.S. or if I am to remit the whole amount of Rs. 55/14/- for the 3 Officers. I suggest that this amount may be drawn by the Government and sent to the O.T.S. direct as it affects both the Units under the Government.

In this connection I also like to point out that the Officers who have proceeded to Poona have already drawn a Kit allowance of Rs. 250/- each and it is not known why they have incurred their above expenditure which I am inclined to think should have been met by them.

The amount of Rs. 180/14/- vide my letter No. 232/88 of 29-4-49 shown as balance on hand is taken into account while claiming the excess amount.

Subject:- NATIONAL CADET CORPS- TRAINING COURSE AT THE O.T.S. POONA.

Sir,

I am to invite your attention to my letter No.0234/49/NCC dated 5 May 1949.

2. Under the N.C.C. Rules, Senior Division officers do NOT receive an annual honorarium while Junior Division officers do. Senior Division officers receive pay of rank for the period they spend in Camp, in addition to which they receive a messing allowance of Rs 5/- p.d. This pay of rank could really be considered in a way as an honorarium for the work that these officers do during the rest of the training year.

3. During my visit to these officers at the O.T.S., it was represented to me that a number of them missed their annual camp on coming to course and thus the benefit of the pay they would have got at this camp. They explained that the training that they did with and gave to the cadets during the year came under Rule 33, while the course they were undergoing came under Rule 34.

4. I agree with the points put up by these officers. I feel that owing to the exceptional circumstances prevailing during this initial stage of the N.C.C., these officers have been sent on a course when they should have been with their units in camp. It may be accepted that such cases will not occur in future.

5. The N.C.C. officers affected are those of all the Bombay Battalions, except of the 2nd Bombay Bn N.C.C. and the 1st C.P. Bn. N.C.C. N.C.C. units in Madras have not gone out to camp this year, while the officers from the 2nd Bombay and 2nd C.P. Bns N.C.C., have already been to camp. The N.C.C. officers of these units may, therefore, be paid the pay of rank for the period of the camp i.e., 15 days (1 month). The number of officers from the units concerned and the pay scale of officers were shown in para 2 of my letter No.0234/49/NCC dated 5 May 1949.

6. The total cost involved is as follows:

BOMBAY

|       |    |           |                   |
|-------|----|-----------|-------------------|
| Lt:   | 1: | Rs 235/-  | } Total Rs 2125/- |
| 2/Lt: | 9: | Rs 1890/- |                   |

C.P.

|       |    |          |                  |
|-------|----|----------|------------------|
| Lt:   | 1: | Rs 235/- | } Total Rs 865/- |
| 2/Lt: | 3: | Rs 630/- |                  |

The camp pay of these officers should be paid to their Commanding Officers for issue to them on their return from the course.

National Cadet Corps. Senior Division. Infantry  
Battalions. Special Training Course for Ex-960  
officers who have been commissioned into the NCC

H-2 of From the Director National Cadet Corps Telegram  
no 1006 dated 31st March 1949

Please see the Telegram from the Director NCC  
on pp. 1-2 of This is proposed to give special training  
to the ex-U.O.T.C officers who have already been  
commissioned into the NCC for a period of six weeks  
commencing from 18th April at the Officers'  
Training School Poona. There are 16 such officers  
in the two Infantry battalions already raised in this  
Province. The Director N.C.C. has suggested  
that 8 officers may be sent in the first batch  
4 from the 1st Madras Bn + 4 from the 2nd Madras  
Bn. and that the officers commanding the units  
may be asked to select the officers & instruct  
them to join the training school on the 16th.

3 No provision has been made in the Estimates  
of Expenditure for 1949-50 for this special training.  
Necessary provision has been made for the training  
of the addl officers required to complete the strength  
and also for the officers to be trained for the addl  
units to be raised in 1949-50. It is likely that  
there will be savings in the budget provision as the Govt  
of India are considering the question of meeting  
the cost of equipment except clothing to be supplied  
to the NCC units to be newly raised in 1949-50  
from their funds and the question whether some  
of the units proposed to be raised in 1949-50 may

dropped out is also under separate consideration. As the proposed refresher course is essential for the officers who have been commissioned into the NCC the proposal may be accepted and the expenditure may be met from the lump provision made for the Senior Division.

4. The telegram from the Director NCC may be communicated to the officers Commanding the 1st & 2nd Madras Bn NCC for necessary action. They may be requested to report the amount to be paid to the officers to be deputed for special training for pay to & 7a under the rules referred to by the Director NCC.

5. The remarks of Finance may be invited up before sending a reply to the Director NCC accepting the proposal and the officers Commanding the Infantry Bns are instructed to take necessary action.

1.4.49 11/4/49 8/9 4/49 Fin (C.S.K.)

The proposal is to give special training to 8 of the Ar V.O.T.C officers who have already been commissioned into N.C.C for a period of 6 weeks commencing from 18.4.49 at the officers training school, Poona. Edu & PH recommend that the refresher course is essential for the officers commissioned. Fin may agree.

If I remember right, there is some difference in the rates claimed by the two G.Cs in respect of the officers deputed for training at Purna. Why not we get the point clarified by making a reference to the Director, N.C.C.?

11/4/49

Two NCC officers from the 2nd Madras Regt. and one from the 1st Madras Regt. of the rank of Lieut. are proposed to be deputed for the Special Course of training for six weeks from 16.4.49 in the Officers Training School, Purna. The expenditure

for the officers are as follows:-

2nd Madras Regt

Hr. V. Navasimhan - 1st Xam College, Tambaram - No. 934 - 0 - 0

Hr. K. Paramasam - 2nd College, Kumbakonam - No. 1068 - 4 - 0

3rd Madras Regt

Care officer of the rank of Lt. from the 1st A. N. S.

College, Arantapur.

No. 684 - 11 - 0

The rates of pay of Lieut. is 400 to 450. The GC 3rd Madras Regt has calculated the pay at the rate of Rs 407 - p.m. while the GC, 2nd Madras Regt has at the rate of Rs 457 -. The difference is due to the length of service put in by the officers. The other discrepancy is that while the GC, 2nd Madras Regt has ~~claimed~~ included in his estimate provision for DA at the rate of Rs 107 - p.d. for the days of travelling while the other has not done so. The amounts

Sanctioned

will be treated as advance & the officers will ~~be treated~~ <sup>be adjusted</sup> subject to adjustments later, it does not seem necessary to address the Dir, NCC. If however, it is considered necessary, a draft letter will be put up for approval.

Even at the time of final adjustment the disparity will have to be settled.

Instead of waiting for six weeks, we may ourselves get the points clarified by issuing a reference to the Director NCC.
