Explanatory Note.

The policy of Government is to introduce the scheme of Basic Education as early as possible. To this end, the existing Government Training schools are being gradually converted into Basic Training schools. Basic Training schools conducted under private managements are also recognized and aided by the Education department. The Director of Public Instruction reports that grants to the extent of Rs. 8,300 may become payable to the two new Basic Training schools opened this year, one at Tiruvur, Krishna district, and another at Kalapatti, South Malabar district. This department recommends that necessary provision for this purpose may be included in the Budget for 1949-50 as indicated in the summary above.

32 BE IV 3 2 5

Please see the communication from the D.P.D. on p. 1 ante. The policy of Govt. is to recognise and aid Basic Training Schools conducted by private managements. The Director anticipates that grants to the extent of Rs 8,300/- may become payable in 1949-50 to the two Basic Training Schools at T. B. and Kalapetty opened under private agencies in the current year. It is not ^{clear} whether provision for this ^{may not be} should be included in ~~Part I~~ Part I Estimate for 1949-50 or whether a provision should be made in the Part II budget. Inasmuch as the Govt. have taken up the question of introduction of Budget Estimate as early as possible, there is no need to consider the proposal as Part II Scheme.

Finance department may see for remarks.
