Explanatory Memorandum to accompany the revised budget estimate for 1948-49 and the budget estimate for 1949-50 of the Tanjore District Board.

ORDINARY -- RECEIPTS.1. Education-tax.

Education cess is levied at the rate of 10 pies in the rupee of land revenue from 1-7-47 i.e., from fasli 1357 as against the rate of 6 pies at which the cess was levied prior to 1-7-47. This accounts for the rise in the credit in the Revised Budget for 1948-49 and the Budget for 1949-50. The figures furnished by the District Collector have been adopted for the receipts under this head both in the revised budget and the budget estimates.

9(i) Government grant under Section 37 of the Elementary Education Act.

The grant sanctioned in G.O.No.3135-Edn., dated 9-12-48 has been adopted for the revised estimate for 1948-49.

The figure adopted for the budget estimate for 1949-50 is the amount of Education Cess that could be realised on the basis of $3\frac{3}{4}$ pies only in the rupee of land revenue during 1948-49 $(6,56,541 \times 15)$
10 x 4

9(ii) Government grant under proviso to Section 37.

Government grant in respect of schools opened prior to 1-4-1921--G.O.No.1584-Edn., dated 18-6-48.	Rs.1,31,429
Grant in respect of schools opened after 1-4-1921--G.O.No.1673-Edn., dated 30-6-48.	1,21,395
Total...	<u>2,52,824</u>

This figure has been adopted for 1948-49 and also for 1949-50.

9(iii) Grant - Arrear toll compensation.

Credit for Rs.3,31,500 has been taken as instructed in G.O.No. Ms.1258-Edn., dated 18-5-48 for 1948-49.

No credit has been taken for 1949-50 under this head.

9(iv) Government grant for Compulsory Education Scheme:

The scheme of Compulsory Education is estimated to cost Rs.2,17,440/- and Rs.1,82,750/- during 1948-49 and 1949-50 respectively.

	1948-49.	1949-50.
Ordinary.	Rs.1,55,570	1,65,150
Capital.	61,870	17,600
Total...	<u>2,17,440</u>	<u>1,82,750</u>

Government directed the District Board in G.O.No.Ms.1258-Edn., dated 18-5-48 to delete the credit taken for the grant in the budget for 1948-49 with reference to G.O.No.997-Edn., dated 28-4-48. It is submitted that the enhancement of the rate of Education Cess from 6 pies to 10 pies in the rupee of land revenue from 1-7-47 as directed by Government has not relieved the General Funds of this Board of the heavy strain caused by its having to make payment of heavy contributions every year to make up the deficit in the Elementary Education

Fund. The General Funds of this Board will be unable to meet this heavy charge consequent on the payment of contribution of 10 lakhs towards the cost of establishment of the Mahatma Gandhi Memorial Tuberculosis Sanatorium at Sengipatti in Tanjore District and a contribution of Rs.8 lakhs set apart for the construction of the Coleroon bridge near Anaikaranchattram. It is therefore requested that Government may be pleased to reconsider their orders referred to above and sanction the grant under the Compulsory Education Scheme for both 1948-49 and 1949-50, a concession which other District Boards have been enjoying all along. Necessary grants have been taken credit for in the hope that Government will be pleased for pass favourable orders.

10. Contribution from General Funds:

The variation in the sums provided for is explained under "9(iv) Grant for compulsory education".

RECEIPTS -- CAPITAL.

1. Government grants (i) Compulsory Education.

The credits taken for 1948-49 and 1949-50 are explained under "Ordinary-9(iv). Grant for Compulsory Education Scheme."

Sub:- BUDGET ESTIMATE - 1949-50 - Elementary Education Fund - District Board, Tanjore.

Ref:- From the Special Officer, District Board, Tanjore, No.B.10.42963/48, dated 3-1-1949. Endorsement of the D.P.I., No.15-B3/48-49, dated 31-1-1949.

The D.P.I. has forwarded with his remarks the R.E. for 1948-49 and the B.E. for 1949-50 of the Ele. Edn. Fund under the control of the District Board, Tanjore. Provision has been made in the budget for the expenditure connected with the revision of salaries of teachers and the scheme of compulsory elementary education.

2. R.E. for 1948-49:- (i) Credit has been taken in the R.E. for a sum of Rs.2,07,544 as Govt. grant under section 37 of the Ele. Edn. Act. This should be reduced by Rs.1,700/- with reference to the orders issued in G.O.No.775-Edn., dated 18-3-49.

(ii) The amounts taken credit for, under the heads "Arrear toll compensation grant" and "contribution from General Funds" are in accordance with the instructions issued in G.O.Ms.No.1258-Edn., dated 18-5-48. They may be allowed to stand.

(iii) The Board has taken credit for a subsidy of Rs.2.17 lakhs from the provincial funds towards the cost of the scheme of compulsory elementary education. The decision has all along been not to sanction any subsidy even for the scheme of compulsory ele. edn., for the Dt. Bd., Tanjore, as the Board has sufficient surplus in the Ele. Edn. Fund account for meeting the cost of the scheme. When passing orders on the B.E. for 1948-49 also, the Dt. Bd. was directed to delete the entire subsidy, taken credit for under compulsory ele. edn. The S.O., Dt. Bd., Tanjore has stated

the reason as to why he has taken credit for the subsidy in question, at A on pages 9-10 c.f. Attention is, in this connection, invited to the notes and orders in G.O.No.997-Education, dated 28-4-1948, in which the question of paying a subsidy to the Tanjore District Board towards compulsory elementary education was specifically considered and negatived. In view of these orders, and in view of the notes on pages 2-3 n.f. of (B), the entire subsidy taken credit for in respect of the scheme of compulsory ele. edn. in the R.E. may be deleted.

(iv) In view of the suggestions at M and N above, the E.E. fund will close with a surplus balance of only Rs.1,12,159.

3. B.E. for 1949-50:- (i) The B.E. will open with a balance of Rs.1.12 lakhs. In this case, the deficit at the end of 1949-50 will be Rs.2.19 lakhs. Credit has been taken for a subsidy of Rs.1.83 lakhs from provincial funds towards the cost of the scheme of compulsory education. In view of the remarks in para 2(iii) above, the entire subsidy of Rs.1.83 lakhs taken credit for, may be deleted. If this is done, the deficit at the end of 1949-50 will increase to Rs.4.02 lakhs.

(ii) In view of this large deficit, the entire provision of Rs.1.22 lakhs, made for the capital expenditure ^{in the B.E.} may be deleted. In this case, the deficit will get reduced to Rs.2.8 lakhs. This is due to the expenditure of Rs.5.56 lakhs on account of the payment of the enhanced rates of d.a. L.A. Deptt. may be requested to state whether any addl. contribution can be made from the General Funds.

(iii) Whatever L.A. may say regarding R above, it appears that orders may now be passed on the budget ^{leaving a} bearing the deficit and the S.O. may be asked to report the actual closing balance on 31-3-49. After the receipt of this report, the question as to how to meet the anticipated deficit may be considered. By that time, the ^{also} Govt. would have passed orders on the question of provincial
