SPECIAL SCHOOLS - TRAINING OF TEACHERS FOR
THE BLIND and DEAF-DUMB - G.O.No.1560-Edn.,
dated 15.6.1948.

Reference:-Government Memorandum No.73694/B1
48-1 Education dated 15.10.1948.

The position regarding the training of teachers
in the above schools and the provisions necessary there-
for during the current and the coming years are as here-
under:-

When the estimates under Part II of the Budget
Estimate for 1949-50 were submitted to Government, only
the selection of trainees had been made. The actual
number of trainees who joined the courses was subsequently
found to be six as detailed below:-

U.L.C.M.School for the Blind, Rontachintla ..	3
T.D.T.A.Schools for the Blind, Palencottah ..	3
Total..	6

Stipends, Salary and Dearness Allowance have to be paid
to these trainees in the current year. I have also san-
ctioned an advance grant of Rs.300/- to the school at
Palencottah and a similar advance grant is being made to
the Blind School, Rontachintla. The balance of expenditure
towards salary of staff etc. will be paid in the coming
year when the financial statements are received. A sum
of Rs. 5100/- may therefore be placed immediately at my
disposal as per details given below:-

: 2 :

STIPENDS: for 8 months for six -	8 x 6 x 25 ..	Rs. 1,200/-
trainees at Rs. 25/- p.m. ..	8 x 6 x 45 ..	Rs. 2,160/-
Salary for 8 months @ Rs.45/-p.m.	8 x 6 x 22 ..	Rs. 1,056/-
Dearness allowance for 8 months at		600/-
Rs. 22/- p.m. ..		Rs. 5016/- or
Advance grant of Rs.300/- each to		
2 schools ..		
		Rs. 5,100/- in round figures.

Regarding the provision of Rs. 5,100/- made under the Budget head in question in Part II of my Budget Estimate for 1949-50 and referred to in the memorandum cited above the following remarks are offered:-

3 The training of teachers for the Deaf-Dumb could not be started this year in spite of all possible efforts. The provision of Rs. 5,100/- in Part II of my Budget Estimate 1949-50 is necessary therefore for opening of training classes for the Deaf and Dumb during the coming year. The expenditure during the coming year will be as follows as can be seen hereunder:-

Stipends for 6 trainees for 10 months	10 x 6 x 25 ..	Rs. 1,500/-
at Rs. 25/- p.m. ..	10 x 6 x 45 ..	Rs. 2,700/-
Salary for 6 trainees at Rs. 45/- p.m.	10 x 6 x 22 ..	Rs. 1,320/-
Dearness allowance for 6 trainees at	300 x 2	600/-
Rs. 22/- p.m. ..		Rs. 6,120/-
Advance grant payable		

*The provision of Rs. 5100/- may be modified to 6120 as the training lasts 10 months.

2 As regards provision to be made in PART I of the Budget Estimate for 1949-50 I have to state as follows:-

In the Blind School at Rentachintla where three teachers are under training now, no additional staff have been employed for instructing the trainees. The existing staff do the extra work and on the recommendation of the District Educational Officer, Guntur(North) I am permitting this arrangement and providing for allowances to the staff as detailed below. In the Blind School, Palamcottah a teacher has been set apart for the training work. The balance of cost for the training given during 1948-49 and payable during 1949-50 will, therefore, be as hereunder:-

BLIND SCHOOL, RENTACHINTLA:

: 3 :

Allowance to Headmaster at Rs.25/- p.m. ..	8 x 25 ..	Rs. 200/-
for 8 months		
Allowance to first assistant.	8 x 25 ..	Rs. 200/-
Allowance to second assistant.	8 x 10 ..	80/-
Allowance to third assistant.	8 x 10 ..	80/-
		<u>560</u>

BLIND SCHOOL, PALAMCOTTAH:

Salary of one teacher for eight	8 x 56 ..	448/-
months at Rs. 56/- p.m.		
Dearness allowance for one teacher	8 x 22 ..	176/-
at Rs. 22/- p.m.		
Clerical allowance to the teacher	8 x 10 ..	80/-
for extra work.		
Provision for equipment -		500/-
contingencies etc. for 2 schools		
@ Rs. 250/- each. ..		<u>1,764/-</u>
Loss advance paid during 1948-49.		600/-
		<u>1,164/-</u> ✓

Further, for the six trainees now under training in the above schools it may be necessary to continue the training during 1949-50 for two months to make it a full year's course. Hence I recommend that for this purpose, provision as mentioned below may also be made:-

Pay for 2 months for 6 trainees	6 x 45 x 2 ..	540 ✓
at Rs. 45/- p.m. ..	6 x 22 x 2 ..	264 ✓
Dearness allowance at Rs. 22/-p.m.	6 x 25 x 2 ..	300 ✓
Stipends at Rs. 25/-p.m. ..		
	Total ..	<u>1104</u> ✓

3 Lastly I may state that another batch of 3 trainees each can be taken up for training in each of the Blind schools at Rentachintla and Palamcottah, as there is a pressing need for teachers and the Government School at Poonamallee is the only other place where training can be carried on during 1949-50 for teachers for the blind. In respect of these trainees the undermentioned provision is necessary.

