Sir,

Subject:- Extention of service-Municipal High School.

I will be completing my fifty ~~xxxx~~ fifth year in March this year and will have to retire after putting in 22 years service as assistant in the Municipal High School.

Two of my sons who are in the final B.E. and B.Sc., are dependant on me for financing their education.

The passing of years specially in a climate like Ootacamund does not impair health or intellect but on the contrary enforced idleness may adversely affect both these. It is my fervent wish to give the benefit of this wide experience to the new generation. I am hale and healthy and will produce a fitness certificate on your requisition.

I therefore request you to kindly grant me an extention of service as assistant in the Municipal High School Ootacamund for a period of one year from the date of appointment.

Yours faithfully.

Nallammal James.

Sir,

I have received your order No. 1060 Education dated 8/4/49. handed to me on 22/4/49 in reply to my application for extention of service dated 2/2/49.

I had made a definite request for extention of my services in the Municipal High School as an assistant for one more year from 17/3/49 to 16th. March 1950 as I am quite fit and healthy and the Headmaster has recommended me.

As my two sons are studying in the final B.Sc. and B.E. I feel that I must continue to give the financial help necessary to complete their course. There are some trained girl teachers who may be wanting to enter service in the Municipal High School but openings are available for them in the three Girls' High Schoolshere and teachers like me who have put in over 22 years service will not be entertained elsewhere and my case shoul be very sympathetically considered.

I have been studying HINDI from 1942 and have taken Citizenship training also. I hope you will consider my case and give me the extention sought before the school reopens on 14/6/1949, so as to have a continuity of service.

I am sending an advance Copy so that you will know that another is coming through proper channel.

Yours faithfully,

Sir, I have received your order No. 1060 Education dated 8/4/1949 handed over to me on 22/4/1949 in reply to my application for extension of service dated 2nd February 1949. I had sent in my application for extension of service in good time but the various channels through which it had to pass delayed it unnecessarily.

I had made a definite request for extension of my services in the Municipal High School as an assistant for one more year from 17th March 1949 to 16th March 1950. and I am quite fit and healthy and the Headmaster has recommended my application.

The Municipality paid me salary for March, 17 days only although my services were extended from this date to the end of the current year but I was paid for 8 days only in April from 22/4/'49 to 30/4/'49. I shall be grateful to you if you will kindly clarify your order so that the Municipal Office here may not interpret it as they like. In order to avoid any audit difficulty I had volunteered to work in the school ~~from~~ as from 18th March till receipt of your orders without remuneration in case of a negative reply. The extension now accorded to me is for ten days only and I am sure the spirit of the Government order is not this and I feel that I am entitled to draw the leave salary also as I have worked the whole year.

I shall be very grateful if the Government is pleased to extend my services for a year i.e. till March 1950. I am studying Hindi and have passed the first examination in first class.

Yours faithfully,

Nallammal James.

Sir,

I am writing on behalf of my wife Mrs. Nallammal James who retired on the 17th. March 1949. I am enclosing the letter received from the Joint Secretary Education Dept. which speaks for itself. Now that she has ceased connection according to the recent order received from Government I have asked her to send an application through proper channel and an advance copy to you for there seems to be a lot of avoidable delay which affects the applicant adversely with regard to her salary.

I shall be grateful to you if you could kindly extend her period to one of a year instead as it now stands just for ten days only.
