Sir,

I am enclosing herewith a medical certificate from the House Surgeon, Elizabeth Garrett Anderson Hospital. I am at the convalescent home for three weeks and report back on the 1st April to the Surgeon for medical examination. The date of admission had to be postponed due to unavoidable circumstances, I am still feeling extremely tired and I feel I would like to extend my medical leave for a further period of three months so that I don't go into Madras at a time when the temperature would be about 104 and all Colleges would be having summer holidays. I would therefore be much obliged if you could kindly extend my leave on Medical Certificate for another three months during which time I would like to get my teeth and eyes attended to as I am told by the Dentist at Elizabeth Garret that I have developed very bad pyrohea and they should be attended to as soon as I return.

In this connection, I beg to state that during my service of 15 years I have not taken a days medical leave which will tell you that by nature I am a very conscientious worker and will not take leave if I could avoid it.

Yours obediently

I am forwarding a representation by Miss L. A. Cornelius, who has been in this country on study leave. She has done quite well at the London University, but under the original terms of the Grant of Study Leave, she was not eligible for the usual allowances for books, travel, etc. Would you kindly let us know whether her case can be reviewed and whether any of the requests made by her would be granted.

Through The High Commissioner for India,

Sir,

I enclose herein a copy of the letter from the London University telling me that the Degree of Ph.D. has been conferred on me. In addition I have also qualified myself with a second class certificate for qualified teachers in Froebel methods of Teaching issued by the National Froebel Foundation and fully recognized by the Ministry of Education in London. I am also registered for the Diploma of the Imperial College. By the end of June, if health permits I have been permitted to appear for the Diploma in Education as a special case by the London University. In view of the fact that I have made best use of the study leave granted to me, I most humbly request you to review my case and permit me to draw such allowances as were granted to certain other officers in the Education Dept. (Messrs.C.B.Rao, & S.K.Pillai) - College Fees, Book allowance and at least return passage money. In this connection I may be permitted to point out that if my name was not put up for the Govt. of India Scheme it was not because I had not asked for it for I had along with Mr. Rao put in my application though it was then not forwarded on the grounds that it was not open to the officers of the Educational Dept. The only reason for not selecting in spite of my superior officer's strong recommendation could be only that I was in subordinate service. The fact that I have in the same time as required by most students of science to do a Ph.D. acquired additional qualifications will amply prove that I was not selected not for want of merit. In this connection I beg to point out that the Govt. was convinced by the report of the Director of Public Instruction that my training abroad would be in public interest and therefore the ban on study leave as a measure of retrenchment (which was then in full force was lifted in my case. The conditions of study leave were accepted as the Govt. of India had specially stated in the pamphlets issued by any of the Provisional Govts. would get a total emolument than that given to a Govt. scholar. My total emolument was far below a Govt. scholar who got £400 & fees, books, equipment allowance, travelling allowance, passage money etc.

I am enclosing for your information the actual fees paid by me I would also like to state here that the cost of living in England has been so high that it was impossible to live free from pecuniary worry while getting so little. The result was anxiety and illness. I wish to say that I still owe India House a sum of £36 and I have no money to pay my return fare.

I would therefore request you to review my case once again and grant me the same concessions as granted to other officers in the Education Dept. fees, book allowance, and at least return passage.

I remain, Your obedient Servant,
Sd/ H. Cornelius

Sub: Leave - Study - Miss.L.A.Cornelius - Request for

REF: Government Endorsement No.37744-A/49-1 Education
dated 19--5--1949.

In G.O.Ms.No.822 Education dated 23--4--1947 and Ms.No.

1981-Education dated 11-3-1947 the requests pf Miss. L.A.Cornelius
now on study leave at the London University for additional conces-
sions were negatived.

It is doubtful whether Miss.L.A.Cornelius would return ~~back~~
to this Department. She has already applied for the post of Syste-
matic Mycologist under the Government of India.

However I invite the attention of Government to paragraph 2
of my letter No.8925-C2/46 dated 6--8--1947 (copy enclosed) and I
recommend that her requests may be reconsidered.