10

Stipends for six trainees for 10 months
at Rs. 25/- p.m. .. 6 x 25 x 10 .. Rs. 1,500/-

Salary for six trainees for 10 months
at Rs. 45/- p.m. 1. .. 6 x 45 x 10 .. Rs. 2,700/-

Dearness allowance for six trainees
at Rs. 22/- p.m. for 10 months .. 6 x 22 x 10 .. Rs. 1,320/-

Advance grant to 2 schools at Rs. 300/- to each. 600/-

Rs. 6,120/-

The total provision to be made in Part I of the Budget
Estimate 1949-50 comes therefore to Rs. 1164/- plus 1104 plus 6120 or Rs. 8,388/-

Yours faithfully,

C. Sankar

During to the dearth of trained teachers for
employment in the Special Schools for the Deaf and
Dumb and the Blind, it has not been found possible to
increase the facilities for the education of defective

additional facilities in the existing schools. In order
to remove this difficulty, sanction was accorded for
the training in 1948-49 of twelve teachers - Six (3 Tamiils
and 3 Telugus) for employment in schools for the deaf
and dumb and an equal number of teachers for
employment in schools for the blind. It was possible to train

Blind at Palamecottah and ~~3 Telugu teachers~~ in the
U.L.C.M. School for the Blind ^{at Rantashitla}. The B.P.S. has proposed
that another batch of six teachers - 3 Tamiils and 3 Telugus -
may be trained in 1949-50 in the two private schools
for the blind mentioned above. He has also proposed
that six teachers ~~(3 Tamiils and 3 Telugus)~~ for the
deaf and dumb may also be trained in 1949-50. The Govt
~~approve the Director's proposals.~~
minimum qualification for teachers for admission for

will be given to Secondary grade trained teachers. The
training will last for ten months and during the
period of training, the teachers will be paid in addition
to pay and dearness allowance, a stipend of Rs 25/-

(Rupees twenty five only) per mensem. Grants will be made to the managements of the aided schools for the defectives in which the training is to be given towards the full cost of training. An advance grant of Rs 300/- will be made in 1949-50 to each of these institutions and the balance in 1950-51 after the actual expenditure is known.

3. The D.P.S. is requested to arrange for the training of teachers for the deaf & dumb in any of the existing aided schools for the deaf & dumb. Three Tamil & three Telugu teachers may be selected for undergoing training to facilitate the opening of one Govt School for the deaf & dumb in a Telugu Dt & one in a Tamil Dt in 1950-51.

4. Orders will come separately in regard to the training of teachers for the blind in Kannada & Malayalam.

The necessity for the training of teachers in Deaf & Dumb has already been accepted - and it is proposed to give effect to the training sanctioned in the current year only in the next year. This may be treated as a Part II scheme for 1949-50.

4 The DPD had already recommended the training of teachers in Blind in all the regional languages in the Victory Memorial School for the Blind at Poonamallee - In the separate file on that proposal, it has been suggested that the training may be confined to two teachers in each language. The DPD has now recommended that another batch of 3 trainees each can be taken up for training in each of the Blind Schools at Rentachintra & Palamcottah. - This training will be in Telugu & Tamil - If this is undertaken, the training of teachers in the Victory Memorial School for the Blind, Poonamallee may be confined to other two languages - viz Malayalam & Kannada. It is necessary to regulate the number of teachers with reference to the possibility of opening new schools or absorbing the teachers trained in the existing schools. The cost on account of training six teachers is estimated at Rs 6120 in 1949-50. This may be treated as a Part II scheme for 1949-50.

A draft T.M to the DPD is submitted with reference to A above. After issue, the file may be sent to Finance no. for remarks.

