Sir, Sub: Research in Education - Appointment of Rev. E.W. Menzel for four months a year in the St. Christopher's Training College Madras.

5813

I have the honour to address Government on a proposal of the Correspondent, St. Christopher's Training College to invite a scholar of repute, Rev. E.W. Menzel by name, to assist the M.Ed. ex degree course students in research in Education, and to state as follows:

2 Rev. Menzel is highly qualified and has a distinguished record in the field of Educational research as may be seen from the copy of the letter dated 25-11-1948 of the Correspondent, St. Christopher's College enclosed herewith.

3 Rev. Menzel will be available for work in Madras only for four months in the year and I have the honour to recommend that, the Department may avail of his services to the advantage of M.Ed. students particularly and other students under training in general.

4 For purposes of accounting the Professor can be considered to be attached to the staff of St. Christopher's College for four months each year for three years commencing with 1949-50. The annual expenditure to Government in respect of the project will be as follows:-

Salary of Rev. Menzel for 4 months:	
at Rs.467 p.m. ...	Rs. 1868
D.A. at Rs.117 p.m. (4 months) ...	Rs. 468
Total:	Rs. 2336
Half grant	Rs. 1168
T.A. Annually	Rs. 600
Stationery for test papers etc. annually	Rs. 1000
Unforeseen contingencies	Rs. 232

	3,000 in round figures

5 It may kindly be noted that the rates of salary and D.A. represent the actual rates at which Rev. Menzel is being paid by his employer at present and are not based on Government rates. Further, the sum of Rs.600/- for T.A. may also be sanctioned as Rev. Menzel is to take up work here for a short period on special invitation and has to travel to Madras from C.P. and back.

6 I request therefore, that, the proposal may be approved and I may be authorised to incur an annual expenditure not exceeding Rs.3000/- in respect of the proposals for three consecutive years commencing with 1949-50.

Yours faithfully,

for Director of Public Instruction.

Copy of letter dated 25th November 1948 of the Correspondent,
St. Christopher's Training College, Madras

Your asked me to tell you about Mr. Menzel's academic qualifications. I wrote in 1946 (when he was in U.S.A.) to a fellow Missionary of his in Central Provinces asking the same question. The Rev. J.C. Koenig replied on 20th February 1946 as follows:-

Rev. E.W. Menzel received his B.A. degree from a University at ~~Washington~~ Washington, D.C., I think the U is called the George Washington U., but am not sure. He received his B.D. degree from Eden Theological Seminary, Webster Groves Mo., and his Master of Arts in Education (frequently called M.Ed) from Washington University, St. Louis, Mo. The latter is a University of good standing and known for a good department of Education.

His interest in research is shown by two books published by the Oxford University Press (i) Suggestions for the use of new type tests in India first published 1939. Second edition 1942. Reprinted 1945. (ii) Suggestions for the teaching of reading in India first published in July 1944; and also by a number of articles, which have appeared in periodicals e.g. an article entitled "English is indispensable" in the June 1948 number of teaching published by the Oxford University Press. This gives a test for evaluating English composition.

Mr. Menzel's particular gift seems to lie in his power to interest others in undertaking research. He has been able to do this in a part of India where there was very little to encourage him.