Yours faithfully,

Resubmitted.

In G.O.1486-Edn.dated 21-9-1946, Miss.L.A.Cornelius was
granted study leave for one year. She now requests that her study
leave may be extended by another year as the research undertaken by
involves a lot of experimental work on large scale. The Professor of
the Imperial College of Science and Technology, London in his letter
S.W.7. dated 14-7-1947 has strongly recommended her request. An ex-
tension of leave by one year in continuation of the leave already
sanctioned in G.O.No.1486 Education dated 21-9-1946, is therefore
recommended for sanction.

3. Though Miss L.A.Cornelius under-took this study, at her exp
it will be only fair to grant her an allowance equal to what depart-
mental officers are paid. It is very rare for a Professor of the s
ing of Professor Gregory to admit a student for research and recor
an extension of facilities in the way he has done. Her study and

and research will be useful to the Department and Government and as such the question of ~~her~~ granting additional concessions may be reconsidered and an enhanced allowance for the period of leave is recommended.

Miss L.A.Cornelius, School Assistant - Study leave

31 (E)
In G.O.No.1486-Edn., dated 21-9-45, the Govt. sanctioned the grant of study leave for one year from date of relief to Miss L.A.Cornelius, School Asst., to enable her to do post-graduate research in Plant Physiology and Pathology or Agricultural Botany and Parasitology. During the period of the study leave the officer was to get the sterling equivalent of her pay and study allowance admissible under the rules.

After reaching U.K. she requested that she might be granted certain addl. concessions in view of the abnormal conditions. The D.P.I. supported the request. The High Commissioner for India stated that she might be granted terms which would not place her at a disadvantage as compared with Govt. stipendiary or scholarship students. This Dept. was of the view that there was no case for the grant of the addl. concessions. The matter was considered by the Standing Finance Committee. The Committee also agreed with this Dept. and Miss Cornelius was informed that her request could not be complied with.

Subsequently Miss Cornelius requested that her study leave might be extended by one year. She also renewed her request for the addl. concessions. In G.O.No.1981-Edn., dated 11-9-47 the Govt. sanctioned the extension of the study leave by one year but declined to grant the addl. concessions.

h18 (A)
h12 (A)
h15 (4)
The study leave granted to Miss Cornelius expired on 8-9-48. In G.O.No.2142-Edn., dated 31-8-48 she was granted leave out of India on average pay (Rs.150) for 4 months in continuation of the study leave. This leave has been further extended by six months in G.O.No.1051-Edn., dated 8-4-49 - 4 months on average pay and the rest on half-average pay, subject to eligibility. The extended leave

- 2 -

The request for addl. concessions, viz., ~~book~~ fees
book allowance etc. may be negatived.

Miss Cornelius says that she has no money to return home. Her leave expires on 9-7-49. It is not known whether she is still in England or whether she is on her way home. The High Commissioner may be informed that if she is still there she may be granted an advance for passage subject to the condition that it would be recovered in *easy* instalments from her pay after she arrives in India.

12. The proposal at A above ^{may} be accepted.
13. As regards B above, it is submitted that as

Miss Cornelius is not a Gazetted Government servant, she is not eligible for an advance of passage money-see Articles 243 and 233 M.F.C., Vol.I. However, in the extra-ordinary circumstances of the case, Finance may agree to the grant of an advance, to Miss Cornelius, as a special case, subject to orders being obtained in circulation, including H.M.Finance, and to the following remarks:-

The amount of advance asked for is £ 80 or Rs. 1067. Under Art. 233 M.F.C., Vol. I, the advance should not exceed four month's pay, or the amount actually required for the purpose, whichever is the least. The pay of Miss Cornelius appears to be Rs. 150 p.m. The advance should not ordinarily exceed Rs. 600 and should be recovered in 36 instalments. In the present case if an advance is agreed to, as a special case, it may be Rs. 1080 (a multiple of 36) and recovered at Rs. 30 p.m.