[Subject - Grants to private aided schools for defective children for the training of teachers for employment in the schools for the deaf and dumb and the blind]

The existing facilities for the education of the deaf and dumb and blind children are very inadequate and it is necessary to extend the facilities by the opening of new schools for these defectives in areas where there are no facilities at present. One of the impediments in the way of opening new schools and in providing additional facilities in the existing institutions is the paucity of trained teachers for employment in these schools. In order to remove this difficulty, sanction was accorded for the training of 12 teachers in the current year - six (3 Tamils & 3 Telugus) for employment in schools for the deaf + dumb and an equal number of teachers for employment in schools for the blind. It was possible to arrange for the training of the six teachers in blind only - 3 Tamil teachers in the T.D.T.A. Schools for the blind at Palamcottah and three Telugu teachers in the U.D.C.M. School for the blind at Rantichin. With the teachers thus trained, it is proposed to open two new schools for the blind one in a Tamil Dt and another in a Telugu Dt. The Director of Public Instruction has proposed that another batch of six teachers may be trained in 1949-50 in the two private schools for the blind mentioned above. He also recommends that six teachers for the deaf and dumb may also be trained in the next year. The training will last for 10 months. The minimum qualification for teachers for admission for training will be

will be Elementary grade trained but preference will be given to secondary grade trained teachers. During the period of training, the teachers will be paid in addn to pay & dearness allowance, a stipend of Rs 25 per mensem. In the blind school at Rentachintla, the existing staff is paid an allowance for doing the extra work in connexion with the training and provision of Rs 250 is allowed for equipment & other contingencies. The total grant payable on this account works out to Rs 950. In the blind school at Palamcottah, a teacher is set apart for training work and the pay & allowances of the teacher is met by Govt. The grant payable to this institution on this account including a provision of Rs 250 for equipment & other contingencies works out to Rs 1130. It is proposed to sanction to each of the institutions an advance grant of Rs 300 in 1949-50 & the balance in 1950-51 after the actual expenditure is known. The ultimate expenditure on this account is estimated at Rs 13,700 and the cost in 1949-50 at Rs 12,200 as shown in the summary at the top.

3. The training of teachers as proposed is quite essential, with the 12 teachers proposed to be trained, it will be possible to open only 4 schools - two for the deaf & dumb and two for the blind. ~~as the Government has decided to open only 4 schools - two for the deaf & dumb and two for the blind. This is the maximum number that can be managed in the circumstances. This Deptt recommends that a provision of Rs 12,200 may be made for the training of teachers in the next year's budget as shown in the summary at the head of the note~~

The existing facilities for the education of the deaf and dumb and blind children are very inadequate and it is necessary to extend the facilities by the opening of new schools for these defectives in areas where there are no facilities at present. One of the impediments in the way of opening new schools and in providing additional facilities in the existing institutions is the paucity of trained teachers for employment in those schools. In order to remove this difficulty, sanction was accorded for the training of 12 teachers in the current year—six (3 Tamils and 3 Telugus) for employment in schools for the deaf and dumb and an equal number of teachers for employment in schools for the blind. It was possible to arrange for the training of the six teachers in blind only—3 Tamil teachers in the T.D.T.A. Schools for the blind at Palamcottah and 3 Telugu teachers in the U.L.C.M. School for the blind at Rentachintla. With the teachers thus trained, it is proposed to open two new schools for the blind one in a Tamil district and another in a Telugu district in the next year. The Director of Public Instruction has proposed that another batch of six teachers may be trained in 1949-50 in the two private schools for the blind mentioned above. He also recommends that six teachers for the deaf and dumb may also be trained in the next year.

2. The training will last for ten months. The minimum qualification for teachers for admission for training will be elementary grade trained but preference will be given to secondary grade trained teachers. During the period of training, the teachers will be paid in addition to pay and dearness allowance, a stipend of Rs. 25 per mensem. In the blind school at Rentachintla, the existing staff is paid an allowance for doing the extra work in connexion with the training and a provision of Rs. 250 is allowed for equipment and other contingencies. The total grant payable on this account works out to Rs. 950. In the blind school at Palamcottah, a teacher is set apart for training work and the pay and allowances of the teacher are met by Government. The grant payable to this institution on this account including a provision of Rs. 250 for equipment and other contingencies works out to Rs. 1,130. It is proposed to sanction to each of the institutions an advance grant of Rs 300 in 1949-50 and the balance in 1950-51 after the actual expenditure is known. The ultimate expenditure on this account is estimated at Rs. 13,700 and the cost in 1949-50 at Rs. 12,200 as shown in the summary at the top.

3. The training of teachers as proposed is quite essential, with the twelve teachers proposed to be trained, it may be possible to open four schools—two for deaf and dumb and two for the blind. This department recommends that a provision of Rs. 12,200 be made for the training of the teachers in the next year's budget as shown in the summary at the head of the note.
