Rc.No. 2184 B1/48, dated 10-11-1948. 194 .

Sir,

* Sub: Schools - Secondary - Opening of new secondary schools - provision for the bifurcated courses of studies as a condition of recognition.

Ref: Govt. Memo No. 75444 B/48-1 Edn., dt. 3-11-48.

With reference to the above note of the Hon'ble the Minister for Edn., (copy enclosed for ready reference) I must say that I cannot quite advise the imposition of the condition proposed by the Hon'ble the Minister for the recognition of the new secondary schools. Such a condition will add very much to the burden of the schools and can only tend to discourage people from coming freely forward to open new secondary schools. Most of the new schools again are being opened under the managements of District Boards who will find it difficult to make provision for the additional bifurcated courses. The new schools cannot also be expected to be located always in the places where the courses are most needed; which is not a desirable thing either for the school or for the public generally.

Yours faithfully,

Shreekrishna

for Director of Public Instruction.

Secretary, E & P.H.

Now that we are getting lots of applications for starting high schools in many rural areas also, I wonder whether we should not make it a condition of recognition that every school must provide for atleast one bifurcated course to get recognition in future. For the present this may be confined to boys' high schools.

EDUCATION - Opening of new schools - Provision for bifurcated courses as a condition of recognition --Orders passed.

Ref: From the D.P.I, Rc.No.2184-B1/48, dated 10-11-48.

ORDER:- 108 Edu 18/12/48

The Govt. have considered the question whether it should be made a condition of recognition of secondary schools to be newly opened in future that every school should provide for atleast one bifurcated course, and have decided that it is not necessary to impose such a condition. They, however consider that where ~~in~~ there are more than one division ^{in a school}, the management may be asked to consider the feasibility of opening one or more of the bifurcated courses. The D.P.I. is requested to issue necessary instructions to the managements of Schools in the matter. It should

6 -2-1

his would be

be made clear that it is absolutely voluntary and not compulsory.

10 OCT 1948

A draft memo to the D.P.I. is submitted below for approval

1286 30/11/48

2/11/48

S. J. J. J.

Memo No: 75444 - B1/48 - 184m dated 3-11-48) P107
From the D. P. J. Re. No: 2184 - B1/48 dated 10-11-48) P307

Please see the minutes of HM (Edn) on page 1 ante. The D. P. J. does not agree with the H.M.'s suggestion that Govt should make it a condition for recognition of every High School that will be opened in future that it must provide for at least one bifurcated course. The D. P. J. holds that such a condition would tend to discourage people from freely coming forward to open new secondary schools. He adds that most of the new schools are being opened by District Board who will find it

P307

I agree with the views of the D.P.J.

20/11

it difficult to make provision for additional bifurcated courses. He also the Director also states that the new schools cannot be expected to be located always in the places where the courses are most needed.

The file may be circulated to HM (Edn) for orders whether in the circumstances stated by the D.P.J., the proposal maybe dropped

NRJ

in 22/11/48

S by 15/11/48

A suggestion may be issued to them that where there are more than one division in a school, the management may consider the feasibility of opening one or more of the bifurcated courses. It may be made absolutely voluntary but the suggestion may be given.

15/11
29-11

Please see the minutes of HM (Edn) above. The bifurcated Courses should be introduced in Form IV of a high school. It is presumed that it is the intention of HM (Edn) that in schools where there are more than one division in Form IV the management should be asked to consider the feasibility of introducing one or more bifurcated courses.

A draft order is accordingly submitted below for approval.
